MARATHONS WON THE FIRST GAME

They Defeated the Algonquins 5 to 0 on Saturday in the First Match for the Bullock Trophy.

The Marathons defeated the Algonquins 5 to 0 on the Every Day Club grounds on Saturday in one of the best and hardest games seen in a long while. It is the general opinion that the game should have been scoreless so evenly matched were the teams. The Greeks score was made by Dr. Malcolm on what the Indians claim was a throw out from touch, as a result when the pigskin went to Malcolm little effort was made by the Indians to get him.

In the first half Captain Finley went over for what looked like a fair try for the Algonquins but referee Roland Skinner disallowed it as he had blown his whistle.

TWO TEAMS WON AND ONE LOST

Algonquins Beaten by U. N. B. 9 to 0 but St. John Micmacs Beat Fredericton High School and Cornwall and York Team Vanquished Soldiers.

Fredericton, N. B., Nov. 10.—Two St. John teams won and one lost in three well played football matches on College Field here yesterday. The St. John Macmacs of the Intermediate league defeated the Fredericton High School 3 to 0 in a hard fought and well contested game. The play was very even throughout. The score for the visitors was made by Hazen Howard of the half line; the try however was not converted. The game was played at 11.30 o'clock with Arthur McClaskey of St. John as referee. The second game was between two association teams the Cornwall and Yorks of St. John and a team of the visitors won. The game of the day was between the St. John Algonquins and U. N. B. and though the visitors were defeated by a score of 9 to 0 the game was a fast one throughout.

All three scores were made in the first half Babbit making the first as the result of pretty combination and Deeds the second; the third was carried over in a scrimmage. U. N. B. have never been seen to better advantage the halves working together beautifully. Captain Joe Dever did not play on account of a bad cold, Willis taking his place. The first half of the game found the visitors on the defensive most of the time, but in the second half they bucked up and matters were more even. The visitors were without either one of there regular quarters or their regular full back, Kenny, found it necessary to play Keefe one of the Micmacs quarters and Melrose; and McAvity the Micmacs full back. Arthur McClaskey of St. John whom the visitors brought with them as referee gave satisfaction in both games; while his style hampers somewhat the players here, Manager McKnight of U. N. B. said after the game that he considered him very fair and impartial.

HOLMER SECURED NEW LAURELS IN HAMILTON

Halifax Winner Beat Twenty Competitors in Famous Road Race—Simpson, an Indian, Was Second—Other Road Races.

Hamilton, Nov. 9.—Hans Holmer, the youthful distance runner of the Crescent A.C., of Halifax, today captured the prize in Hamilton Herald race round Burlington Bay. The distance is about nineteen and a half miles and Holmer did it in 1-51 16, which is some two and a half minutes behind the record made a few years ago by Sam Mellor; second place was won by Fred Simpson, the Peterboro Indian in 1.53 28; third by Harold Parsons, of Neepawa (Man.), in 1.54 23; fourth by Tom Coley, of Thorold, in 1.59; fifth by Charles Cook, of Hamilton, in 2 hours; sixth by Roy H. Potter, Hamilton, in 2 hours; seventh, by Ernest Woods, Toronto, in 2.01; eighth, by John Roe, Toronto, in 2.02; ninth by Frank Mason, Uxbridge, in 2.02 10.

There were twenty entries in all, and the pace at first was set by Woods, of Toronto. Sellen, who has several times been pitted against Longboat, went to the front next. At the canal, Sellen was still in front, but Holmer and Parsons were close behind with Simpson first and Coley next. After this, Holmer, who was coached by Longboat, let himself out a little and when the twelfth mile post was passed was in the lead with Sellen and Parsons behind. From there to the end, Holmer kept his lead, putting up a great performance and finished strong.

It looked for a time as if Parsons would come second, but just at the finish, Simpson showed a great burst of speed. He failed to come up with Holmer, but managed to force himself ahead of Parsons.

The Galt Reporter road race today was won by Tom Williams, Y. M. C. A., fourteen and one-third miles, in one hour twenty-eight minutes and ten seconds. John Love was second and Alf Turnbull Galt Collegiate third. Ten thousand people saw the race.

The road race at Belleville was witnessed by over fifteen hundred people. Winner was H. B. McConnell of Maynooth; second, R. Oiphant, Belleville A. C.; third, H. Vickers of Harriet.

The Welland road race of five miles was won by M. P. Dennis in thirty-four minutes, fifty-five seconds. Dr. Richards, Port Colborne, second; and J. German, Welland, third.

The sports at Woodstock today had a very large attendance. Bobby Kerr, of Hamilton, won all the races he contested, but no records were broken. The ten mile Marathon was won by William Law, of Tillsonburg; Wade, of Ingersoll, second; and Kelly, of Ingersoll, third. Time sixty-one minutes and seventeen seconds.

Hundred yards dash—Kerr, ten seconds flat.

Kerr also won 220 yards race, Adams of London, taking the three mile.

Montreal, Nov. 9.—(Special.)—Paddy Royal, of the Nationals, won the Herald road race today in 58 minutes 25 seconds. This is one minute and 4 seconds ahead of Shipman's time and 1 minute 19 seconds ahead of Wood's effort last year.

Abbie Woods won the Independent harrier road race today in 10 miles round the mountain run, the course being a part way the same as first race. Time, 57 minutes 32 2-5 seconds.

HAYES MATCHED TO RUN DORANDO

Winner of the Marathon Will Meet Famous Italian Runner in New York on Nov. 25th.

New York, Nov. 10.—John J. Hayes, winner of the Marathon Race at the Olympic Games in London last summer, has signed a contract it is announced, to meet Pietri Dorando, the Italian runner who was half carried and half pushed across the tape in front of the American and was disqualified because of his assistance.

The agreement which Hayes has signed calls for practically a re-running of the event in Madison Square Garden in this city on Wednesday, Nov. 25, Thanksgiving eve. It is stated that the full Marathon distance, twenty-six miles, three hundred and eighty-five yards, will be run.

LONGBOAT UNDER FLANIGAN'S WING

Indian Runner, Repudiated by Canadian A.A.U., Begs to be Taken Back to His Former Manager.

Toronto, Nov. 10.—Incidents of a most extraordinary character are following in rapid succession in connection with Tom Longboat's career as a runner. The latest is to the effect that Tom is sorry for his step in forsaking amateur athletics and wants to return. Tom Flanagan, his former manager, and the members of the committee appointed to handle the Indian's money-bags, have all come out flat-footed against having anything more to do with him.

This morning Longboat applied to the Canadian Athletic Union to be taken back into the fold. This is a direct result of Flanagan's severing his connection with him. This will not be considered by the C. A. A. U. Flanagan has written a long statement for the press stating that dishonest proposals have been made to him by men seeking to gain control of Longboat to further their own ends, and that these men have attempted to undermine his good work with Longboat by exercising debasing influences over him.

Longboat quietly left his companions of the last few days, hastened to the Grand Central Hotel, owned by Flanagan, and rushing inside, threw his arms around his former manager's neck and, bursting into tears, begged Flanagan to take him back. Flanagan is noted for his big Irish heart, and so today Longboat reposes once more beneath his roof.

The Indian will not be reinstated by the C. A. A. U. They are through with him. No one can tell what will happen next. It is a question what effect this will have on races with Hayes, Dorando and Shrubb.

THE MARATHONS DEFEATED

Halifax, N. S., Nov. 9.—(Special.)—In the closest and most interesting football game played in Halifax this season, the Wanderers defeated the St. John Marathons by the small score of 5 to 3 on the former's grounds this afternoon.

The game was very keenly contested and, as far as territory was concerned, was decidedly in favor of the visitors, who had control of the ball the best part of the game. Had it not been for the wet condition of the field the visitors would probably have come out victorious. At least this was the opinion of experts who watched the game.

CHATHAM BEATS MONCTON

Chatham, N. B., Nov. 9.—The holiday was quietly celebrated in Chatham. The attraction in the evening was a basket ball game between the champion Moncton team and Chatham, the locals winning out by the score of 24 to 16 after an exciting contest.

Toombs, who played centre for the visitors, had his ankle injured in the second half and was oblized to quit the game. Half of the visitors' score was made on penalty claims. Dr. W. S. Loggie refereed satisfactorily. The teams were:—

Moncton—Gibson and McWilliams, forwards; Toombs, centre; Rand and McFarlane, defence.

Chatham—Watters and Walls, forwards; Matthews, centre; McNaughton and Loggie, defence.

CALABRIA AT SUMMERSIDE

John Splane, of this city, who is in Summerside (P. E. I.), looking after the schooner Calabria, before reported ashore at Salutation Bay, sent word yesterday that the vessel had been towed off and taken into the port of Summerside.

It is thought the Calabria is not much damaged. A survey will be held. She was on the passage from Campbellton to Boston with a cargo of lumber and was caught in the gale of Nov. 3, which played havoc with shipping all along the Atlantic coast.

The meeting of St. David's Y. P. A. tonight under the auspices of the Biblical committee promises to be of more than ordinary interest. The subject will be the Bible, its different translations. Hon. R. J. Ritchie will give an address on the Douay version. Papers will be read by Frank Morrison on the revised version; by Miss B. Forbes on the authorised version and by Miss Helen McMurray on other English versions. There will be special music by the choir, besides a number of solos.

Judson Nice, of St. John, west, one of the young engineers of the C. P. R., who met with a serious accident on a western train some two months ago, arrived in the city yesterday from Port Arthur (Ont.), where he had been confined in St. Joseph's Hospital. Although Mr. Nice will be practically an invalid for some time his many friends both in St. John and elsewhere, will be pleased to know that he is once more at home.

"Bronchitis"

Is generally the result of a cold caused by exposure to wet and inclement weather, and is a very dangerous inflammatory affection of the bronchial tubes.

The Symptoms are tightness across the chest, sharp pains and a difficulty in breathing, and a secretion of thick phlegm, at first white, but later of a greenish or yellowish color.

Neglected Bronchitis is one of the most general causes of **Consumption.**

Cure it at once by the use of Dr. Wood's Norway Pine Syrup.

Mrs. D. D. Miller, Allandale, Ont., writes: "My husband got a bottle of Dr. Wood's Norway Pine Syrup for my little girl who had Bronchitis. She wheezed so badly you could hear her from one room to the other, but it was not long until we could see the effect your medicine had on her. That was last winter when we lived in Toronto.

"She had a bad cold this winter, but instead of getting another bottle of Dr. Wood's Norway Pine Syrup, I tried a home made receipt which I got from a neighbor but found that her cold lasted about twice as long. My husband highly praises 'Dr. Wood's,' and says he will see that a bottle of it is always kept in the house."

It is put up in a yellow wrapper, three pine trees the trade mark, the price 25 cts.

Be sure and accept none of the many substitutes.

HALIFAX JOURNALIST HERE

E. Geoff Stairs, editor of the Standard of New Glasgow (N. S.), is at the Royal, being in the city on a business trip. Mr. Stairs came in from Halifax, his home, on Sunday night's express, having spent the day there in showing the Marathon football team of St. John around the sister city. Indeed, Mr. Stairs arrived in Truro on Saturday night en route to this city but went into Halifax with the team and provided entertainment for them at the Waegwoltic Country Club on the North West Arm, also at the Royal Nova Scotia Yacht Squadron and, with Editor McCurdy of the Halifax Herald, entertained the St. John boys at dinner at the Birchdale Hotel on Sunday.

It isn't so difficult to strengthen a weak Stomach if one goes at it correctly. And this is true of the Heart and Kidneys. The old fashioned way of dosing the Stomach or stimulating the Heart or Kidneys is surely wrong! Dr. Shoop first pointed out this error. "Go to the weak or ailing nerves of these organs" said he. Each inside organ has its controlling or "inside nerve." When these nerves fail those organs must surely falter. This vital truth is leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. A few days test will surely tell! Sold by all Druggists.

STOMACH CATARRH

Watery Risings --- Belching Gas --- Digestive Weakness

Fred. M. McKenzie Recommends Scientific Treatment That Cured Him.

New discoveries in the line of medical treatment have come before the profession of late years with almost alarming rapidity, but one that promises to outdistance all others in the treatment of stomach and digestive troubles is Ferrozone, which is a scientific combination of vegetable extracts and juices that soothe the stomach and improve digestion in a truly wonderful way.

So many are interested in finding a really good stomach medicine, that Mr. McKenzie, one of the most prominent citizens in Cambridge, tells of a remedy he proved to be a "cure."

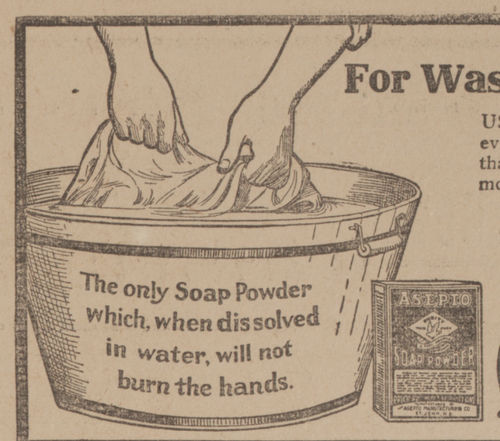

"Although my appetite was poor and I ate little, I always had the sensation of having eaten too much. I experienced weight and oppression an hour or two after eating. Often I had heartburn, risings of a bitter liquid, coated tongue and bad breath. There was a continual gnawing pain in my stomach, especially before meals.

Bad Case Cured.

"No case of Catarrh of the stomach and digestive organs could be worse than mine. I suffered the limit of human endurance. For two years I doctored but didn't find the real remedy until I got Ferrozone, what a blessing this preparation must be to all mankind. I took one Ferrozone tablet at the close of each meal and in one week improved. In a month, although not cured, the improvement was steady. I continued to use Ferrozone for three months and was restored to robust perfect health. I would urge every man to try Ferrozone—in many ways it will do good."

In all cases of Weak Stomach, Indigestion, Nervousness, Palpitation of the Heart, Insomnia, General Debility, Chronic Dyspepsia and all wasting diseases use Ferrozone, no remedy will so surely and quickly restore one to the full vigor of health and strength.

When you take Ferrozone everything you eat tastes good, and every bit of the nutriment that your food contains is assimilated and appropriated by the blood and tissues. Try Ferrozone, all dealers, 50c. per box or six boxes for $2.50. Get it today.

A Shrewd Woman's Wisdom

If you were buying five Persian Lamb coats at one time wouldn't you naturally expect the furrier to give you a closer price on such a very large order, and wouldn't he naturally be very anxious to secure your business, because if he only charged you one-half his regular profit on the five coats he would still be making three times as much on the transaction as if he had only sold you one garment. In the fur business that's exactly our position. We buy to supply our own five big busy fur stores, in the best business centres; we buy five times as much as if we had but one store to supply. You get the benefit of our close buying and we benefit by your patronage, if we make of you a thoroughly pleased patron.

GOMPERS REAFFIRMS THAT THE LOBOR VOTE CANNOT BE HANDED OVER TO ANY PARTY

Denver, Colo., Nov. 9.—Hearty applause greeted President Samuel Gompers, of the American Federation of Labor, today as he appeared before the delegates at the opening session of the 28th annual convention of the organization. Cheers also followed the close of his report, which he read at the afternoon session.

"The statement that there will be a fight in the convention in regard to the action taken by President Gompers in the recent campaign will not be fulfilled," said John Mitchell, formerly president of the United Mine Workers of America. "The action of Mr. Gompers was the result of instructions given him by the federation at previous conventions and he will have the support of the present convention.

"There may be a fight on the question of allowing the federation to be brought into politics in the future, but I do not think that Mr. Gompers will be censured for the part he played in supporting Mr. Bryan."

President Gompers' report was an accounting of the work performed by the president during the past year. At the outset he declared:

"There must not be permitted to grow up or be maintained a permanent army of unemployed."

The part of the report that touched on the Bucks Stove and Rang Company's injunction case was frequently interrupted by applause. The stand taken by John Mitchell, Frank Morrison and Samuel Gompers on the injunction case was also applauded. Mr. Gompers said in part:

"It is impossible to see how we can comply fully with the court's injunction. Shall we be denied the right of free speech and free press simply because we are working men? Now it is the American Federation of Labor and the American Federationist which are enjoined from the exercise of the right of free speech and the liberty of the press. In the future it may be another publication, and this injunction will then be quoted as a sacred precedent for future and further encroachments upon the rights and liberties of our people. The suppression of freedom of the press is a most serious undertaking, whether in autocratic Russia or the republic of the United States. It is because the present injunction and the contempt proceedings thereunder suppress free speech and free press that I feel it my duty to enter an emphatic protest.

"The president made an unwarranted attack upon me and upon the labor organizations of the country. Speaker Cannon has packed committees, not only against labor, but against any other real reform legislation. Congress adjourned with the defiant declaration of one of the Republican leaders. Jas. S. Sherman, that the Republican party is responsible for legislation or for the failure of legislation and he and his party were willing to assume the responsibility.

"The American labor movement is not partisan to a political party, it is partisan to a principle, the principle of equal rights and human freedom. Our conventions have frequently declared that our movement has neither the right nor the desires to dictate how a member shall cast his vote."

Mr. Gompers' defence of his action during the last political campaign was greeted with cheers.

TURKEY SUPPERS

Thanksgiving Day Observed in This Fashion in Victoria Street and Tabernacle Baptist Churches.

Not so many turkey suppers were held in the city churches this year as usual. That of Victoria street Baptist church, under the auspices of the choir, was fairly well attended. There were four tables which were in charge of Mrs. Ira Kierstead, Mrs. W. Sprague, Mrs. Theodore Vallis, and Miss Dora Kierstead. The proceeds of the supper will go towards the purchese of the new pipe organ for which the choir are planning.

The musical part of the services in Victoria street church are very much appreciated and the choir members as well as Fred Holder, their leader, are to be congratulated.

The turkey supper held last night in Tabernacle Square church was largely patronized. Besides the supper there were tables for the sale of fancy goods and home made candy. Before the close of the entertainment everything provided had been disposed of. Those in charge of the supper tables were Mrs. McEachern, Mrs. Hugh Parker and Mrs. George Pennant. Miss Addie Parker was in charge of the fancy work table while Miss Bertha Parker presided over the home made candy table.

EASTERN S. S. COMPANY MAY BORROW $1,100,000

Portland, Me., Nov. 7.—The petition of the directors of the Eastern Steamship Company for permission to borrow $1,100,000 to pay off the floating indebtedness of the company was granted by Judge Putnam in the United States Circuit Court today. This, it is believed, will prevent foreclosure proceedings and take the affairs of the Eastern Steamship Company out of the court in whose hands they have been since last February, when receivers were appointed.

This money will be furnished by Hayden, Stone & Co., of Boston, on the company's note and the floating indebtedness discharged. When the 28,563 shares of stock of the Eastern Steamship Company held by the trustees of the Consolidated Steamship lines of Maine, is sold in this city on Nov. 25 at the foreclosure sale of the assets of the Consolidated Steamship Lines it will be bought by the Bondholders Protective Association at about $50 a share, it is understood, and the stock turned over to those who will advance the money on the Eastern Steamship Company's note.

It was stated today that the Consolidated Steamship Lines will be reorganized and the bondholders expect that the earnings of the half dozen steamship lines, whose stock they will retain, will be sufficient to give the Consolidated bonds a value.

MANY DON'T KNOW

HEART AFFECTED.

More People than Aware of It Have Heart Disease.

"If examinations were made of everyone, people would be surprised at the number of persons walking about suffering from heart disease."

This startling statement was made by a doctor at a recent inquest. "I should not like to say that heart disease is as common as this would imply," said the expert, "but I am sure that the number of persons going about with weak hearts must be very large."

"Hundreds of people go about their daily work on the verge of death, and yet do not know it. It is only when the shock comes that kills them that the unsuspected weakness of the heart is made apparent."

"But undoubtedly heart weakness, not disease, is more prevalent nowadays. I should think that the stress of living, the wear and rush of modern business life, have a lot to do with heart trouble."

There is no doubt but that this is correct, and we would strongly advise any one suffering in any way from heart trouble to try a course of Milburn's Heart and Nerve Pills.

FLUTTERING OF THE HEART.

Mrs. G. M. White, Williamstown, N.B., writes: "I was troubled with weak spells and fluttering of the heart. I was so bad I could scarcely lie down in bed. I procured a box of Milburn's Heart and Nerve Pills and they helped me so much I got another box and it has made a final cure. I cannot speak too highly of them. I think they are worth their weight in gold."
