ASSIGNEES' NOTICE.

TAKE NOTICE that Charles D. Trueman of the City of Saint John, in the City and County of Saint John, Province of New Brunswick, merchant, pursuant to the provisions of Chapter 141 of the Consolidated Statutes, 1903, "respecting assignments and preferences by insolvent persons" did on the nineteenth day of February, A. D. 1909, make a general assignment for the benefit of his creditors to the undersigned Charles E. MacMichael, of the same place, broker, and Henry H. Pickett, of the same place, barrister-at-law; and also that a meeting of the creditors of the said Charles D. Trueman will be held at the office of E. T. C. Knowles, 62 Princess Street, in the said City of Saint John, on Friday, the 26th day of February instant, at the hour of four o'clock in the afternoon of the same day, for the appointment of inspectors and giving of directions with reference to the disposal of the estate, and the transaction of such other business as shall legally come before the meeting.

And notice is further given that all creditors are required to file their claims duly proven with the assignees or one of them, within three months from the date of this notice, unless further time be allowed by a judge of the Supreme or County Court, and that all claims not filed within the time limited, or such further time as may be allowed by any such judge, shall be wholly barred of any right to share in the proceeds of the estate, and that the assignees shall be at liberty to distribute the proceeds of the estate as if any claim not filed as aforesaid did not exist, but without prejudice to the liability of the debtor therefor.

Dated at the City of Saint John, in the said City and County of Saint John, the 19th day of February, A. D. 1909.

AMUSEMENTS

AT THE NICKEL

For the first time in a month the children have a fine clear Saturday upon which to attend their favorite house of entertainment, the Nickel. A monster big good show awaits them too. There will be a bright and exciting western picture with racing cowboys and some very funny comedy characters; an automobile picture in the streets of Paris, and a comedy in American life; no sensational or killing films; nothing too dramatic for childish eyes. Miss Holmes and Mr. Buchanan will sing special numbers for the little ones, and Mr. Courtnais has a good song, too; strong bill for Saturday evening as well.

On Monday Holmes and Buchanan will have two duet numbers, the first, the gem selection from Verdi's Il Trovatore "Home To Our Mountains" and the second a catchy bit of comedy singing from the musical-comedy The Girl Behind the Counter, entitled "Take A Walk With Me;" new films and new picture ballad.

THE CAMERAPHONE

Today is children's day at the Opera House. The Miniature Circus will be shown for the children this afternoon. The remainder of the programme will be changed completely. Six new cameraphone numbers will be shown both afternoon and evening. These subjects have never been exhibited here before. Regarding Bixley and Holcomb, who were advertised to appear on this week's programme, it is announced that, owing to a misunderstanding traceable to the booking agency, they will not appear. This is the only reason for their absence from the programme, and any other reasons in circulation, the management announce, are wrong.

AT THE STAR

Over in the new Star Theatre, Union Hall, North End, they are getting their name up for good sensible shows—pictures of educational merit and entirely different in comedy and dramatic element from any other similar house in the city. Last night it was capacity business all the time, the crowds being attracted by the wonderfully fine Gaumot fil depicting the whole of the great Quebec Tercentenary Pageant and attending fetes. The Prince of Wales, Earl Grey, Lord Roberts, the great military review, the pageant, etc., etc., are all to be enjoyed. Last time for this picture tonight. There are also comedy and dramatic pictures and illustrated songs. On Monday Miss Von Branders will sing the new New York sensational hit-song "Make A Noise Like A Hoop And Roll Away."

TOO LITTLE BLOOD

Responsible for Nearly All of the Misery Women Endure

Anaemia is written on the features of ninety women out of a hundred. Unmistakable are the signs of "too little blood." The weaker sex is assailed at all ages by the evils resulting from bloodlessness, from the girl who is weak and languid, with dull eyes, pale lips, fitful appetite and palpitating heart, to the woman who feels "never well, with pains in the back and across the shoulders, fainting fits and aching limbs. And later at life's turning point, dervous disorders and heart troubles make great calls on a woman's strength.

At all ages Dr. Williams' Pink Pills are especially valuable to the female sex, for they alone possess the power of making in abundance the rich, red blood of health. They fill the starved veins with new blood, so that enfeebled bodies are strengthened, weak nerves are fortified, and robust health is restored.

Mrs. E. Smith, Windsor, N. S., says: "A few years ago my health began to fail. I suffered greatly from inward troubles, and in about a year's time my whole system was almost a wreck. My blood had turned to water, and my heart had become so badly effected that I could scarcely go about. In fact life had almost become a burden, and there seemed little hope for me. One day a friend asked me if I had tried Dr. Williams' Pink Pills, and told me that she had been in almost the same condition I was and that the Pills had restored her to her present splendid health. I took courage from what my friend told me and began to take the Pills. I took them regularly for several months, constantly growing stronger, and the internal troubles from which I had been afflicted were disappearing, and my whole system seemed to have gained new strength. I wanted to make certain that there would be no return of the trouble and I continued to ..... the Pills for a time after I had really fully recovered. Since I have proved for myself what Dr. Williams' Pink Pills can do, I have recommended them to a number of suffering people, and those who have given them a fair trial have proved with me that Dr. Williams' Pink Pills are just what they are recommended to be."

Sold by all medicine dealers or by mail at 50 cents a box, or six boxes for $2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

The new woman in China instead of following the example of her British and American sisters in railing against the tyranny of men, has revolted against her relations-in-law. One of the women's clubs in Shanghai proclaims as its object "rebellion against mothers-in-law."

WHAT CITY OF TORONTO GIVES TO CHARITIES

During Year Toronto Board of Control Made Grants to Charities Amounting to $83,875

(Toronto News)

Grants to city charities for this year will total $83,875 as against $68,375 last year, an increase of $15,500, according to the decision of the Board of Control yesterday afternoon.

The Ontario Kennel Club gets on increase from $200 to $300, and the Dominion Regatta receives a similar increase.

The other increases were as follows:

House of Industry, $35,000, including straight grant of $15,000 and special grant of $20,000 instead of $10,000 as last year.

Sick Children's Hospital, increase from $15,000 to $18,000.

Haven and Prison Gate Mission, increase from $1,500 to $2,000.

Girls' Home, increase from $700 to $1,000.

New West End Creche, $300 (first grant).

Sisters of the Good Shepherd, increase from $450 to $500.

Nursing-at-Home Mission, increase from $250 to $400.

St. Vincent de Paul Society, increase from $1,000 to $1,500.

Children's Aid Society, increase from $3,500 to $4,000.

The Hospital for Incurable Children got $250 last year, and is likely to get a good increase, but this was not decided yesterday.

To avoid the troubles besetting compasses on steel ships, the metal of which deflects the needle, a German inventor has devised a needleless one, in the form of a gyroscope, the axis of which always adjusts itself parallel to the earth's axis.

A spring at Bad Centnerbrunn, Silesia, about 77 miles from Breslau has been found to possess a distinctly marked radioctivity, leading to the conclusion that before appearing at the surface the water flows through strata containing radium in considerable quantity.
