MAYOR SEARS TO HEAD GOVERNMENT TICKET

He Will Have With Him Edward Lantalum, D. J. Purdy and A. O. Skinner---Net Result of an Unenthusiastic Conventon

Mayor Sears has surrendered and Thursday, at a party convention in Berryman's Hall, accepted the place of leader of the government ticket in St. John city. He will have with him Edward Lantalum, Daniel J. Purdy, and A. O. Skinner. The name of Walter H. Trueman was not before the convention, being withheld, it is understood, at his request on learning that the party managers had picked the four named as the ticket.

It took but five minutes for the delegates to nominate the ticket. Only one ballot was taken and that for the four names mentioned. No other names were considered. The delegates then went to the large hall upstairs, where there was a gathering of about 150 men, which was later increased to about 200. At no time was the famous old "stamping ground" filled.

G. Wetmore Merritt was chosen chairman of the meeting with Heber S. Keith secretary. The chairman called upon W. J. Mahoney, who had presided at the meeting of delegates to present his report. The names were then read as stated and on motion of Dr. Gorham, seconded by James Stackhouse, the choice was ratified. The candidates were then called to seats on the platform. Mayor Sears was not present but arrived later.

There was a lack of enthusiasm and an air of gloom that even the attorney-general's eloquent rhetorical utterances could not dispel. A few faint "hear, hear's," or feeble hand claps were about the only things that disturbed the clammy stillness, except when a funny story was told and then the crowd shook off its lethargy for the moment.

D. J. Purdy was first called upon. He said, "I am a little surprised to find myself here tonight. I said I was willing to run if there was no one else. Several others in the North End were asked but they refused and therefore I am prepared to fight and fight to win." He thought the party would win despite newspaper reports to the contrary. He wanted them all to stand together. In his own ward at the last election Mr. Lantalum had received more votes than he had and he hoped he would do it again.

Mr. Lantalum was next called upon and expressed his thanks that he had been selected to carry on the fight for the party. He thought there would be a hard fight but he liked it all the better on that account. He was glad to be in the same party with Premier Robinson, who was a fitting successor to Dr. Pugsley.

He anticipated no trouble in carrying the standard to victory.

Mr. Skinner was next introduced and he thanked the electors for placing him on the ticket. He had thought they had no speakers on this ticket but Mr. Lantalum was developing and he thought he would soon be making a hit as a speaker despite the Telegraph's remarks to the contrary. He hoped the government ticket would be elected as it would be a great strength to the party in other parts of the province if St. John was in line. He urged all to canvas and work for the whole ticket, and if they would do so he thought they would win.

Attorney General McKeown said he felt just a little lonely at not being on the ticket selected. He predicted success. The opposition, he said, had started out with a series of slanders, and he proposed to refute these.

Speaking of the charge that extortionate prices were being charged for school books, he claimed that not another province had as cheap school books as New Brunswick.

At this point Mayor Sears arrived and was welcomed as he walked to the platform.

Mr. MceKown continuing, took up a statement of the cost of school books in the different provinces and spoke also of the public debt, the Highway act and of acts passed for the benefit of the working men.

The chairman then introduced the mayor who was received with applause. His worship said his name had been discussed pro and con. He was only waiting for something. He had ever been a Liberal. When three or four friends spoke to him about forming one of the ticket he said "No I don't want it." Many had pledged their support to him for a third term as mayor, hence his hesitation.

After looking over all the ground he had decided that as the dominion government was now helping St. John in the development of its harbor, it would be a poor return to send a government to Fredericton that would be in opposition to it. Therefore he had consented to enter the fight.

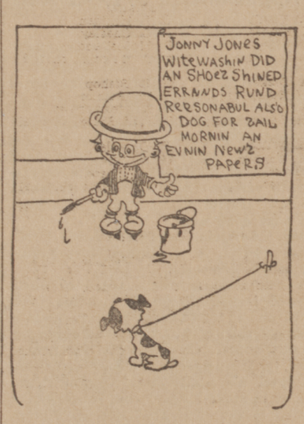

He referred to the excellent ticket the opposition had secured in which some of the best citizens of St. John appeared. Dr. McInerney was as fine a gentleman as he had ever known. As for Mr. Hatheway, they had been friends since childhood. Mr. Maxwell was a splendid speaker and a good citizen, while John E. Wilson was a foeman to admire. He was glad such good men were opposed to them as it would be all the more to their credit to win from them. He didn't like to fight small men.

In closing he called on those present to do all they could by working together to elect the whole ticket.

E. H. McAlpine congratulated the party on their standard bearers, and made an address calling on all the electors to work in support of the ticket.

Theodore H. Estabrooks then moved a resolution endorsing Premier Robinson and pledging him support. This was seconded by Thomas McAvity and adopted.

The meeting then adjourned, after giving cheers for the King and the candidates.

"Dat sign orter bring me some bizness. I'm sorry I ain't got room to advertise de rest of me professions!"

Farmer Cobb—I wanter see all the town an' don't wanter seem to be from the country. How kin I do it?
Cop—Go in a covered wagon!

The bulldog—I tell you, Mutt, dere ought to be a law passed prohibitin' tramps from wearin' pants over dere wooden legs!

PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablet—coaxes blood pressure away from pain centers. Its effect is charming, pleasingly delightful. Gently, though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure.
If it's painful periods with women, same cause.
If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

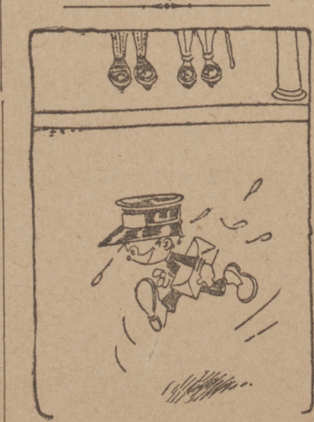

Bruise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommend

Dr. Shoop's Headache Tablets
SOLD BY ALL DRUGGISTS.

Weary—Ah! ma'am. This reminds me of me once happy home—me wife uster met me at de door with a rollin' pin jest like dat.
