TWENTY MEN PERISH IN MINE EXPLOSION

Hanna, Wyo., March 28—This camp was visited by another disaster today and the lives of twenty men were snuffed out by an explosion of gas in mine No. 1, of the Union Pacific Coal Company. The known dead include Superintendent Alexander Briggs, mine foreman.

All the victims were married and leave families. Special trains arriving from Rock Springs, Almy, Sunderland and Kemmerer, nearby mining towns, with crews of miners and fire fighters to assist in the work of rescue.

A fire had been raging below the tenth level since last Saturday and the force of 200 miners had been laid off for the day.

Superintendent Alexander Briggs, and Foreman Joseph Burton, Alf. Dodds and James Knox, of Mines No. 1, 2 and 3, with a crew of 16 or 17 gas men and fire fighters, went into the workings early this morning to fight the fire which was rapidly eating its way through the workings.

At 3 o'clock this morning the men above the workings were startled by the report of a heavy explosion which shook the earth and caused the shaft building to totter. It was soon discovered that both entries had caved in, mine timbers having been blown completely out of the mine. Although scores of miners are working heroically to open the shaft, no hope is extended that any of the men will be rescued alive. In fact, it is feared that the bodies of the victims cannot be reached for many days. A similar explosion in this mine in June, 1903, caused the death of 160 men.

GOVERNMENT ISSUES SECOND ORDERS TO STOP UNDESIRABLES

Immigrants Must Come Direct from Native Place and Have $25 Each or They Can Be Deported.

Ottawa, March 29—Another order in council has been passed providing that all immigrants must come direct from their native place. The former order which was declared illegal by the British Columbia courts delegated this power to the minister of the interior, instead of ordering it to be done.

The new order has been declared within the powers of the government by the department of justice. The objection taken to the old one was that the governor-in-council could not delegate the work to the minister. An act will be passed also, but the new order serves the purpose for the present.

An order has also been passed containing the order that all immigrants must have $25 cash in their possession, otherwise they will be liable to deportation.

Rev. E. E. Scott, pastor of Dominion Square church, Montreal, and one of the foremost pulpit orators in that city, preached at both services in Centenary church yesterday in behalf of missions. The congregations were large.

In the morning Rev. Mr. Scott preached from the words, Thy Kingdom Come. His text in the evening was, For He must reign until He hath put all enemies under His feet.

The discourses were clear, forcible and eloquent appeals for missions.

Before the evening sermon Rev. D. Sprague gave a number of interesting facts and figures regarding the mission work carried on by the Methodist church in Canada.

OBITUARY

Mrs. Frederick Pollock.

At Acton, York county, March 11, Mrs. Ignatia McLaughlin Pollock, the beloved wife of Fred. Pollock and daughter of Samuel McLaughlin, passed away. She was young, only eighteen years of age, and had been married but a few months. In spite of all that the best medical skill and the most tender nursing could do, she succumbed to pneumonia after an illness of only twenty-six hours. Her's was a beautiful character, kind and good to everybody. Besides a loving husband she left a father and mother, three brothers and five sisters to mourn their loss. The sincere sympathy of the entire community goes out to them in their sore bereavement.
