LONGBOAT NOT

OLYMPIC RACES

Indian Training in Ireland for the Events--Strathcona Invites Canadian Team to His July Receptions.

Montreal, June 25.--A special London cable says: I am officially informed that it is untrue that Longboat has been debarré from the Olympic races. He is in Ireland training privately. The rest of the team are now in London taking morning exercise. Next week they will train in the afternoon. Most of the events in the competition are timed for the afternoon. Canadians are entered for the events at Stamford Bridge prior to the great Olympic events. This afternoon they attended at the high commissioner's office an interesting little ceremony when Mr. Griffiths introduced Mr. Crocker to Lord Strathcona, who shook hands cordially with each and made a little speech. He was sure they would uphold Canada's fame. When addressing Sherring, his lordship said, "Ah, you are the Hamilton boy, who brought Canada to the front at Athens."

The team were delighted. Lord Strathcona invited them to his Dominion Day reception which will be an exceptional big affair this year. The team will wear a uniform with a maple leaf decoration.

THE 1908 DIRECTORY
NOW BEING ISSUED

First Copies Delivered by the
Telegraph a Week Earlier
Than Last Year.

The St. John City Directory for 1908 is completed and the first copies were delivered to H. M. McAlpine, the publisher of the directory, on Wednesday of this week. The books are now being rapidly issued daily from The Telegraph bindery.

This valuable publication has been printed by The Telegraph job office for a number of years and it speaks well for the continued efficiency of the job department that the directory is finished this year a week earlier than was the case with the 1907 number. As will be seen it is printed in excellent manner, the advertisements throughout the 878 pages are displayed tastefully and the whole appearance of the volume from a typographical standpoint calls for very favorable comment. The binding was done in The Telegraph bindery and has given the book a substantial, neat and attractive finish. The whole work will be found excellent.

The directory is always looked for with some eagerness by business men and others, and it will be a matter of satisfaction that a week has been gained this year in comparison with the time at which the directory was finished in 1907.

The preface notice shows that there are 18,920 names in the directory this year, an increase of eighty-five over the number twelve months ago. By multiplying by three the population of St. John is estimated at 56,760 as against 56,935 in 1907.

GOLDEN WEDDING

Kingston, K. C., Couple Celebrate
Fiftieth Wedding Anniversary.

Between sixty and seventy of the friends of Mr. and Mrs. C. D. Fairweather, of Kingston, waited upon them on Monday evening at their residence in the Midlands with hearty congratulations for them upon the fiftieth anniversary of their marriage. There was something, too, more substantial than good wishes, for the company did not forget to make the offerings usual upon such an occasion.

Mr. and Mrs. Fairweather are very well known indeed, not only in the old shire town of Kingston, but in every other parish of its age.

He has often been before the people of his parish and county in important and trustworthy capacities, and has always met with their approval. His friends will be glad to learn that he has recovered sufficiently from his tedious and serious illness of last year to again take a keen interest in the affairs of life.

Among those present at the anniversary were his married daughters and their husbands and families. They were Mr. and Mrs. Chaloner, of Kingston; Mr. and Mrs. Arthur Dickson; Mr. and Mrs. Ed. Chaloner, of Jubilee and Mr. and Mrs. Thompson and Mr. and Mrs. Brundage, of Perry's Point. There were, besides, Mr. and Mrs. Perry Fairweather and Miss Ethel Fairweather.

The grandchild, who was the occasion, Rev. H. S. Wainwright, the rector of Kingston, read an address, which conveyed to the bride and groom of fifty years the very kindest wishes and most cordial congratulations of their friends and neighbors and sons and daughters.

THINKS THE CITY
SHOULD ACT

Miss Mabel Peters Speaks to
Women's Council on Play-
grounds Matter.

A regular meeting of the St. John Council of Women was held yesterday afternoon in the King's Daughters Guild, and several important matters came up for discussion.

A report from Mrs. Cox, the matron of the day nursery, was read, also one from Miss Leavitt, treasurer of the day nursery committee. After giving an account of the receipts and disbursements in connection with the day nursery, Miss Leavitt made some general remarks regarding the undertaking. She said that the committee has found that Mrs. Cox, the matron, is an exceedingly competent woman for this work, and that everything is kept spotlessly clean, and the children are well cared for. The nursery is at present well equipped--there are three iron beds and three cradles. The Lawton Company, Limited, has donated a long table specially adapted for children. A good cooking stove has been installed, and the sanitary arrangements are good. The citizens have shown their sympathy by generous donations.

Miss Leavitt's report was adopted, and a vote of thanks moved by Mrs. Robert Thomson to Miss Grace Estey and Mrs. C. F. Woodman for their zeal in getting the day nursery established and in carrying on the work.

A motion that the nursery be continued was carried.

Miss Mabel Peters read a report from the playgrounds committee. She said that in the winter it had been decided by the committee to petition the school board, and that, if that failed, the common council, to take over the playground work. In accordance with this decision, a petition had been sent to the school board, and letters written to Dr. Bridges, who is chairman of the school board, and Hon. Mr. Maxwell. The committee, after waiting a long time, received a letter from Dr. Bridges to the effect that he regretted that the school board was unable to take over the work, not having the necessary funds.

A petition was thereupon made to the common council, and a delegation composed of Mrs. David McLellan, the president of the council, Miss Grace Leavitt, Miss Peters and Mr. Beliveau, attended at its reading, and spoke in favor of the common council making this work a civic duty. Instead of considering the matter in this light the common council seemed to think that the playgrounds committee was asking for a grant, and a grant of \$300 was made. That was all that was done.

Speaking with regard to the facilities for carrying on this work Miss Peters remarked that consent had been given to the playgrounds committee by the school board for the use of the winter street school grounds for this purpose, if the annex was not built, and up to the present moment it had not been decided whether or not the committee could have the use of the Centennial grounds.

The grounds of the Every Day Club will be open next Monday morning. A tent has been sent down, and Miss Nina Robertson and Miss Beatty engaged as teachers. Miss Miller, Miss Baskin and Miss Fowles have been engaged as teachers at the Centennial school grounds, provided the use of these grounds is permitted.

A flower committee has been formed, of which Miss Alice Ketchum is convener, and flowers will be supplied for the children every Thursday morning.

Miss Peters said that if the City of St. John
