NEW ATTRACTIONS AT THE PRINCESS

The new programme at the Princess is an excellent one, and calculated to suit the varied tastes of the patrons of this popular theatre. A cleverly depicted account of how Chinamen are smuggled into Canada is one of the principal attractions, and shows a wily Celestial in some intensely ludicrous and interesting situations.

Tommy the Tin Pot Hero is a subject which will create roars of laughter. The wild exploits of a youngster with a tin can fast over his ears are genuinely funny. Tommy's adventures, will delight the children. The Piker's Dream gives with startling realism the hallucinations of an opium smoker showing one of his dreams in which he indulges in a meteoric career as a millionaire on a race course, and telling of his subsequent adventures.

The Magical Box is a beautiful transformation scene in colors, full of surprising features. The popular illustrated song Take a Sail in My Boat, is sung at each performance.

"BRAINS WANTED?"

We hear the cry "brains wanted"—it is an erroneous cry—every sane person is endowed with brains—what we require is personality and ability, this can only be acquired by keeping in constant living touch with men of personality and ability.

The system adopted by the Currie Business University, Ltd., covers this ground thoroughly—any person may secure the necessary ability and be ushered into the "public service," offices of this school thereby securing an introduction to the affairs, of men of affairs. This class of responsibility is bound to develop the most desirable personality as well as ability. One week's trial of this school's methods is offered free of charge.

Trial Catarrh treatments are being mailed out free, on request, by Dr. Shoop, Racine, Wis. These tests are proving to the people—without a penny's cost—the great value of this scientific prescription known to druggists everywhere as Dr. Shoop's Catarrh Remedy. Sold by all druggists.

Head line steamship Inishowen Head, Captain Pickford, will go to sea tomorrow, bound to Dublin, Ireland, with a general cargo.
