SPIRITED SIX ROUND BOUT FOUGHT IN PORTLAND, ME.

Detroit Makes It Even Count With Pittsburg For the Championship—Ring, Diamond, Turf and General Sporting

Ollie Kalloch of Shirley, Me., stayed the limit in a six-round bout with Tom Sawyer of Portland in Rockland on Tuesday night. The fighting was fierce and Kalloch was saved by the gong from being knocked out in the fourth round. He received much punishment, but managed to stay the next two rounds by hanging on.

Mickey Flynn of Portland and Jimmie Doherty boxed a six-round preliminary.

Al Lippe, manager of Abe Attell, has added Harry Lewis to his boxers.

Al Kaufman has flagged Manager Morris Levy and will in future look after his own business affairs.

There appears to be plenty of Johnson money afloat in San Francisco at 10 to 4.

There are rumors to the effect that another postponement of the Johnson-Ketchel bout is contemplated.

Tom Lees, who was a topnotcher a quarter of a century ago, has posted $1,000 in Sydney to bind a challenge to box Tommy Burns four rounds for points.

Jim Barry has been substituted for Doc Roller against Mike Schreck at Houghton, Mich. Roller is under arrest at Seattle on charge of continually libeling a newspaper man.

Terry Martin has done most of his best boxing in New England at Manchester, N. H., and for that reason the fans of that city are banking on him to take the measure of Honey Mellody tonight. Mellody believes he will be able to duplicate his Chelsea performance against the Dane.

Jimmy Walsh will meet Monte Attell in a bout for the bantam championship in California some time before the new year if the plans of Jim Coffroth go through. In their last match the boys boxed a draw, which Walsh claims was an injustice to him, Attell has been boxing at 115 pounds, and may stick out for that weight. Walsh wants 118 pounds, the bantamweight limit set by the National Sporting Club of London.

The Turf

Penisa Maid scored a straight victory in the Walnut Hill Farm race for trotters of the 2.15 class, which was the feature of the postponed sixth day card at the Breeders' meeting in Lexington, Ky.

* * *

The Metropolitan driving club's trotters and pacers had their weekly go on the Charles river speedway Tuesday afternoon. With one or two exceptions the time was ordinary.

Fred Garmon's black mare Martha G. went over the stretch in the best time of the meeting, 1.02 1-2, winning the class E trotting event in straight heats.

Billy J. and Susie F. were the only starters in class B, trotting, and theirs was one of the snappiest races of the afternoon. Billy J. took the first heat handily and seemed good for a win in the second until he went to a break about 100 yards from the wire. Susie F passed him and was under the wire a winner. The bay mare repeated her performance in the third heat and took the race in a tight finish with both drivers pushing their horses to the limit.

Lanter and Toppan Boy had a pretty go in class K, pacing, the latter winning in straight heats. Billy Ross acquitted himself with credit in class C, trotting, winning both heats from Geiger, Patricia and Marguerita.

Football

Pennsylvania's coaches tried another shift in the 'varsity line-up at Franklin Field, when "Barnie" Cozzens was moved from centre to right end.

Cornell football practice Tuesday afternoon was most encouraging. The scrimmage that was pulled off at the end of practice was the most satisfactory of the year. While crude playing was noticeable at intervals, both teams showed dash and fight.

The Princeton football coaches do not intend to be surprised by V. P. I. as they were by Villa Nova and Fordham, which were expected to be easy but both proved to be tough propositions, and they gave the Tigers only a short workout Tuesday.

The poor showing of the midshipmen in the two games already played has induced the naval academy authorities to excuse the football men from drills, and Tuesday afternoon there was a long signal practice and the hottest scrimmage of the season.

The intercollegiate football season opened at St. Joseph's yesterday when Mount Allison defeated St. Joseph's College, three to one in one of the hardest contests in years.

The line up was as follows:

Mt. Allison—Frapnell, full; McDougall, Stailling, North, F. Smith, halves; McWilliams (captain), McKean, Patterson, quarters; Lawrence, Fraser, Gear, Moore, Cochrane, Parker, White, forwards.

St. Joseph—J. Leblanc, full; Sweeney, Asselin, Gaudet, Lepage, halves; Nugent, Hanneberry, Robidoux, quarters; Casey, Ultican, L. LeBlanc, Coulombe, Richard, Fraser, Liscker, forwards.

Sandy Thorne, of St. John, refereed in a manner highly satisfactorily to both players and spectators.

A meeting of the Intermediate League was held last evening. Representatives from the Micmacs, Curries and Carleton were present. The following schedule of games was decided upon:

Saturday, Oct. 23—Curries vs. Carleton.
Saturday, Oct. 30—Curries vs. Micmacs.
Saturday, Nov. 6—Micmacs vs. Carleton.

The final meeting will be held in the C. B. U. on Tuesday evening, Oct. 18, to select officers for the coming season.

Golf

Says the Montreal Star: "The second of the series of best ball foursomes being played by local professional golfers resulted yesterday in one of the closest contests played over any local course in a long time. Yesterday's match was played at Outremont, with Albert Murray and Peter Hendrie again meeting Charles Murray and James Black.

"Eighteen holes were played in the morning and so even had been the play that when the four returned for luncheon the match was all square. Eighteen holes were played again in the afternoon, and at the end of the 36 holes honors were still even. Three extra holes were played, without breaking the tie. The first of the four games was played last Friday at Dixie, when Murray and Hendrie were 1 up, the best ball being 68, by the winners."

Alec Campbell, the Country Club professional golfer, came into his own Tuesday in the final match of the first division of match play at Clyde Park, Boston, for the chief purse, when, in a burst of as brilliant golf as "the nipper" has ever played he defeated the far-driving Gilbert Nichols, of Wilmington, Del. It was a great match and a very fitting final of so notable a tournament. Those who looked for a "blow-up" in the game of the versatile Campbell were not disappointed when he sustained the high quality of golf he had played previously in the meeting.

Athletic

Nat Cartmell writes as follows to Sporting Life, announcing his willingness to run Arthur Postle, the undisputed world's professional sprint champion, a series of either three or four matches over distances from 130 to 440 yards.

"I am prepared to make side bets, the amount of each to be settled later, and to run the first match over 440 yards on any good cinder track of four laps to the mile; the other three distances, which are to be run not less than two weeks apart, to be over 300, 220 and either 150 or 130 yards."

Detroit Makes it Even

Detroit, Mich., Oct. 14—Detroit kept in the great fight for the world's base ball championship by defeating Pittsburg, 5 to 4, today, in a battle full of sensations, and tonight the two teams are tied with three victories each. The seventh and deciding game will be played here Saturday. A rally in the ninth inning by Pittsburg was stopped after one run was scored, but three Detroit players were injured in stemming the rush of Pittsburg runs to the plate.

Tom Jones, the Detroit first baseman, was the most seriously hurt. His neck and spine were injured in a collision with Wilson at first base and this resulted in Pittsburg scoring its run of that session. Charles Schmidt, the catcher, had his right leg badly gashed in blocking Abstein off the plate in the final inning. The play that finished the threatening rally of the National League champions resulted in the injury of George Moriarty when he caught Wilson trying to steal third on Abbattichio's strikeout in the same inning. Moriarty's left knee was badly hurt when Wilson slid in to the base.

Tom Jones was so badly hurt that he was carried from the field unconscious. He recovered consciousness in the club house and insisted that he be taken to his home, rather than a hospital. He was taken home in an ambulance and it is practically certain he will not be able to play and there is no doubt about Moriarty. The injury to Jones necessitates shifting Crawford to first base, D. Jones to centre and McIntyre to left field.

New York, Oct. 14.—The Boston-Americans wound up the post-season series with the New York Nationals here this afternoon by winning their fourth straight victory by a score of 5 to 4. Only 789 fans braved the cold weather to witness the contest. The locals put up a poor exhibition throughout. Speaker again starred for Boston, batting in the first three runs scored by the visitors.

Chicago Nationals Won.

Chicago, Oct. 14.—The Chicago National League team defeated the Chicago American League club here today, 2 to 1, in the fourth game of the city championship series.

Sporting Notes

The conference held on Oct. 2 between the C. A. A. U., the Amateur Skating Association of Canada, and the Toronto skating interests was so encouraging that a meeting has been called for Saturday afternoon, the 16th, at which an Ontario section of the A. S. A. of Canada will be launched. This plan was approved by the governors of the C. A. A. U. at their last board meeting and everything points to a live organization being started on Saturday.

There is no excuse for the man who lies to a child.

STETSON DAY ON THE GOLF LINKS

Stetson Day at the Golf Club yesterday attracted a large number. The final for the Stetson Cup between Andrew Jack and D. W. Newcomb was not played yesterday, Mr. Newcomb being out of town. The winners in the mixed foursomes were: Dr. Parks and J. L. McAvity, 1st; Mrs. H. C. Schofield and J. M. Miller, 2nd, and Miss H. S. Smith and George Hegan 3rd.

The prizes presented were for the leading contests all season. Miss H. S. Smith won the ladies' championship; Mrs. H. C. Schofield was runner up. Miss Smith also won the Thomson cup for the second time. Miss Sarah Hare won the Riley cup and also the Tweedie cup. The Barker cup was won by Miss H. S. Smith; Mrs. E. A. Smith won the handicap cup.

Among the men, Dr. J. M. Magee carried off the honors, winning three firsts and one second. Dr. Magee will also have his name enscribed on the Thorne cup this year; Dr. Magee also wins the Ives cup; F. A. Peters won the Mitchell trophy.

Dr. Magee presented the prizes and announced some new cups for next year, among them being the Weldon cup, and cups presented by Mr. and Mrs. George McAvity. Stetson day marked the official winding up of the season, but as a matter of fact it will continue for some time yet.

MORNING LOCALS

Seven P. E. Islanders were stopped here last night by Immigration Agent Miller and prevented from entering the States, as he claimed they had not enough money.

Miss Sarah Taylor, 224 Sydney street, school teacher, was burned last night in attempting to put out a fire caused by a lamp exploding. It was not thought the burns are serious.

It is probable that A. B. Wilmot, of the provincial immigration department, will soon visit England on immigration business.

Sergeant Caples, of the police force, resumed his duties today after vacation.

Ontario flour advanced ten cents a barrel yesterday.

Inspector Jones has laid information against Peter Mahoney on charge of selling liquor to an interdict. M. & T. McGuire, reported for having lights in their bar interfering with a view of the interior, have taken them out and the matter has been dropped.

The governing board of Calvin church say that Pastor Russell's lecture will not be given in their church. On the other hand, Mr. Marchant, who rented the church for the lecturer, claims that unless the doors are locked the lecture will be given.

The Life Insurance Underwriters' Association brought their convention to a close last night with a banquet in the Union Club, at which a good number were present and a pleasant time enjoyed. The next convention will be held in Charlottetown.

The Jemseg Baptist church celebrated its 85th anniversary on Oct. 13 with two meetings. Outside speakers were heard at the meetings.

In the case of Sullivan vs. McNamee in the circuit court yesterday afternoon, Edward McGarrick told what he knew of the land in dispute. Mr. Powell addressed the court, touching on the evidence given, and when he had finished asked that the court be adjourned until after the regular session, which was granted.

The St. John Tennis Club intend holding another mixed doubles tournament tomorrow and this will probably end the playing for the season.

Joseph Haux, of Chatham, missing yesterday, is working at the Mispec pulp mill.

By another new regulation to go into force tomorrow, passengers on the ferry boats will use tickets only, which will be given in exchange for fares by the collectors. The reason given for this change is that it takes too long in the Chamberlain's office to count the money.

In the circuit court yesterday Judge White fined H. B. Robinson, A. T. Thorne, and A. L. Dodge, who failed to attend court to serve as juryman, $6.00 each, $1 for every day they did not answer their names.

Dr. H. S. Bridges left last night to attend the Northumberland County School Teachers' Institute at Chatham, where he will also be one of a party of Masons who will pay an official visit to Miramichi Lodge. J. T. Hartt and D. Arnold Fox will be in the company as well.

T. C. Durant is expected in the city today or tomorrow and it is probable that some decision will be arrived at regarding the erection of a sugar refinery here by him. He will confer with the harbor board on the matter soon after his arrival.

A DOCTOR WITH A CIRCUIT OF SOME FOUR HUNDRED MILES

Dr. Hare of Labrador in Ottawa Seeking Betterment of His People's Condition—An Associate of Dr. Grenfell

Ottawa, Oct. 13—Dr. H. M. Hare, who has a large medical practice at Harrington Harbor and vicinity, near Belle Isle, is in the city for a few days and while here will wait on several members of the Dominion cabinet in reference to matters in which people residing on the Labrador coast are interested. He is well acquainted with Dr. Wilfred Grenfell, and his work falls frequently in the same territory.

With his hospital at Harrington practically as the centre, he has a practise which covers a circuit of some 400 miles and takes in 1,500 people.

Dr. Hare spoke of the work which Dr. Grenfell has been doing at St. Anthony, where additions have been made to the hospital and other improvements are under way. Residents of Labrador are constantly being trained in the best methods of preventing the spread of tuberculosis.

Dr. Hare when asked how Dr. Grenfell was proceeding with his project to build a sailors' home at St. John, stated that good progress had been made and he believed most of the $100,000 required had been secured. The intention was to build a home soon and to thoroughly equip it.

A Fox Farm

Dr. Hare lately learned of an interesting experiment that is being made at Peash de Bay. Foxes are being raised and their pelts placed on the market. It is really a side line as the proprietor of this fox farm, Johann Beetz, is a Belgian, and acts as agent for a large fur firm. The farm is only in its preliminary stages as yet, but so far has been quite successful and there are indications that it will be possible to raise foxes and sell the pelts at a good profit. Dr. Hare, however, could not say very much about this as he had not enquired closely into the enterprise.

Dr. Hare will try to secure better parliamentary representation for the people among whom he works. He points out that to a large extent while they have been paying taxes to the Dominion Government for the last 30 years, they have not had representation. Mr. Girard is the member representing Saguenay county; but, Dr. Hare asserts, there is not the representation there should be in the eastern part of the constituency touching on Labrador. He pointed out that directly or indirectly taxes are collected, because fishermen have to pay fishing licenses. They can not put down a fish trap without paying a license.

More Buoys Needed

Dr. Hare is also going to see the Marine and Fisheries Department officials regarding having more buoys placed in Harrington Harbor.

The visitor referred to the fact that Miss Edith Mayou is in charge of his hospital at Harrington, as this sister's services are largely paid for from offerings made by the Victorian Order of Nurses.

While here Dr. Hare will endeavor to have the government allow steamers that go to Natashquan go 150 miles farther north—to Harrington, Whale Head and Mutton Bay, so as to give a better mail service. At present people living in these points get a mail only once a month. He will probably see Dr. Coulter, deputy postmaster-general, regarding this.

From here Dr. Hare will go to Toronto. He will try and get through his work so as to be able to sail from Quebec for home on the 19th inst.

Samuel L. Storer

Richibucto, N. B., Oct. 13—The death of Samuel Leon Storer, of New York city, well known by his connection with the fish business, occurred on Monday evening, at the residence of his daughter-in-law, Mrs. A. C. Storer. He had been for some time suffering from diabetes, and his son, W. B. Storer, who with Mrs. Storer, has been spending the summer here, went to New York about the first of September, purposely to accompany him here, thinking that the Richibucto air might benefit him. It seemed for a time to do so, and his return to New York had been planned for the very day that he died.

For years prior to the death of his son, A. C. Storer, Mr. Storer had spent the summer at Richibucto, and during these visits had made many friends, who sincerely regret his loss. He was 66 years of age, and leaves only one son, William B. Storer, whose home is in New York.

A funeral service, which was largely attended, was held at the residence of Mrs. A. C. Storer yesterday afternoon. The body is being taken to New York to be laid beside that of his wife, who died many years ago.

John McNiche

Andover, N. B., Oct. 13—John McNiche died last evening from typhoid fever. The deceased was one of the principal carpenters in this section of the county. He had been contractor and builder of some of the principal buildings in Perth and Andover, and was one of the water commissioners of the village, and among the last work he did was to assist in cleaning the reservoir. A few years ago he bought the residence of the late Rev. Charles Henderson and was a valued citizen in the community. He leaves a wife and one child—a boy of five years of age. He formerly belonged to Campbellton, where his body will be taken for burial in today's express. He was in the 45th year of his age. He belonged to the Canadian Order of Foresters. Much sympathy is felt for the bereaved wife under such trying circumstances. A short service was held at the house before the body was taken to the train.

Miss Helen McPike

In Worcester, Mass., on Tuesday, Miss Helen McPike, daughter of Edward McPike, of St. Stephen, died. She was engaged as nurse in the hospital at Worcester and contracted typhoid fever which caused her death. She was 21 years of age and was held in high esteem. Her body was brought to St. Stephen Wednesday noon and interred in the rural cemetery in that place on Thursday morning.

MAYORALY CAMPAIGN IN NEW YORK LIVENING

New York, N. Y., Oct. 15—Two of the trio of candidates for mayor of Greater New York kept up the agitation of a daily quickening campaign by speeches in Manhattan and Brooklyn respectively last night. William J. Gaynor, former supreme court justice, and the Democratic nominee, crossed over from his home section in Brooklyn and made his first appearance since the campaign started in Manhattan proper; Otto T. Bannard, the Republican nominee, reversed this and made a series of speeches in Brooklyn.

William Randolph Hearst, nominated by the Independents for mayor, and heading the same ticket as Bannard, did not speak, although a mass meeting in his support was held in Cooper Union.

Gaynor spoke in Carnegie Hall.

EMPRESS HITS WRECK

Montreal, Oct. 14—The Empress of Ireland, of the C. P. R., inward bound from Liverpool to Quebec, with 1,225 passengers on board, struck a submerged wreck between Cape Chatte and Matane, forty miles east of Rimouski, this morning. Her bottom was pierced and she is making water.

The Empress came up to Rimouski slowly and left at 4.30 p. m. for Quebec, under her own steam, where she is expected tomorrow.

The weather was clear at the time of the accident. A diver will be sent down when the vessel reaches port to ascertain the damage sustained.

WEDDINGS

McGrattan-O'Neil.

IT WAS REALLY DYSPEPSIA

Though They Thought She Had Heart and Lung Disease.

The case of Mrs. James Russell, of Armstrong's Brook, N.B., is typical of many really suffering from stomach trouble, who think the heart or some other organ is diseased.

She writes:—

"Five years ago I suffered with pain in my heart which would leave me so weak I could scarcely walk; at night I would have to sit up in bed to keep from smothering. I was treated by doctors for heart disease. Then the pain moved to the shoulder and my left arm would be numb at times. Then the doctors treated me for lung disease, but the pain kept getting worse. At last a friend advised me to write Father Morrisey. I did, and the answer I got was I was suffering from dyspepsia. I got medicine, which consisted of a box of tablets. The tablets I took twice, when I was completely cured and have never been troubled since—two years now."

Curing the stomach puts the whole system right, and there is no quicker way to cure Indigestion, Dyspepsia, Heartburn and the other forms of stomach trouble than by taking Father Morrisey's "No. 11" Tablets. 50c. at your dealer's, or from Father Morrisey Medicine Co., Ltd., Chatham, N.B. 48
