Atchison should go much higher just as soon as the 104 level is removed. A bull tip is revived on K.S. and W. C. is expected to work higher later. Philadelphia advices are favorable to Pennsylvania and Norfolk. Specialty bull operations may extend and on bullish aggression purchases of a conservative character for turns should be satisfactory.

New York Financial Bureau—Attention is being directed in high financial circles, with gratification, to evidence of Taft independence of Roosevelt methods. Special instances are referred to. One being the proposed ousting of Roosevelt appointments in the south and changing of envoys to foreign countries from the rich to the brainy class. It is vaguely rumored today that a new Hawley combination is pending. That it is a railroad deal is certain, but details are withheld at present. Shonts is said to be interested, so it might involve the Tou. We shall investigate further.

SUFFERED 5 YEARS WITH RHEUMATISM

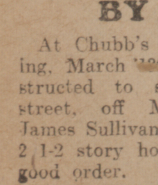

Unable to Work for a Year—Cured by Gin Pills.

I have been troubled with Rheumatism for 5 years, one of which I have been unable to do any work whatever. Have spent much money on other remedies until I purchased from my druggist, L. T. Best, Kingston, one box Gin Pills on his recommendation. The result was beyond my expectations. The first box banished all traces of Rheumatism. I now keep Gin Pills in the house and take one occasionally. My sincere thanks are due you for your wonderful remedy which has done so much for me.

GEO. VANDEWATER, Kingston, Ont.

HAZEN'S HIGHWAY ACT SHREDDED YESTERDAY

Union of Municipalities Decides Against All Its Important Clauses—Other Important Matters Discussed and Convention Adjourned.

Moncton, March 11—Drastic amendments to the most important clauses in the Hazen highway act were adopted by the New Brunswick Union of Municipalities at the concluding session of the annual convention tonight. There was a long and full discussion and condemnation of the act was unanimous.

On motion of D. G. Lingley, chamberlain of St. John, it was decided to memorialize the provincial government to enact a law disfranchising citizens whose taxes are in arrears.

C. Fred Chestnut, mayor of Fredericton, was unanimously chosen president. An invitation to hold the next annual meeting in Campbellton was accepted. Owing to pressure of business the delegates did not visit the new I. C. R. shops. They were entertained at a banquet given by the city council.

The following additional delegates signed the roll this morning: Mayor E. McDonald, Shediac; Ald. J. M. Falconer, Newcastle; Ald. W. S. Hooper, Fredericton; Warden John Hinchley, York county; Ald. L. B. McMurdo, Newcastle; Councillor Harry Gilbert, Kings county; J. C. Vroom, town clerk of St. Stephen; Warden John Weldon, Charlotte county; F. St. John Bliss, secretary-treasurer of York county; Councillor G. A. Taylor, Salisbury.

Before resuming in the afternoon a group photograph of the delegates was taken.

The first order of business was discussion on the board of health act.

Mayor McDonald of Shediac moved the following resolution:

"That the Union memorialize the provincial legislature to amend the Public Health Act to do away with the necessity of the local Board of Health submitting estimates of the sum which may be needed for the purposes of the Act to the secretary of the provincial board of health and that all contracts and agreements by the local board of health of each county, and that all bills certified to by the said board shall be binding upon the municipal council of such county."

Mayor McDonald in making this motion claimed that under present conditions, county councils were not obliged to pay bills contracted by boards of health, thereby causing a great deal of inconvenience. "If," he continued, "an epidemic should break out in this county at the present time, I believe it would be a matter of great difficulty to secure men to look after the matter, simply because of the manner in which the county councils have treated the board of health bills in the past." Mayor McDonald spoke strongly against this system, characterizing it as "red tape," and claiming that too much liberty had in the past been taken with local board of health bills, honestly contracted by the board.

Warden Maltby in seconding the resolution spoke of the same difficulty being experienced in Northumberland.

After Wardens Branscombe and Murray had spoken Mayor McDonald replied, closing the debate.

Coun. Goodspeed and Coun. Swim were rising together to give their views, when Mayor Bullock of St. John claimed that if the rules of procedure were followed, the discussion was ended.

Coun. Read took issue with Mayor Bullock, contending that the discussion was not at an end, but that Mayor McDonald was out of order.

Mayor McDonald was on his feet at once to claim that he wasn't out of order.

President Teed said he had understood Mayor McDonald was only offering an explanation and not closing the discussion, which was then proceeded with.

Coun. Swim spoke briefly in support of the resolution.

Coun. Goodspeed said as he understood the practice in York county, the chairman of the board of health received the amount assessed after it had been endorsed by the provincial secretary. If anything the system was too lax as all the money was paid over to the board of health as soon as it was voted by the council.

Ald. Reilly thought it was going too far to give a board of health authority to spend money for which the people would be assessed.

City Clerk McCready of Fredericton, said no particular case had been stated and he would be opposed to removing the only control over the board of health.

Ald. Mowatt and Coun. Taylor continued the discussion.

Ald. Rowan moved an amendment that further consideration of all matters relating to the board of health act which had been under discussion should be deferred until the next annual meeting.

The amendment was carried.

On motion of Mayor Bullock the order of business was then suspended in order to proceed with the election of officers.

The constitution called for election by nomination and ballot. As there was no opposition to any of the nominations each election was unanimous.

The result was as follows:

President—C. Fred. Chestnut, Mayor of Fredericton; Vice-President—D. Murray, M. D., Mayor of Campbellton; Secretary-Treasurer—J. W. McCready, City Clerk Fredericton; Executive—J. S. Magee, City Clerk, Moncton; Mayor Willet, Moncton; Mayor Bullock, St. John; Warden McNally, York county; Warden Maltby, Northumberland; Mayor McDonald, Shediac; Warden Branscombe, Kings; Mayor Grimmer, St. Stephen; the Mayor of Woodstock.

Mr. Magee was again offered the position of secretary-treasurer but declined on the ground of ill health.

Ald. Rowan moved that a vote of thanks be tendered to Mr. Magee for his valuable services to the Union since its organization, and that $50 be presented to him from the funds.

Mayor Bullock suggested that the amount be made $100, and the motion as amended was carried unanimously.

The president in tendering the vote of thanks spoke of the debt which the union owed to Mr. Magee for his efficient work.

Mr. Magee made a suitable reply and expressed the hope that those municipalities who had not yet joined the union would soon become members.

Mayor Chestnut then took the chair and tendered the retiring president, Mr. Teed, a vote of thanks passed by the convention. On motion Mr. Teed was made an honorary member of the union.

Mayor Murray extended an invitation to the union to hold the next annual convention at Campbellton. Ald. Mowatt seconded the invitation which was unanimously accepted.

Some discussion followed on a suggestion from Ald. Rowan to defer taking up the Highway act until next year. It was decided on motion that a committee consisting of Coun. Stirling, Coun. Timmins, Coun. Read, Coun. McNeil and Warden Branscombe should draw up a resolution in order to discuss the act at the evening session.

At the closing session this evening the resolutions, prepared by the committee on resolutions, were read by the secretary and were moved as follows:

City Clerk McCready, of Fredericton, moved that the subject of urging the government of New Brunswick to introduce legislation providing for a public utilities board be commended to the consideration of the different councils of the cities, towns and municipalities of the province and the matter be taken up for discussion at the annual convention; seconded by Ald. Rowan, St. John, and carried.

Ald. Reilly, Moncton, moved the following:

That this union of New Brunswick now assembled in convention strongly disapprove of either leasing or otherwise transferring the Intercolonial Railway or any part thereof to any individual, company or corporation, and be it further resolved that a copy of this resolution be forwarded to the minister of railways.

Ald. McGoldrick, St. John, seconded the resolution. He said it would be a great disaster if this road was transferred to any private corporation. The I. C. R. should not make any money but the benefit to the people was in keeping control of the rates. If other roads got it they would want to make money out of it. The extension of the I. C. R. by the government was in the interests of the people in the upper provinces as well as the people of the lower provinces.

Mayor Murray, Campbellton, said he hoped the rates would not be increased any more on the I. C. R. They were raised considerably a few years go and it was very much felt. He was heartily in favor of the resolution. The resolution was then put and unanimously adopted.

On motion of City Clerk Magee, Moncton, the date of the close of the fiscal year was changed from August 1 to December 31.

On motion of Ald. Rowan the secretary was authorized to remit to the Canadian Union of Municipalities twenty-five per cent of dues of New Brunswick Union.

Ald. Rowan moved, seconded by Ald. McGoldrick, that a committee of five, including the president and secretary, be appointed to attend the legislature in connection with legislation being asked for. This was carried, the appointment of the committee being left with the executive.

The audit committee reported finding the accounts of the secretary-treasurer correct as presented in his report.

Commissioner Sterling submitted the report of the committee appointed to consider the highway act as follows:

To the president and members of the Union of New Brunswick Municipalities:

Your committee appointed to take into consideration the highway act and at the request of the government offer suggestions thereon, beg leave to report that after considering the act and the changes suggested by the various county councils we beg leave to submit the following changes in the working out of the act:

1. That we approve of the road board and the government appointing one member of said board. But that the chairman be elected by the board and that the remuneration for said board be fixed by the government.

2. That the commissioner be done away with.

3. That the board divide the parishes into districts under a surveyor.

4. That the taxes be collected by the surveyors in their respective districts and the money so collected shall be spent in the said districts.

5. That the poll tax be placed at $1.50.

6. That the property tax be fifteen cents on the $100.

7. That the rate of pay for work on winter roads be the same per hour as statute labor in summer.

(Signed) A. STERLING,
A. BRANSCOMBE,
JOHN H. TIMMINS,
E. A. McNEILL,
C. H. READ.

The report was dealt with section by section and the only sections to provoke discussion were 4 and 6—collection of rates and rate of taxation on property.

In reference to the rate Mayor McLachlan, Chatham, asked if it would be wise to make a recommendation of that kind. New Brunswick was now paying the lowest highway rate of any province. It would be wise to let them fix the rate they considered sufficient to keep up the roads. If the people got good roads he considered there would be no objection to a slight increase in the taxes.

He moved in amendment to the report that the property tax be twenty cents instead of fifteen.

This was seconded by Ald. McGoldrick but overwhelmingly lost.

Votes of thanks were extended to the citizens of Moncton for kindly reception, to the press and the convention adjourned.

DR. WARWICK SPEAKS TO EVERY DAY CLUB

Talk on the Prevention of Disease Given Last Night

The men in the Every Day Club last evening heard an interesting address on microbes by Dr. Warwick, who treated the subject in a very plain and simple manner, without reference to technical terms. He made diagrams to illustrate the microbes of various diseases such as diphtheria, typhoid fever, tuberculosis and others, and described how they entered the system, how they developed and multiplied and how they might be destroyed.

He dwelt upon the importance of sunlight, fresh air, cleanliness and the care necessary on the part of those who dressed wounds or attended patients.

He told of a case where an epidemic of typhoid was traced from the city to a farm where the woman who washed the milk cans was also attending a typhoid patient, and he gave other apt illustrations to emphasize the points made.

Dr. Warwick dwelt upon the importance of destroying the sputum of consumptives, and pointed out that where this was done there was no danger of other persons contracting the disease.

The importance of keeping in good health and avoiding dissipation in order that the resisting power of the body might destroy the microbes of disease was made clear by the speaker, who was heard with keen interest by the large number of men present.

There was a programme of instrumental music, and some songs, whistling and step dances during the balance of the evening.

WANTS UNIFORM CLOSED SEASON FOR LOBSTERS

Prof. Prince Recommends From July 1st to January 1st For the Maritime Provinces

Ottawa, March 11.—At a meeting of the fisheries committee of the commons this afternoon, Prof. Prince urged that a closed season for lobsters along the whole coast of the maritime provinces should be made from July 1 to January 1 or, failing this, that the closed season, as specified, should be applied to the coast west and south of Cape Canso and for the remainder of the coast north of Cape Canso the closed season should be from July 15 to January 1.

A uniform closed season was needed for the spawning months. At present the chief offenders against the regulations for the protection of berried lobsters were the canners who placed temporary profit below conservation of the lobster resources.

Mr. Kyte urged that the licenses of offending packers be instantly cancelled. This was endorsed by Dr. Daniel and A. F. MacLean, the latter recommending imprisonment in addition.

Prof. Prince thought that the claims of Canadian canners should have prior consideration to licensees, that licenses should not be granted to American canners. This was endorsed by Messrs. MacLean, Crosby and other members of the committee.

Prof. Prince stated that the five hatcheries of lobsters planted 500,000,000 fry annually and if only one in 500 survived, the hatcheries were justified.

Hon. Mr. Brodeur stated that additional hatcheries would be established.

OBITUARY

Mrs. Ellen L. Gard

Ellen L. (Briggs), widow of Thomas D. Gard, was buried Thursday afternoon from her home, 92 Coburn avenue. There was a service in the home at 2 o'clock, and among those at the funeral was Mrs. Annie E. Ferris, a sister of Mrs. Gard, from St. John (N. B.)

Rev. Kinsley Blodgett officiated at the service and there was singing by the Schumann quartette, which gave these selections: Home Land, Come, Holy Spirit, Heavenly Dove, and Lord, Let Me Know My End. There were many floral offerings and the casket was banked with flowers and palms.

The bearers were James H. Ferguson, of Millbury; George G. Nutt, Herbert O. Strong, sr., Alfred T. Howarth, James Edgar Howarth and John T. Howarth. Burial was in Hope cemetery.—Worcester Daily Telegram, March 2.

Mrs. Briggs was a sister of Mrs. Annie E. Ferris, of 117 Simonds street, North End.

Mrs. Catherine Lenihan

Word of the death of Mrs. Catherine Lenihan, widow of Captain Daniel Lenihan, formerly of this city, is received from Boston. She leaves four sons—James, of New York; Thomas, Joseph and Daniel, of Boston; also one brother and one sister—John Halpin and Mrs. John McNulty, of this city. The funeral will take place in Boston.

Miss Annie Wilson

Miss Annie Wilson, daughter of Samuel K. Wilson, of Albert street, Carleton, died Thursday. She is survived by her parents, two brothers and two sisters. The brothers are Jarvis Wilson and W. C. Wilson. The sisters are Mrs. W. J. Watson and Miss Margaret Wilson. General sympathy is extended to the relatives in their bereavement.

STOMACH AGONY

Abolish the Cause, and Misery and Distress of Indigestion Will be a Thing of the Past

Can indigestion be cured? Hundreds of thousands of people who suffer from belching of gas; biliousness, sour stomach, fullness, nausea, shortness of breath, bad taste in mouth, foul breath, nervousness and other distressing symptoms, are asking themselves that question daily.

And if these same doubting dyspeptics could only read the thousands of sincere letters from people who once suffered as badly as they do now, but who have been quickly and permanently cured by the use of Mi-o-na, the mighty dyspepsia remedy that cures by removing the cause, they would go to Chas. Wasson's, 100 King street, this very day and get a large box of Mi-o-na tablets, and start themselves on the right road to health at once.

The price of Mi-o-na tablets is only 50 cents, and Chas. Wasson guarantees them to cure indigestion, or money back.

R.T. BOOTH'S MI-O-NA

This Trade Mark on every Tin Box

Thin or lean or scrawny people will find in Mi-o-na a maker of flesh and blood, because it causes the stomach to extract more nutritious matter from the food, which quickly enriches the blood.

Don't forget, Booth's Laxatives are just the thing to regulate the liver and cure constipation, 25 cents. Chas. Wasson, 100 King street, sells them.

Rheumatism Cured In 3 Weeks

By Father Morriscy's "No. 7" Tablets.

Mr. James LeB. Johnstone, a prominent member of the Citizen's Band, of Chatham, N.B. writes:—

"I contracted Rheumatism by exposure five years ago, and was ailing for two months and in great pain all the time. I got Father Morriscy's No. 7 Tablets, and took them for about three weeks, when the Rheumatism all left me, and I have had no return of the pains since."

"Father Morriscy's No. 7" Tablets have a remarkable record of cures of Rheumatism and Kidney Troubles. They act directly on the Kidneys, which have become clogged with impurities and are therefore unable to free the blood of the poisons it is continually gathering from every part of the body. The tablets clear the kidneys and tone them up for their work so that they can properly purify the blood. Once the Uric Acid is taken out of the blood the agonizing pains stop, and the Rheumatism is cured. "No. 7" tablets cost 50c at your dealer's, or from Father Morriscy Medicine Co., Ltd., Chatham, N.B. 19

THOUSANDS HAVE KIDNEY TROUBLE AND DON'T KNOW IT

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, therefore, when through neglect or other causes, kidney trouble is permitted to continue, serious results are sure to follow.

Your other organs may need attention--but your kidneys most, because they do most and should have attention first.

If you are sick or "feel badly," begin taking Dr. Kilmer's Swamp-Root, the great kidney, liver, and bladder remedy, because as soon as your kidneys begin to get better they will help all the other organs to health.

Prevalency of Kidney Disease.

Most people do not realize the alarming increasing and remarkable prevalency of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patients or physicians, who content themselevs with doctoring the effects, while the original disease undermines the system.

The mild and immediate effect of Swamp-Root, the great kidney, liver and bladder remedy is soon realized. It stands the highest for its remarkable health restoring properties in the most distressing cases.

Symptoms of Kidney Trouble.

Swamp-Root is not recommended for everything but if you are obliged to pass your water frequently night and day, smarting or irritation in passing, brick-dust or sediment in the urine, headache, backache, lame back, dizziness, poor digestion, sleeplessness, nervousness, heart disturbance due to bad kidney trouble, skin eruptions from bad blood, neuralgia, rheumatism lumbago, bloating, irritability, wornout feeling, lack of ambition, may be loss of flesh, sallow complexion, or Bright's disease may be stealing upon you, which is the worst form of kidney trouble.

Swamp-Root is Pleasant to Take.

If you are already convinced that Swamp-Root is what you need, you can purchase the regular 75c. and $1.25 size bottles at all drug stores in Canada. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., which you will find on every bottle.

If You Need a Medicine You Should Have the Best.

Swamp-Root is always kept up to its high standard of purity and excellence. A sworn certificate of puri-ty with every bottle.

SAMPLE BOTTLE FREE—To prove the wonderful merits of Swamp-Root you may have a sample bottle and a book of valuable information, both sent absolutely free by mail. The book contains many of the thousands of letters received from men and women who found Swamp-Root to be just the remedy they needed. The value and success of Swamp-Root is so well known that our readers are advised to send for a sample bottle. Address Dr. Kilmer & Co., Binghampton, N. Y. REV. B. BEATTY ATTACKS MESSRS ROWLEY AND OLSEN

62 Victoria street, City,
March 11, 1909.

To the fair minded public:

As there seems to be a disposition on the part of E. W. Rowley, G. Olsen, and others, whoever they may be, to distort the facts surrounding the work known as the People's Mission in this city, although I have already made a statement through the press over my own name, I again beg the indulgence of the press to further explain the situation. In the fall of 1893, I opened a gospel mission in Berryman's hall, under the name of the People's Mission. In those days none of the present agitators were either workers or adherents, as far as I know. I rented the hall on my own responsibility, assumed all liabilities and paid all bills. We operated on these premises for about 2 1-2 years, then, owing to the Currie Business College people securing these premises, we were obliged to seek a new hall. I next secured a hall in the Sutherland building, under the same conditions. I rented the premises, assumed all liabilities, paid all bills and carried on the work there for several years. In the winter of 1899 I thought possibly it would facilitate the work if we had larger premises on a ground floor. I interviewed Mr. Lee, the agent for leasehold property on which the Mission hall stands. He kindly offered to lease the ground to me personally. In due time the hall was erected and opened, and services conducted by myself until Sept. 1903, making in all about ten years I kept the People's Mission open on my own responsibility. I assumed all liabilities, paid all bills and never had a cent warranted in the way of salary.

I am sorry to be forced to make any personal observations, but seeing E. W. Rowley and G. Olsen figure so conspicuously in the press, I feel the merits of the case demand the public should know something of these men, and their relation to the People's Mission work. E. W. Rowley came to the mission, as we afterwards learned, under a cloud, having been disfellowshiped from the Reformed Baptist church of this city for circulating a report concerning the character of the pastof of that church. In the summer of 1899 he manifested a disposition to make trouble among the mission workers, and in order to restore harmony I was obliged to ask him to withdraw from the work, which he did, and has had no association with the mission work since that time.

G. Olsen came to the mission from the sailors' work, conducted by Miss Hutchinson. He united with Rowley and others in their effort to create trouble, and disturb the harmony of the work. I was forced to ask him to withdraw also. He afterwards expressed sorrow for the part he had taken in the trouble, and returned, and has since appeared to be on good terms, until the present developments. In my last interview with him and Bro. Jones, he professed to have no objections to the proposed plan of disposing with the property and winding up the affairs of the mission. Since then, however, he has absolutely refused to speak with me at all.

Now, as to the disposal of the property, and winding up the mission affairs, our best judgment led us to the present plan. Before selling the property I conferred in person with the Baptist ministers of the city, suggesting their taking over the premises and carrying on city mission work. A committee was appointed and after consideration the offer was declined. Bro. Jones then approached Rev. Jas. Crisp, asking the Methodist people to take it over, and conduct city mission work. This offer was also declined. The Reformed Baptist people were next approached, through G. S. Cosman, one of their men. They also declined. I personally met J. F. Bullock, well known for his Christian zeal, and suggested that he with other laymen, might make use of the premises for city mission work. He also declined. Then, in consultation with the remaining trustees it was decided to hand the property back into my hands for disposal, and winding up the business affairs of the mission.

I can only repeat my former statement. I have disposed with the building and will satisfy all legal claims, refund subscriptions to all bona fide subscribers, who so desire. This will enable them to give their money to the Every Day Club or any other institution. The residue, after all legal claims are met, will be devoted to evangelistic work to the best of my ability, as the Lord may direct. It is only fair to Bro. Jones to state that I am personally responsible for making the suggestion that he would take over the property at a reasonable price, seeing he had faithfully stood by the mission all these years.

Allow me to say in conclusion, I am perfectly willing that my Christian character and work all these years in this city, throughout this province and elsewhere shall stand at the bar of a fair minded public conscience and be judged on their merits.

Yours in the Gospel.
B. BEATTY.

E. W. Rowley was out of town yesterday and this morning and the Times was unable to get his answer to the charge made against him by Rev. Mr. Beatty. It is fair to him to say, however, that he collected $200, or about one sixth of the money spent in building the hall. It is not recorded that this was returned to him for distribution among those who gave it, or that it was regarded as tainted money because it passed through his hands. A subscriger to the fund said to the Times this morning that it will be observed that Mr. Beatty, in his search for somebody to continue mission work in the hall did not approach either the Y. M. C. A. or the Every Day Club, the only organizations that might have been induced to relieve him and Mr. Jones of the sad necessity of selling it at a large profit.

In the Oddfellows' hall, Simonds street, last night Sapphire Rebekah Lodge, I. O. O. F., held a supper and concert.

The following programme was carried out: Duet, Misses Hersey and Miles; recitation, Miss Leach; piano solo, Miss Vera Graham; reading, Mrs. Dalzell; solo, Mr. Warn; solo, Miss Dalzell; solo, Robert Myles; solo, John Salmon. The chair was occupied by M. D. Brown.

Synopsis of Canadian Northwest Land Regulations

ANY person who is the sole head of a family, or any male over 18 years old, may homestead a quarter-section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the district. Entry by proxy may be made at any agency, on certain conditions, by father, mother, son, daughter, brother or sister of intending homesteader.

Duties—Six months' residence upon and cultivation of the soil in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres solely owned and occupied by him or by his father, mother, son, daughter, brother or sister.

In certain districts a homesteader in good standing may pre-empt a quarter-section alongside his homestead. Price $3.00 per acre. Duties—Must reside six months in each of six years from date of homestead entry (including the time required to earn homestead patent), and cultivate fifty acres extra.

A homesteader who has exhausted his homestead right and cannot obtain a pre-emption may take a purchased homestead in certain districts. Price $3.00 per acre. Duties—Must reside six months in each of three years, cultivate fifty acres and erect a house worth $300.00.
