Norwegian ship Fiery Cross, 1,399 tons from Campbellton to Adelaide with deals, 60s. British steamer Nile, 1,267 tons, from Cadiz to Harbor Britain, N F. with salt 68d. For sail tonnage a limited demand was encountered in the offshore and coastwise trades principally for lumber carriers, with rates steady at the basis recently quoted. Tonnage of all kinds is fairly plentiful. Chartering was light in all departments.

MARINE NEWS.

Battle line steamer Pydna, Captain Fancy, arrived at Wilhhington (N C) on Feb. 29th from New York.

Apple shipments for the week ending February, 29, were 62,910 as against 66,675 barrels in the same week last year.

Allan line steamship Corsican now on her way to Liverpool from this port took away a cargo valued as follows: Canadian goods, $72,132; foreign goods, $127,397; total, $199,529. Among her cargo were 38,184 bushels of wheat 958 barrels and 2,181 packages of United States meats.

Captain Bridges, of the P. and B. liner Sobo, who went to hospital ill while the ship was at St. John, arrived Saturday night from that city to rejoin the Sobo here. His health is much improved, but he is not totally recovered yet—Halifax Chronicle.

Yesterday's Halifax Chronicle says: With a heavy cargo of Canadian produce, and sixty four Chinamen as- passengers the Elder liner Bornu, Pierce, sailed for Mexico last night. As usual, agricultural products compose the greater part of the cargo. Some of the Chinamen are going to Havana, but the majority are destined for Mexico.

Battered by the heavy storms which prevailed in the West Indies during the past week, the P. & B. liner Beta, stranded on the coral reefs at Turk's Islands, broke up on Saturday and went to pieces. Nearly all her cargo was lost. Pickford and Black received a cable on Saturday at Halifax stating that the steamer had gone to pieces, but as yet have not been advised how much of the cargo was saved. The day after the ship stranded some of the cargo was removed, but just how much is not known. That was the only day that salvers could work at the wreck, for after that the seas were so heavy that the risk of being capsized into the shark infested waters was too great for boats to approach.

Cough Caution

Never, positively never poison your lungs. If you cough—even from a simple cold only—you should always heal, soothe, and ease the irritated bronchial tubes. Don't blindly suppress it with a stupefying poison. It's strange how some things finally come about. For twenty years Dr. Shoop has constantly warned people not to take cough mixtures or prescriptions containing Opium, Chloroform, or similar poisons. And now—a little late though—Congress says "Put it on the label, if poisons are in your Cough Mixture." Good! Very good! Hereafter this very reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's labels—and none in the medicine, else it must by law be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance then, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and note the difference. No poison marks there! You can always be on the safe side by demanding

CRUSADE AGAINST FORTUNE TELLERS AT HAMILTON, ONT.

Hamilton, Ont., March 3.—William Huckle, chief of International Detective Bureau, claims, to have a list of sixty-eight homes in Hamilton that have been wrecked through fortune telling, in many cases husbands being separated from wife, and engaged couples breaking up, and sworn evidence to prove the grossest immoralities have been committed in different places in the city under guise of psychic reading.

Nine months ago, Huckle says, a prominent King street business man who separated from his wife, and whose home was wrecked through fortune telling, came to him, and he decided then to drive the evil from the city. Huckle produces two sworn affidavits by Edward Leslie and John Boden, residents of Hamilton, made before Commissioner Bell, which make some shocking revelations. He has several statements, from different people, signed in the presence of Harry Larkin and John Tierny, making equally shocking exposures. One of these is from a girl. At one of these places she declares she was brutally attacked by a clairvoyant, who only released her after she had threatened to jump out of the window and had surrendered her purse containing $1.35.
