A DISCREET CLAIM.

Customer (with a sneer)—I suppose that if any sick person takes your medicine it will make him well?

Druggist—No; but it's a mighty good medicine, for all that. I can truthfully say that if any person takes it it won't make him sick.

The junior girls of the Natural History Society held a pleasant outing on Saturday to Dark Lake. Mrs. Cowgill, Mrs. McIntosh and Miss Gladys Frink were in charge of the party. While at Dark Lake W. H. Banks gave the girls a talk on birds' nests.

William McIntosh and John McKinnon were in charge of a large party of boys who went to Torryburn on Saturday. Both parties had enjoyable outings.

Rev. Dr. Grant, for thirty-seven years a missionary of the Presbyterian church in Trinidad, was in the ciety yesterday. He preached in St. Matthew's church in the morning and St. David's in the evening on both occasions to large congregations. His topic at both services was foreign missions.

$360,000 A YEAR FOR DE SAGAN AND ANNA

Prince Helie Thinks They Can Worry Along on That Sum.

Paris, June 20.—The banns of Madame Anna Gould and Prince Helie de Sagan were published this morning.

The Matin says that Prince Helie de Sagan made the statement that if nothing definite was signed in the United States with reference to the marriage arrangements it was because a codicil in Jay Gould's will cut Anna Gould's annual income from $600,000 to $360,000. "But one can live well enough on the latter figure," added the prince.

Describing his controversy with Mr. Gould's family, the prince added: "It was a terrible struggle, which I gained by standing by and doing nothing. I allowed my adversaries to wear themselves out; they fell broken in the dust. Then my hand is free; I pass on. George Gould arrived in Paris last night."

THREE MEN KILLED AT COAL CREEK B. C.

Fernie, B. C., June 20.—A serious accident occurred in No. 2 mine at Coal Creek tonight, when three men lost their lives. The killed are George Heath, aged 45, married, George Rupdolph, 40, married, and Stevell Hoay, aged 21, a Slavonian.

The fatal bump was felt all over Coal Creek and people came flocking to the mouth of the mine. The bump occurred in Sec. 6 at the bottom and squeezed up to the top, stopping the air from going in and the gas quickly accumulated.

General Supt. Sinser, Local Supt. Strachan and the pit bosses were soon on the scene with a rescue party but were unable to get to the men owing to the large accumulation of gas.
