EVERY DAY CLUB SPORTS SHOW A BIG REVIVAL IN ATHLETICS

Big Crowd Saw Excellent Track and Field Games on Victoria Grounds Yesterday Afternoon---Another Meet Will Be Held June 27

The biggest crowd that has attended sports here in many years watched the Every Day Club athletic meet on the Victoria Grounds yesterday afternoon.

About 500 people filled the grand stand and bleachers and lined across the field. That the whole affair was well handled, was the unanimous opinion of all, there not being the slightest hitch in the lengthy programme of events.

The very best of feeling seemed to prevail as the protesting and wrangling that one almost looks for at a meeting of the kind, was conspicuous by its absence. Best of all, however, is the fact brought forth that athletics are on the boom here as of old. Many of the old timers had a hand in the handling of the programme and went at their work as officials in a way that filled everybody with enthusiasm. The big crowd left the field of one opinion, that the sports were the best seen here in a long while and the announcement by the Every Day Club that they will hold another meet June 27 was well received, the opinion seeming to be that the good work along this line should be kept up.

On points the Algonquins carried off the honors, having three firsts, two seconds and five thirds in the senior events.

Th Every Day Club had the greatest number of entries; they captured three firsts, two seconds and one third.

The other clubs won as follows Dartmouth A. C., two firsts; St. Peter's Y. M. A., one first and two seconds; Portland Y. M. A., one first, three seconds and one third; Marathons, two thirds.

The best time was made in the 880 and mile. The former was won by Giggey, of the Portland Y. M. A., in 2.13 2-5, and the latter by Lennerton, the Dartmouth man, in 5.02 1-5. When it is taken into consideration that the time at the U. N. B. meet at Fredericton yesterday for these distances was 2.14 1-2 and five minutes flat, respectively, it will be seen that there was some nice work done.

The hop, step and jump was keenly contested, Grearson of the Algonquins beating out Orr of the Every Day Club by but one inch. Lennerton, of Dartmouth, proved himself thoroughly game, his action in going into the two mile and winning it after injuring his ankle quite badly in the 880, bringing forth unstinted praise. The Dartmouth man by his sportsmanlike manner won hosts of friends who were delighted to hear that he will be back on June 27.

After the sports Mr. Lennerton accompanied by W. J. Coates went to the General Public Hospital where his ankle was treated. He left for his home last night.

What was probably the feature of the day was a special race 100 yards dash between Bovaird and Covey, a former prominent western athlete. The latter won by but a few inches in 11 1-5, Bovaird was set back a yard for trying to beat the pistol. Both he and Giggey who, ran under the Portland Y. M. A. colors were late in getting in from Hampton, the sports being half over before they arrived.

The showing of Stubbs and Stirling was disappointing to their friends and to lack of condition only can the result of their work be attributed.

The two mile race proved also one of the interesting features, Snodgrass, a new man, for a time making things interesting.

The Every Day Club fife and drum band marched to the grounds previous to their concert at Rockwood Park. The band created favorable comment and looked natty in their new uniforms. The drum major in a gaudy garb of yellow after the "China" pattern, and with helmet of a gilded hue, made lots of fun for the small boys. The following is a list of the events and winners:

Tired nerves, with that 'no ambition" feeling that is commonly felt in spring or early summer, can be easily and quickly altered by taking what is known to druggists everywhere as Dr. Shoop's Restorative. One will absolutely note a changed feeling within 48 hours after beginning to take the Restorative. The bowels get sluggish in the winter-time, the circulation often slows up, the Kidneys are inactive, and even the Heart in many cases grows decidedly weaker. Dr. Shoop's Restorative is recognized everywhere as a genuine tonic to these vital organs. It builds up and strengthens the worn out, weakened nerves; it sharpens the failing appetite, and universally aids digestion. It always quickly brings renewed strength, life, vigor, and ambition. Try it and be convinced. Sold by all druggists.

NEW RECORD FOR FLYING.

Hammondsport, N. Y., May 22.--G. H. Curtiss, of Curtiss Manufacturing Company made a flight of 339 yards. (1,017 feet) in Baldwin's "White Wing" late today. In the first jump he covered 205 yards, then touched the ground, rose immediately and flew 134 yards further, when the flight ended on the edge of a plowed field. The machine was under perfect control at all times and was steered first to the right and then to the left before landing. The 339 yards were covered in 19 seconds, or 37 miles per hour.

This flight is the world's record for a first attempt.

Almost Choked to Death

Mr. Lionel E. Schwartz, a commercial traveller, writing from Winnipeg, Man., says "Catarrhozone cured me of Asthma after doctors had despaired of my recovering. I seldom slept through a whole night without waking up in a fit of coughing. Sometimes I almost choked to death. I have not been bothered since using Catarrhozone. It has cured me entirely. Catarrhozone is the only remedy I have ever met to give such good results." Sold by all dealers in 3 sizes, 25c, 50c, $1.00 for two months treatment, which is guaranteed to permanently cure.

Here's the Cure for Sick Kidneys

TEST THEM FREE

Perhaps you are skeptical about GIN PILLS. So was Mr. Brown. He had tried so many things for his kidneys, without getting any better, that he had just about made up his mind that he couldn't get well.

When he first read about GIN PILLS he laughed. The second time, he thought. The third time, he said "he would write for a sample just to see if there was any chance of getting well."

He was pretty nearly tickled to death over that box of GIN PILLS. They did him so much good that he would have paid $5 a box for the second, if necessary. The dizziness, headaches and backaches stopped. Those shooting pains in hips and legs died away. Urine lost its high color. He slept through the night without being disturbed by bladder trouble. His appetite began to pick up and he felt better than he had been for years.

34 John St., Hamilton, Ont.

Being a sufferer from my Kidneys and Dizziness in the Head, and could get nothing to help me, I saw in the papers what good Gin Pills were doing. I got a sample box, and they did me so much good, I bought three boxes and am taking them. They have worked wonders for me. I can recommend them to any similar sufferer. GEO. A. BROWN.

Don't be prejudiced. Give Gin Pills a fair trial and they will cure you just as they cured Mr. Brown. Mention this paper and we will send you a free sample. The Bole Drug Co., Winnipeg, Man.

BATHURST HAS SERIOUS FIRE

I. C. R. Was Heavy Loser in Blaze Yesterday

Bathurst, N. B., May 25.—A disastrous fire occurred near the I.C.R. station here this morning between 1 and 2 o'clock. The I.C.R. freight and coal shed were burned to the ground and the fire then spread to the hotel owned by John P. Legere, just across the street. The hotel was entirely destroyed.

All the contents of the I.C.R. freight shed were burned and a snow plow standing near was also destroyed.

The blaze was first discovered in the end of the freight shed and is supposed to have been started by a spark from a special locomotive, which passed a short time before.

The stables in connection with Legere's hotel were also razed to the ground. Some of the furniture was removed from the hotel, but the loss will be considerable on the buildings and contents.

There was $5,500 insurance on Legere's buildings and furniture, which were valued at $10,000.

The loss to the railway is estimated at $15,000. It is difficult to tell the exact loss as the amount of freight in the shed is not known.

HOMER WINS FIVE-MILE RUN EASILY

Sydney, N. S., May 25.—(Special.)—Homer, the crack long-distance runner of the Crescent Athletic Club of Halifax romped away from a field of 33 starters in the five mile road race for the championship of the maritime provinces today, doing the distance in 26 minutes and 37 seconds corrected time, thereby lowering the previous record by 2 minutes, 32 4-5 seconds.

No man ever reaped any more happiness than he was willing to sow.

FOUR FORMER RECORDS BROKEN AT THE U. N. B. ATHLETIC MEETING

Ten and A Half Seconds Clipped Off The One Mile Mark Yesterday

Fredericton, N. B., May 25.—Victoria Day, in this city, was marked by beautiful summer weather and was thoroughly enjoyed by all classes. There was a general suspension of business, flags floated to breeze in the honor of the day and the small boy, with his fireworks, was much in evidence. Quite a number of citizens, particularly disciples of Isaac Walton, spent the day out of town, but the exodus was more than offset by visitors from St. John and other provincial points. The chief event in the outdoor attraction was horse races at the Driving Park, although the college sports held at the same time also proved a good drawing card.

Baseball season was opened today with matches morning and afternoon, between Victorias and St. Dunstans teams. The morning game was decidely rocky, Victorias winning by the score of 21 to 6. In the afternoon St. Dunstans turned the tables on their opponents by beating them out by a score of 9 to 6.

The annual sports of U. N. B., were held on Wilmot Athletic Field this afternoon and attracted about 500 spectators. Four college records were smashed, including one which has stood the test for upwards of twenty years, and in the 100 yard dash the former record was tied.

Fred Baird, son of Senator Baird of Andover, broke the record in the running broad jump and shot-putting events. Allan Landry, son of Judge Landry, of Dorchester, clipped ten and one-half seconds from the record in the mile run, and Stanley Bridges of St. John lowered the record in the quarter mile run and tied that of the 100 yard dash.

The honors of the day were with Baird, who captured no less than five firsts. Rutledge, Bridges and Dever also made a capital showing. The sports were not as well handled as in former years and the spectators found cause for complaint in the long delays between events. At the conclusion of the sports, Mrs. Jones, wife of the Chancellor, presented the prizes from the steps of the grand stand. Baird, Bridges and Landry, each received a medal for breaking records and other prizes were in kind. The Fredericton Brass Band enlivened proceedings with a choice programme of music. The summary:—

Standing broad jump—Baird, Dever, Rutledge, distance 9 feet 9 inches.

Hundred yard dash—Bridges, Rutledge, Dever. Time 10½ seconds, tying record held by Armstrong, '96 and Thorne, '06.

The hospital benefit races at the driving park this afternoon attracted a crowd of about 400 spectators and were quite interesting. ONLY FOUR YACHTS REACHED THE BELLISLE

Four yachts—the Vagabond, Canada, Viking and Winogene were all that reached the objective point of the first R. K. Y. C. cruise which began on Saturday and ended last night. Other yachts were not fully equipped for the long run, and although a number of others started, did not keep up with those mentioned. The venturesome sailors were well rewarded, however, as the weather was fine and the wind favorable.

On Sunday night, the boats were anchored at Jenkin's Cove on the Belleisle and ran down yesterday before a light southwest wind. Among those in the party were Vice-Commodore Merrill, R.A. Watson, E. Everett, Horace Brown, Fred Haines, H. Camp, B. Haines, G. Roberts, J. S. Stephenson, Harry Bissett, Howard Holder, H. Wilson and O. Brown.

The Canadian Medical Association will meet in Ottawa on June 9, 10 and 11. An unusually attractive scientific programme will be presented and medical men will be present from all over Canada.

PIMPLES

ALTHOUGH, NOT A DANGEROUS DISEASE, ARE A VERY TROUBLESOME AND UNSIGHTLY AFFLICTION . . .

They are caused by either poverty or impurity of the blood and require the prompt use of a good blood medicine such as Burdock Blood Bitters, for their eradication, which it speedily accomplishes, at the same time strengthening the entire system. Pimples also often arise from dyspepsia and constipation, and in these cases Burdock Blood Bitters has the double effect of removing the pimples together with their cause.

Mr. D. P. Sammon, Osceola, Ont., writes: "I was troubled with pimples all over my face and hands. I paid out money to doctors but they could do me no good. A friend convinced me to try Burdock Blood Bitters, and after using two bottles the pimples vanished, and I have not been troubled with them since."

Burdock Blood Bitters may be procured at all Druggists and Dealers.

Weather Kind—Attractions Well Patronized---Another Big Lily Lake Trout.

Fine weather, the temperature ranging from 50 to 66, made yesterday an ideal holiday. Friday night and Saturday saw many people leave the city on fishing expeditions and country outings, but those who stayed at home had their share of enjoyment in trips to Rockwood, Seaside, car riding, driving and walking about in the sunshine or else patronizing the Opera House attraction or the Nickel shows. The Every Day Club sports and the baseball matches also drew the people and helped pass the day well.

The formal opening of Rockwood Park yesterday was a grand success. A conservative estimate placed the number of people who visited the beautiful breathing spot at between 14,000 and 15,000 during the day. All the amusement features were in full swing and doing a thriving business. The staff of waiters in the pavilion was kept busy and the boats on the lake were in continual use.

During the afternoon the Everyday Club Fife and Drum band played and their music was appreciated. In the evening there was a brilliant display of fireworks and there was general illumination.

The fishing in the lake in the morning proved very satisfactory to the anglers who were trying their luck. Eighteen or twenty fine trout were beguiled out of the depths. The average weight was better than on Saturday, being about three-quarters of a pound. G. Burgess, one of the attendants, got the largest one, a beauty, fifteen inches long and weighing two ounces more than a pound. The fishing in the evening also proved satisfactory.

Many holiday makers and picnic parties took advantage of the opening of Sea Side Park yesterday to pay a visit to this picturesque spot by the sea. The St. John Railway Company had three cars on the route and all were well patronized.

The steamer Champlain under charter to the Portland Y. M. A., carried nearly 500 excursionists to Watters' Landing, where a delightful picnic was held.

About 200 went up on the Sincennes, which left at 2 o'clock in the afternoon and returned about 9.30 in the evening.

The Hampton which made the round trip was well patronized.

The trains carried a large number to the country resorts. A C. P. R. train which returned at 8.45 o'clock had seven carloads of tired but happy merrymakers.
