GREAT VIOLINIST IS HERE TONIGHT

Miss Marie Hall to Give a Recital in the Opera House — Pianiste and Baritone to Assist

In the Opera House tonight Miss Marie Hall, heralded as one of the world's famous violinists, will be heard in recital, assisted by a talented company. Miss Hall has received very flattering press notices in England and is declared a really great player. The concert company will include Mme. Helen Basche, solo pianist, and Harold Bedley, baritone.

There has been a good demand for seats and it is hoped to see the Opera House filled.

The following is from the Toronto Globe: "No solo violinist who has appeared in this city during the past twenty years has won a greater triumph, judged by the evidence of the applause, than did Miss Marie Hall, the young English artist, who last evening at Massey Hall gave a recital, unassisted by anybody save her accompanist. The audience marveled at the wondrous performance of this fragile girl with thoughtful eyes and expressive features, who, gowned simply in white, came modestly forward and, without affectation or apparent self-consciousness, played the most difficult compositions in the range of violin music with supreme ease of technique, distinctive beauty of tone, and flawless intonation. The measure of her success may be estimated in recording the fact that she was recalled fourteen times during the evening, a demonstration of approval which she acknowledged by giving four extra numbers."

HOLMES AND BUCHANAN AT THE NICKEL TODAY

Commencing this afternoon, Holmes and Buchanan at the Nickel will sing a couple of their prettiest solos. Miss Holmes will sing the amusing and tuneful selection from the opera The Geisha, entitled A Monkey on a Stick, and Mr. Buchanan is to render Moore's immortal Irish melody, Believe Me, if All Those Endearing Young Charms, which suits his voice delightfully. Mr. Courtnais, baritone, is booked for a new ballad called Promise, and the orchestra will furnish elaborate accompaniments as well as new picture-incidentals.

The motion photographs will include the stirring seacoast drama entitled Vampires of the Coast, by Pathe Freres; a bewildering fantasy, Elastic Transformations, and the American pastoral drama, The Girl at The Mill. Special mention is made of the Vampires of the Coast, with thrillingly realistic storm scenes.

BIXLEY AND HOLCOMB AT THE OPERA HOUSE

Bixley and Holcomb, refined entertainers, will be the headliners at the Opera House commencing on Wednesday afternoon. These high class artists, a first class bill of moving pictures and number one illustrated songs are to replace the cameraphone for the next few weeks.

Bixley and Holcomb come highly recommended as being the most pleasing team of vocalists seen in the province for years, possessing good voices and carrying handsome wardrobe. They appear mostly in refined comedy selections. Their opening numbers will be announced in tomorrow's papers. They will appear both afternoon and evening.

INDIA AND GERMANY PICTURED AT THE STAR

The Rhine River Falls in Germany, and A Tour in India, will be the leading picture features at the new Star Theatre in Union Hall, North End, tonight. Here are two scenic travel views that for genuine sight-seeing interest and educational value are of first quality. The fictitious pictures are:—The Angel of Nativity, Turning the Tables, A Simple-Minded Peasant and the Poacher's Christmas, all of them new and interesting. Miss Von Branders has an excellent new song. The Star's matinees are very popular with ladies and children.

CURES CHILDREN'S CROUPY COLDS

At this season of cold, searching winds and changeable weather, children will catch cold, will contract croup, bronchitis and sore throat. The experienced mother knows of nothing half so good as a vigorous rubbing of neck and chest with Nerviline—rub it in well, and apply a Nerviline Porous Plaster. If the case is obstinate, give twenty drops of Nerviline in hot sweetened water every four hours.

This treatment is simply wonderful—swollen, inflamed tissues are soothed and healed, coughing is promptly allayed, hard, strong phlegm is loosened and every trace of cold and cough disappears.

Nerviline is so safe to use, so powerful, so penetrating—makes such a good all round household remedy that for nearly fifty years thousands of bottles are used every day.

Of the appropriation of $800,000 authorized by congress for participation at the Alaska-Yukon-Pacific exposition, $350,000 will be used in the construction of buildings.

ORA P. KING IS CRITICALLY ILL

Sussex, N. B., Feb. 21.—The many friends of Ora P. King will regret to hear of his serious illness.

He has been confined to the house for several weeks past and last evening he was stricken with paralysis, which affected his speech mostly, with a slight attack in the right side.

He was partly unconscious most of today, but this evening he is reported a little better. The doctors hold out little hope for his recovery.

I. C. R. BRAKEMAN HURT

Newcastle, N. B., Feb. 21.—Yesterday afternoon John Smallwood, a brakeman on the Indiantown branch, while shunting cars in Millerton yard, fell off the car and under the wheels of the engine, which went over his right leg, cutting off part of the foot and crushing the lower leg.

Dr. Wilson accompanied the injured man to Newcastle, and Doctors Pedolin, Desmond and Nicholson were summoned. After consultation the four doctors decided that amputation was necessary and they cut off the leg about three inches above the knee, the operation being performed at the residence of the patient's father, Cameron Smallwood, who was so badly hurt on the same railway about a year ago. The young man is resting easily today and is expected to recover. He is about twenty-five years old and married.

After further evidence had been taken in the police court on Saturday, in the case of George A. Prince, charged with obtaining money by false pretences, he was committed for trial. In addition to the evidence of firms previously mentioned, G. Fred McLean, of Macaulay Bros. & Co., was called to prove that on the day of his arrest, Prince bought goods to the value of $5.25 and received the change out of a check for $35.06.

A French inventor, with consideration for bicyclists, chauffeurs, fishermen, and wandering artists, has contrived a form of umbrella for protection against sun or rain which can be easily and solidly attached to the shoulders so as to leave the arms and hands absolutely free. When not in use it folds up in a conveniently portable form.
