A separate tender must be submitted for each section.

Tenderers shall not be in any way entitled to rely upon the classification, or any other information given by any person on behalf of the Commissioners; and before submitting any tender, bidders should make a careful examination of the plans, profiles, drawings and specifications, and read the forms to be executed, and fully inform themselves as to the quantity and quality of materials, and character of workmanship required; and are understood to accept and agree to be bound by, the terms and conditions in the form of contract, specifications, etc., annexed to the form of tender.

Each tender must be signed and sealed by all the parties to the tender, and witnessed, and be accompanied by an accepted cheque on a chartered bank of the Dominion of Canada, payable to the order of the Commissioners of the Transcontinental Railway, as follows:—

For Sec. No. 1, Districts "D" and "E," $150,000.

For Sec. No. 2, District "E," $150,000.

Any person whose tender is accepted shall within ten days after the acceptance thereof furnish such additional approved security as may be required by the Commissioners; sign the contract, specifications, and other documents required to be signed by the said Commissioners; and, in any case of refusal or failure on the part of the party whose tender is accepted to complete and execute a contract with the said Commissioners, and to furnish the additional approved security within ten days after the acceptance of the tender, the said cheque shall be forfeited to the Commissioners as liquidated damages for such refusal or failure and all contract rights acquired by the acceptance of the tender shall be forfeited. The cheques deposited by parties whose tenders are accepted will be deposited to the credit of the Receiver General of Canada as part of the security for the due and faithful performance of the contract according to its terms. "This agreement is subject to the regulations now in force, or which may at any time hereafter be in force during the construction of the works hereby contracted for, made under the authority of the Department of Labor, and which are, or shall be, applicable to such works." (The schedule of minimum wages determined upon by said Department will form part of the contract.)

"The contractor shall in connection with the whole of the said work, as far as practicable, use only material, machinery, plant, supplies and rolling stock manufactured or produced in Canada, provided the same can be obtained as cheaply, and upon as good terms, in Canada as elsewhere, having regard to quality and price."
