Saturday, Dec. 7, 1907.

Americans show general declines ⅛ to ½. London, 12.30 p. m.—C. P. R. 151½.

Summary:—Earnings—Norfolk & Western, October, gross increase $520,673, net increase $52,304, surplus decrease $12,615, from July 1st gross increase $1,895,882, net increase $527,246, surplus increase $274,295.

London expects about last of gold exports to United States today.

Forty-nine roads for October show average net decrease of 1.75 per cent, and for four months increase 0.76 per cent.

Executive committee of U. S. Reduction and Refg Co, has decided to omit payment of quarterly dividend of 1¾ per cent on preferred stock, which ordinarily is payable January 1st. The stock is six per cent noncumulative.

Total U. S. Bank clearings for week decreased 29.7 per cent.

New orders in steel trade by leading interests less than half those of normal times.

Washington:—Announcement was made by Secretary Cortelyou last night that he had decided to issue only $25,000,000 of the 2 per cent Panama bonds instead of $50,000,000, as originally contemplated. He also announced that the allotments of the 3 per cent one year government certificates of indebtedness would not exceed $15,000,000. It was at first proposed to issue $100,000,000 of these.

London, 1 p. m.—Money on call 4 to 4¼, discount short bills 5 ⅞ to 6. For 3 months 5⅞ per cent. Consols money 82 15-16, account 83¼.

London Close—Exchange none, Anc 32¼, Ac 49½, Atch 73¼, BO 83½ CO 30, GW 8¼, CPR 151½, Erie 17¼, EF 36½, KT 26¾, LN 95⅛, NP119, Cen 98½, Pa 114⅛, OW 33½, RG 95⅛, RI 16, SR 14, SP 75½, ST 105½, UP 118, US 27⅜, UX 88⅞, WZ 18½.

Liverpool—Spot cotton fair demand, prices steady, middlings up 5 points.

Futures closed easy ½ to 2½ up from previous closing.

London 2.20 p. m.—Week end contraction of business characterizes the market in advance of next week's fortnightly settlement. British home rails are relatively less inactive than others and have advanced ¼ to ½ per cent.

The feature in the American list is the apparent completion of the covering movement and the result is a sagging market in that group. U. S. Steel shares have been shaded and the Harriman stocks show declines of ½ per cent. Other issues disclose smaller fractional losses. There is next to nothing doing in Canadian stocks. South Africans have a tendency to drop, and Rio Tintos have reacted ¾ from the best.

Kansas City:—The First State Bank of Argentine, which closed its doors Thursday, following the failure of the National Bank of Commerce of this city, has resumed.

The American Car and Foundry Co has declared regular quarterly dividend of 1¾ per cent on preferred and 1 per cent on its common stock, both payable January 1, books close December 11th.

LAIDLAW & CO'S LETTER.

New York, Dec. 7—The rally in the stock market has at least partially accomplished one of the objects sought, viz.: the strengthening of the position of loans carried over the acute period. It has also had a reassuring effect on sentiment throughout the country and it is to be hoped that henceforth there will be a gradual release of money hoarded by interior banks during the recent stress in the financial world. The call for an accounting of National banks throughout the country disclosed the uprising fact that the banks themselves and not individuals have been chiefly responsible for the heavy withdrawals of money from circulation. Local clearing house institutions have apparently gained from five to six million during the week, but the probability that loans have shown further expansion as a result of the recent expansion of speculation renders any forecast of today's figures unreliable. It may be the policy of the larger banking interests to countenance a fairly strong stock market with the purpose of accelerating the return to confidence now well under way, and while any material expansion of speculative obligations will hardly be permitted, no serious obstacles would be placed in the way of a further rally of a few points.

The advertisement of Bustin & Withers today should prove of interest to housekeepers. There is always a place for one more piece of furniture in the home and discount off during this sale should appeal to those who want to save some.

Battle line steamship Eretria, Captain Mulcahy left Rotterdam yesterday for Hamburg and Charleston.
