AIDE DE CAMP OF LORD GREY FINED

Victoria, B. C., Sept. 1—Lord Lascelles, aide de camp to Lord Grey, was fined $275 in the police court here today for shooting deer out of season. Two fine heads that he had left with the taxidermist to be mounted were confiscated and destroyed.

BERESFORD MAY BE A WITNESS

Montreal, Sept. 1—It is possible that Admiral Lord Charles Beresford may have to pay a second visit to Montreal, this time not for pleasure but as a witness in the courts. As a result of an alleged interview with Lord Beresford, which appeared in the Montreal Witness and was later discredited, Lord Beresford declaring he had given out no interview, this piece of news was characterized by the Herald as a fake.

Now the reporter who wrote the interview, John Bassett, of the Witness staff, is suing the Herald for $5,000 damages for injury to his professional reputation and generally impunging his and the Witness' veracity. In entering the action, steps have been taken to call Lord Beresford, his secretary, Hon. Dudley Carleton, and other prominent men as witnesses.

SCORES MANITOBA FOR LACK OF SCHOOL ATTENDANCE LAW

Winnipeg, Sept. 1—(Special)—The corner stone of a new school to supplement the Aberdeen school in the congested foreign district of Winnipeg was laid today. Dr. Timmons, superintendent of the London county council schools, a delegate to the British Association for the Advancement of Schools, gave an address. He superintends the largest number of schools and pupils in the world. He said he had just learned with surprise that Manitoba had no law rendering attendance at school compulsory. In a civilized country like Canada, the doctor failed to conceive any combination of circumstances which justified this. He vigorously declared that it was the birthright of every child to be given educational facilities, and when parents were remiss or unable to secure these, the state should see to it.

J. A. McKerchar, of the school board, stated that the board was a unit on this subject, and had several times approached the government with requests for a compulsory law, but always had been refused.

FEAR CREW OF THE HAVELOCK HAS BEEN LOST

Halifax, Sept. 1—The report comes of the loss of the three-masted schooner Havelock, of Annapolis, which was picked up at sea, bottom up, and towed into Port Nuevitas, Cuba. Many of the crew, who it is faired are all lost, hail from here.

A despatch says the Havelock, which left Annapolis on July 25 for Savannah, loaded with lumber, has been found at sea, bottom up and the crew are missing. Her master was Captain Gildert, of Lunenburg. The mate's name is Rafuse, also hailing from Lunenburg. The vessel is owned by the Frank Pickles Lumber Co., of Annapolis. Part of the cargo is reported to have been lost and the vessel is badly damaged and leaking.

The Havelock was built at Bridgetown in 1901 for the Pickles & Mills Lumber Company, but subsequently was sold to the Frank W. Pickles Lumber Company. She is 190 tons registered and carried a crew of eight men. The vessel and cargo were insured.

TRY CAPE BRETON MAN FOR ATTEMPT TO END HIS LIFE

Sydney, N. S., Sept. 1—Cape Breton is to have the novelty of a trial for attempted suicide.

Louis Musgrave, liquor license inspector of North Sydney, was yesterday committed to the supreme court on the charge of attempted suicide. He is now in the county jail at Sydney, the magistrate refusing to accept bail.

The information was laid by the accused man's sister-in-law. The arrest took place yesterday, the preliminary hearing occupying only a short time.

Musgrave, a few weeks ago, shot himself in the head, it was thought at the time, fatally. He appears to have fully recovered, though the bullet is still in his head.

COST MONTREAL MAN $5,000 TO GET BUSINESS

Montreal, Sept. 1—It cost Roch Marcin $5,000 in bribes and $2,000 of this went to Chief Benoit, of the fire department, in order to do business selling horses to the city. This is what Marcin declared before the royal commission this afternoon but the admissions only came from him after a lengthy examination during which the witness exhibited the uncertainty of memory which has been characteristic of this royal commission evidence.

He had once handed out $600 to be divided among five aldermen but he could not remember their names. He only mentioned ex-Chief Benoit's name after being cornered by the lawyer.

BLIGHT SETTLES ON SPRINGHILL

Springhill, N. S., Sept. 1—Dullness like a perfect blight has settled down on this town. The U. M. W. in the fifth week of the miners' strike, will commence its relief payments to striking miners of the Cumberland Railway & Coal Company on Friday of next week. Orders on the merchants of the town will be made out at the rate of $2 per week for men, $1 for a wife and fifty cents for each child. No cash will be paid. It is said that this will average about $6.50 for each family affected by the strike.

Some men have left the mining town, but a vast proportion of those who went on strike are still here.

The officials are keeping the pumps and fans going and eight of them are below doing what they can to preserve the mine in shape. But they are only a fraction of the force required for this purpose. The officials seem to like their work. It means double pay for them while it goes on. The men are settling to the prospect of the mines bieng shut down all winter and the possibility of their not reopening even in the spring.

MASONIC VISITORS HERE TOMORROW

A notable Masonic party consisting of five members of the Royal Order of Scotland which has its head quarters at Edinburgh, will arrive in Quebec on the Allan liner Grampian today and will come to St. John on Friday to meet local members of the order. These gentlemen are C. C. Nisbet, deputy governor of the order; John A. Forrest, grand secretary; A. M. Henderson, grand treasurer; Col. Hope, A. D. C., and W. C. Balfour.

Their route of travel includes a run from Quebec to Halifax by rail, from Halifax to St. John by the Bay of Fundy, hence by rail to Montreal, Hamilton, Niagara, there to Boston and to Washington. At St. John, Hamilton and Washington—the only places on the continent at which there are branches of the order—they will meet the members of their section of the society. While generally the Masonic society in America is selfgoverning, this branch retains its old-world allegiance.

The Royal Order of Scotland has three subordinate bodies on this continent, one in Washington, (D. C.), one in Hamilton, and the one in this city. Its legendary history connects it with Bruce of Bannockburn and its traditional grand master is the king of Scotland. The active head now, next to the king, should he claim his seat, is the Earl of Haddington. The visit to St. John of the members of the order from Edinburgh will be an event of much interest in local Masonic history.

KEITH MANAGER INSPECTS HERE

Harvey L. Walkins, general manager of the Keith and Albee Nickel theatres and smaller vaudeville houses throughout New England and Canada, was in the city yesterday on his tour of inspection. Mr. Walkins speaks very enthusiastically about the moving picture business and said that the Lewiston, Bangor, Portland and other circuit houses have already reopened for the autumn season,, while the St. John, Halifax, Ottawa and Montreal houses are running full blast.

An important feature in connection with the future of the business, Mr. Walkins pointed out, is the splendid results of the experiments in color photography now being made by the Urban people in England. Mr. Walkins contended that a great improvement has been made in the film subject matter, a great deal of the darksome tragedy and violence so much in evidence six months ago having been obliterated. This, he says, was due to the influence of a combination of several large picture interests who demanded a purifying of the output of the films.

He thought it was significant that a large number of the leading literary men in New England are now writing the scenarios for pictures and that prominent actors and actresses are performing for them. Mr. Walkins went to Halifax last night.

FREE KINDERGARTEN

The free kindergarten schools will not open until Tuesday, Sept. 7. The outlook for the coming year is said to be very good. This year there will be no grant given by the common council but the ladies in charge feel confident of being able to raise the necessary funds. Those in charge this year will be: Portland street, Mrs. W. C. Matthews; Brussels street, Miss Hattie Allen; Waterloo street, Miss Belle Miller. An assistant will be assigned to each of the schools to help with the little ones. It is expected that the number of children attending the kindergartens will be fully as large if not larger than in other years.

GOES TO WINNIPEG

Moncton, Sept. 1—(Special)—Harry B. Wheaton, who was recently dismissed from the I. C. R. general manager's office by the board of management on the ground of economy, has secured a good position with the C. P. R. in Winnipeg. He receives a considerable advance in salary with the C. P. R.

Alberta. 'The Pick of the Basket'

In discussing the future of Alberta in the September 4th issue of Collier's, Premier Rutherford refers to Alberta as the "Pick of the basket," among Canadian provinces. In 1850 Alberta was practically uninhabited; in 1900 it had seventy thousand inhabitants. It became a province in 1905, and today has a population of three hundred thousand people. No magazine has ever published a series of articles so absorbingly interesting to the Canadian people as this story of the future of the provinces told by the premiers and lieutenant governors themselves.

Even if all that glitters isn't gold, lots of people are satisfied with it.

THEATRE BURNED

Hamilton, Ont., Sept. 1—(Special)—Fire early this morning swept the interior of the Savoy Theatre, on Merrick street, doing damage estimated at $30,000. The loss is well insured.
