## AMUSEMENTS

### AT THE NICKEL

Now that the summer swing has commenced young and old are happily anticipating a bitlessome run of good pictures, catchy music and all the novelties in the catalogue. Close upon the fine bill of Monday-Tuesday, the following magnificent programme awaits Nickel patrons today: Oliver Twist, a 1,000-foot film de luxe by the Vitagraph Company, powerfully presenting Charles Dickens' pathetic drama of the orphan child in wretched London during the early part of last century. Miss Elita Proctor O'is, the eminent American actress, will play the role of Nancy Sykes.

The next picture of special interest is Pathe's review of the carnival at Nice, France, this year, with its grotesque and gorgeous parades. There will be comedy and plenty. Musically, Holmes and Buchanan head the bill with their new hit, I Wish I Had a Girl, which evolved so many recalls again last evening when the theatre was jammed continually. The matinee crowds are exceptional since these popular performers have returned—3:15 and 4:15 being the hours for singing. On Thursday Mr. Buchanan will sing that loveliest of Scotch ballads, Mary of Argyll—a treat for which the people have long been waiting. Miss Evans is receiving continued accolades for her song, Pride of the Prairie, and the orchestra is as usual good.

### THE AMERICAN GIRL

George F. Hall, in the American Girl, delighted his audience in the Opera House last evening. It was regarded by all as a particularly clever performance and earned the heartiest applause. The company is excellent, the play of most entertaining kind, and in all the evening was delightful. The last performance will be this evening.

### MANY DON'T KNOW HEART AFFECTED.

More People than Aware of It Have Heart Disease. "If examinations were made of everyone, people would be surprised at the number of persons talking about suffering from heart disease."

This startling statement was made by a doctor at a recent inquiry. "I should not like to say that heart disease is as common as the cold," said the expert, "but I am sure that the number of persons going about with weak hearts must be very large."

"Hundreds of people go about their daily work on the verge of death, and yet do not know it. It is only when the shock comes that kills them that the unsuspected weakness of the heart is made apparent."

"But undoubtedly heart weakness, not disease, is more prevalent nowadays. I should think that the stress of living, the wear and rush of modern business life, have a lot to do with heart trouble."

"There is no doubt but that this is correct, and we would strongly advise any one suffering in any way from heart trouble to try a course of Milburn's Heart and Nerve Pills."

Price 50c. per box or 3 boxes for \$1.25, at all dealers or will be mailed direct on receipt of price to The T. Milburn Co., Limited, Toronto, Ont.

FLUTTERING OF THE HEART. Mrs. G. M. White, Williamstown, N.B., writes: "I was troubled with weak spells and about two years, from consumption. I was scarcely able to lie in bed. I procured a box of Milburn's Heart and Nerve Pills and they helped me much. My heart and head has made a final cure. I cannot speak too highly of them. I think they are worth their weight in gold."

COMMITTED SUICIDE IN MONTREAL STORE

An Unknown Man Asked for a Revolver and Cartridges and Then Killed Himself.

Montreal, June 15—After asking for a revolver and a box of cartridges, a man, believed to be Alfred Duquette, of unknown address, shot and instantly killed himself in the hardware store of Francis Martineau, 721 East St. Catherine street, this evening.

The man behind the counter had turned to serve another customer at the time of the suicide. The man's complete identity is unknown and so is the motive for his suicide.

Family Physicians Said Incurable She Was Cured Completely By Dr. Hamilton's Pills

A Terrible Experience With Indigestion.

Another example of the marvelous merit of Dr. Hamilton's Pills comes from Kingston, where Mrs. E. V. Holton was stricken with this wonderful medicine.

"Three weeks ago I was taken suddenly ill. My head throbbed and ached and I became so dizzy that I had to go to bed. There was a terrible feeling of weight and fullness in my left side and all the region of my stomach and liver was sore even to touch. I was in a terrible state—had no appetite, in fact I was afraid to eat because of the suffering I had to endure after meals. I got so ill and had scarcely any sleep that I could scarcely see. My doctor said I had incurable indigestion."

"As a last hope I used Dr. Hamilton's Pills, I saw clearly they were doing me good and continued the treatment. My appetite and strength gradually returned, my color improved and day by day the stomach and liver derangements were less troublesome. All symptoms of biliousness and indigestion have now passed away. I am cured by Dr. Hamilton's Pills."

The same medicine that so wonderfully cured Mrs. Holton will cure anyone else of biliousness, constipation, indigestion, headache, poor color and stomach trouble. Get Dr. Hamilton's Pills today—refuse any substitute. 25c. per box, or five boxes for \$1.00. By mail from The Cataract Company, Kingston, Ont.

This insistent move you hear so much about in congress is no novelty, every family has an insurgent or two, although perhaps, they are known by another name.

## NORTH END MAN TREED BY BEAR

### James Taylor Had an Adventure While Fishing on South Branch of Oromocto.

A bear story comes from the wilds of the South Branch of the Oromocto, and James Taylor of the firm of Taylor & White, Elm street, North End, was a principal. It was pretty serious for him at the time. Mr. Taylor went up to the Oromocto the latter part of last week on a fishing trip. He was accompanied by Norman McLeod, a guide, and C. Rogan. The second day out, when it came to dividing forces, Mr. Taylor decided that he would fish from the shore. As he had rested poorly the night before, he became sleepy and, finding a comfortable place, lay down and was soon sound asleep.

How long he slept he does not know, but he thinks, perhaps, one or two hours. When he awoke he was greatly surprised to discover a large bear within twenty feet of where he was lying. At first Mr. Taylor could hardly believe his eyes, but soon recognized the stern reality.
