### ACCOMMODATED THE DUKE.

Speaking of the recent visit of the Duke of Connaught to Italy specially to convey condolences to the government on account of the disaster at Messina, a correspondent writes: "When, with the Duchess, the Duke was visiting Japan some years ago, he remarked to his host at the table, when the programme for his visit was put before him: 'Well, I think you have planned everything connected with this country there is to see, but,' he added, laughing, 'there is one thing you cannot put on your programme, and that is an earthquake.' Hardly had he spoken, however, when the house began to tremble violently, and the servants standing at the door bowed together as the host said: "Your Highness the honorable earthquake!"—Black and White.

## Synopsis of Canadian Northwest Land Regulations

ANY person who is the sole head of a family, or any male over 18 years old, may homestead a quarter-section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the district. Entry by proxy may be made at any agency, on certain conditions, by father, mother, son, daughter, brother or sister of intending homesteader.

Duties—Six months' residence upon and cultivation of the soil in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres solely owned and occupied by him or by his father, mother, son, daughter, brother or sister.

In certain districts a homesteader in good standing may pre-empt a quarter-section alongside his homestead. Price $3.00 per acre. Duties—Must reside six months in each of six years from date of homestead entry (including the time required to earn homestead patent), and cultivate fifty acres extra.

A homesteader who has exhausted his homestead right and cannot obtain a pre-emption may take a purchased homestead in certain districts. Price $3.00 per acre. Duties—Must reside six months in each of three years, cultivate fifty acres and erect a house worth $300.00.

### LEGAL ACID

T. P's Weekly.

Lord Cranworth, when lord chancellor, used to sit continually with the lords justices, for the purpose, it is said, of enlightening himself on points of which he was ignorant. "I wonder why old Cranny always sits with the lords justices?" said some one to Sir Richard Bethell. As usual he was humorous, and at the same time caustic. "I take it to arise," said he "from childish indisposition to be left alone in the dark."

When attorney-general, Bethell once finished an elaborate address just as the court adjourned at noon. His junior, who expected to follow on the same side after lunch, said to him: "Mr. Attorney-General you have evidently made a strong impression on the court," "I think so too, replied Bethell, "don't disturb it."

## STAR'S NEW SINGER SCORES GREAT HIT

The Star struck the popular fancy again last night in returning Frank Austin, the illustrated song balladist, who received an ovation at his every appearance. His song "Golden Arrow" was one of the prettiest Indian numbers heard here in along while. The theatre was filled at every show and the pictures proved a huge success as well, particular mention being made of the Alpine story Lost in the Snow, with the large St. Bernard dog as the hero. Tonight the Star's orchestra will serve up the latest New York novelties.

## NICKEL SCORES WITH A NEW MUSIC FEATURE

The Nickel has again demonstrated to its friends what can be given in the way of superior entertainment in introducing the excellent singing team, the Sillbers, who made their bow last evening to capacity houses. They made a most favorable impression in Verdi's Miserere from Il Trovatore and Ascher's Love's Dream Is O'er, otherwise known as Alice Where Art Thou. The singers were forced to respond to several encores, their singing being both artistic and richly melodious. This afternoon they will be heard at 4 o'clock and in the evening at 7.45, 8.45 and 9.45. Miss Edwards pleased as usual in the dainty number, Never a Winter But Sang of Spring. Today she will sing an illustrated number, The Witching Hour. The Nickel's pictures are more than ordinarily entertaining, the magnificent sea scenes in the Italian film, A Storm at Sea, causing general comment. Owing to the large number of people desirous of securing good seats it is suggested that people attend as soon after supper as possible.

## THE REASON WHY WE FEEL TIRED

### The System is Overloaded With Poisonous Waste Matter

**This May Be the Result of Over-exertion or of Derangements Which Are Corrected by the Use of Dr. Chase's Kidney-Liver Pills.**

You expect to be tired when you have been working hard, for the activities of the muscles or brain cause a breaking down of cells, or burning up, we might say, and after a while the system becomes clogged with this waste matter or ashes and you get tired.

But you are often tired when you have not been working hard and in this case conditions are much the same but the presence of the poisonous waste matter is due to the derangements of the excretary organs—the liver, kidneys and bowels.

Besides feelings of fatigue there is likely to be aching of the limbs, headache, pains in the small of the back and feelings of dizziness and weakness.

The filtering and excretory systems being clogged digestion is interfered with, appetite fails and you feel generally miserable, out of sorts and irritable.

Under such circumstances you cannot possibly do better than use Dr. Chase's Kidney-Liver Pills for they have a direct, specific and combined action on the liver, kidneys and bowels, effect prompt action and a thorough cleansing of the excretory system and restore healthful digestion.

There is no medicine of more frequent or effective use in the family than Dr. Chase's Kidney-Liver Pills for they have no equal as a cure for constipation, biliousness, liver troubles and kidney derangements. One pill a dose, 25 cents a box, at all dealers of Edmanson, Bates & Co., Toronto.

## EPWORTH LEAGUES IN ANNUAL SESSION

The annual meeting of the joint Epworth leagues of the city was held in the vestry of the Portland Methodist church last evening. There was a large number present, the audience being composed of members and representatives from all the Epworth leagues in the city. Rev. Jacob Heany, president of the league, presided.

Addresses of an encouraging nature were given by Rev. G. A. Ross, Rev. C. R. Flanders, D. D., and Rev. George M. Campbell, D. D.

The election of officers for the coming year resulted as follows:

President—Rev. G. A. Ross.
1st vice-president—Mrs. Oscar Gronlund.
2nd vice-president—Bernard Holder.
3rd vice-president—Miss Laura Sandall.
4th vice-president—Miss Carrie McConnell.
5th vice-president—Miss Edna Bettle.
Secretary—Fred E. Barbour.
Treasurer—William McCavour.

Very encouraging reports from all the leagues were received showing that good work was being done.

## FIRST MEETING OF NEW BOARD

### New Harbor Committee Met Yesterday—Decide to Defer Action on Proposed Plebiscite

The first meeting of the new harbor committee was held yesterday afternoon and a number of important matters were disposed of. Ald. McGoldrick was in the chair, and all the members of the committee were present with the city engineer, director, harbor master and common clerk.

James Knox applied to the committee for a reduction in the rental for the wharf adjoining the ferry slip. He contended that his revenues from side wharfage had considerably diminished in recent years, and that the ferry boats interfered with and made it hazardous for schooners to lie there. He said few schooners were placed there now by the harbor master, and he asked for an increase of patronage or a reduction in his rental.

Ald. Baxter and Belyea were appointed with the harbor master to report on the matter.

W. H. Thorne was also heard on the question of extending the wharf on his property on the northern side of the east side ferry slip, to the harbor line.

The matter was left with the same committee.

Several of the new members on the committee were not familiar with the rates charged by the city to the steamship companies for the use of the warehouses during the winter, and it was decided to supply copies so that a comparison could be made with the rates charged in Montreal.

The offer of the dominion government to put the dredge W. S. Fielding in Sand Point slip to deepen the approaches to the wharves, was considered. There was some discussion as to whether the foundation of the wharves would be endangered by the removal of further material, and the harbor master was instructed to take soundings and submit a report to the chairman. If satisfactory the matter will then be taken up with Engineer Scammell of the public works department.

Hurd Peters, C. E., submitted plans showing the area on the flats on the West side which it is proposed to transfer to the C. P. R. He explained that the boundaries had been marked out by posts 100 feet apart. The committee decided to go to Carleton on Saturday afternoon at low tide and inspect the property.

The previous correspondence with Hon. William Pugsley with reference to placing the harbor in commission was read for the benefit of the new members, and the financial statement showing the harbor valuations was gone into. It was arranged to defer any action with reference to taking a plebiscite on the question as required by the recent provincial legislation, until after Dr. Pugsley had conferred with the committee. It was left to the mayor to have the committee called together when the minister of public works could attend.

Owing to William Downie, general superintendent of the C. P. R., being unable to be present, the question of supplying grain to the new berths next season was not taken up.
