A Chance to lay in Broad Cove Coal

A Schooner is now on the way to St. John with about 700 tons of Broad Cove Coal for Gibbon & Co. It will probably arrive some time next week.

On all cash orders placed now for delivery on arrival of the Schooner you can get a special discount of 50c. per ton off the regular selling price.

Broad Cove is easy to light, and as it is over \$1.00 a ton cheaper than Hard Coal it will save a great deal of money for you to burn this coal in your range instead of Hard Coal.

It leaves no soot in the stove.

The Furness liner Florence, which sailed here on Sept. 8, has arrived at St. John, N. B., on Sept. 10.

The three-masted schooner Eradine, which went ashore at Schooner Pond, C. B., arrived at St. John, N. B., on Sept. 10.

The following Nova Scotia vessels were removed from the register during July, for the reasons assigned: Sch. Beanie, Sydney, C. B., 20 tons, wrecked; Black Prince, Halifax, 18 tons, broken up; Dorothy M. Porter, Windsor, N. S., 18 tons, transferred to Newfoundland; Edith R. Balcorn, Lunenburg, N. S., 100 tons, wrecked; Fred Jackson, Liverpool, N. S., 18 tons, lost; Pleasantville, Liverpool, N. S., 95 tons, broken up.

After a voyage of seven months, the ex-coffee clipper barkentine "Good News," capt. Erickson, powder-laden, has arrived at Tacoma from Wilmington, Del. So delayed was she that re-insurance on her at one time reached 50 per cent. Light winds held her back considerably, but nearly six weeks was consumed in beating around the Horn, and this was followed up by a squall in the Southern Pacific in May that carried away the foremast and all the vessel's yards. This caused another delay estimated at about 40 days.
