AMUSEMENTS

AT THE OPERA HOUSE

Commencing tomorrow afternoon, Bixley and Holcomb will appear both afternoon and evening at the Opera House. This handsome team of artists have made a hit wherever they have appeared and will, it is expected, please their audiences here with their very clever and refined work. Miss Holcomb has a very extensive wardrobe and will change her costumes often during the St. John engagement. Mr. Bixley appears mostly in comedy and has a rich baritone voice. His appearance here is looked forward to with pleasure by many St. John friends, as it has become known that he is Bobbie Delay, a former St. John boy who has been away for several years. He has appeared in most of the large American cities and he and Miss Holcomb are expected to receive a warm welcome here.

AT THE NICKEL

The Nickel was amusement headquarters last evening and today it is expected the same delightful entertainment will attract as many more people. Throughout the new show is a genuine treat, fully maintaining the Nickel's record for superior amusement. Holmes and Buchanan sang solo numbers, Miss Holmes that dainty little song-caricature A Monkey on a Stick, from the opera The Geisha, so popular in this city. Mr. Buchanan was in excellent voice and like Miss Holmes had to respond to several encores. His number was the immortal Irish air of Moore's Believe Me, If All Those Endearing Young Charms. Both vocalists strengthened their position among the music-lovers of this music-loving city.

The Nickel's picture programme was exceptionally good, the Pathe drama, The Vampires of the Coast, being worthy of special mention. This was a seacoast photograph with startlingly real storm scenes and daring rescues. Elastic Transformations was a wonder-film with pretty coloring, always a source of much pleasure. The Girl at the Mill was an American pastoral picture play. Edouard Courtnais provided the illustrated song-singing with Promise, a lovely new ballad. New pictures Wednesday and new music by Holmes and Buchanan.

AT THE STAR

The most popular picture of the seven shown in the new Star Theatre, North End, last evening was The Rhine River Falls in Germany, a "bit of travelling at home," that hundreds of people enjoyed most delightedly. The magnificent waterfalls, the picturesque river, which some claim is even more beautiful than our own world-famous St. John river, were shown most realistically. Turning the Tables, was a comedy, but The Angel of Nativity proved a lovely sacred theme, whilst The Simple-Minded Peasant and the others were pure wholesome dramas without any of the blood and murder element. It was a good show throughout, a clean show, a new show in every particular and the song by Miss Von Branders and the music made the whole affair go along swimmingly. New pictures tomorrow.

REMARKABLE CASE IN WINDSOR

Miss M. Counter, Windsor, Ont., Was Cured in Seven Days by the Ozonated Air Cure, Catarrhozone.

Windsor, Ont., Feb. 22.—Miss Counter's case will prove of great interest to every one troubled with sore throat, bronchitis or weak lungs.

When asked for a statement Miss Counter said: "About seven years ago I contracted a heavy cold that settled on my lungs and resisted all treatment. After I had tried several doctors here and specialists in Detroit without benefit, I went to my druggist, Mr. D'Avignon, and asked him for the best remedy he had for cold on the lungs. He recommended Catarrhozone which cured my cold in one week. It brought back my voice, and I have ever since been free from my old trouble. For coughs, colds, and lung trouble I am sure that Catarrhozone is the best remedy. It goes right to the sore spot, gives quick relief, and makes a lasting cure."

Catarrhozone cures because its healing vapor is inhaled to the very places that are sore and inflamed. Every portion of the membrane is treated with one single breath through the inhaler. Catarrhozone goes where cough mixtures, sprays and ointments can't go—reaches the root of the trouble.

Doctors pronounce Catarrhozone one of the greatest discoveries of the age. It has reduced the death rate from respiratory diseases by thirty per cent during the past year. It is a modern scientific treatment for colds, coughs, catarrh and consumption and should be in every home.

Two months' treatment consisting of a beautifully polished hard rubber inhaler, dropper, and liquid Catarrhozone costs only one dollar. Trial size 25c. Sold under guarantee to cure or money refunded by all druggists and N. C. Polson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.

A social time was enjoyed last evening under the auspices of the St. Stephen's church guild. There was a good attendance. An excellent programme was presented and refreshments were served. Those who contributed to the entertainment were: Miss Gilchrist, piano solo; Mr. McCarthy and Miss James, vocal solos. Miss James also gave a recitation.

CONTENTS OF SAFES ARE FOUND UNHARMED

Moncton, N. B., Feb. 22.—Chas. Elliott, locksmith, went to Buctouche today and this evening opened two safes belonging to J. D. Irving, which passed through the fire that destroyed his large store last week. The outer covers of the books were considerably damaged but the inside parts were in a good state of preservation. The contents of the smaller safe were not in quite as good state as the larger one.

The fact that the contents of the safe are all right is considerable relief to Mr. Irving, as the records of his large business transactions were contained therein and the loss of them added to the direct fire loss would have been a very serious matter.

Don't drug the Stomach, or stimulate the Heart or Kidneys. That is wrong. It is the weak nerves that are crying out for help. Vitalize these weak inside controlling nerves with Dr. Shop's Restorative, and see how quickly good health will come to you again. Test it and see! Sold by all druggists.

ABSENTEES MAY VOTE IF THIS PLAN CARRIES

Toronto, Feb. 22—The Ontario government has under consideration a measure that will allow commercial travellers, lumbermen, sailors, railway and others whose business takes them away from home, a chance to vote in elections.

The plan is understood to provide for the issue of ballots for the purpose some time before the election and the appointment of special deputy returning officers to receive these votes and keep them locked up in a box until election day.

It is understood some plan will be made to prevent large corporations from shipping voters out of the country at election times.

"BUTTER" MUST BE REAL BUTTER IN MONTREAL

Montreal, Feb. 22—George Dumais, who pleaded guilty today, before Judge Bazin, to making oleomargarine, was condemned to a fine of $400, and the ingredients for the manufacture of the stuff, which was found in Dumais' factory in Cote St. Luce Road, were ordered destroyed.

The case against Dumais was made on the result of evidence that had been secured by J. J. Costigan, food inspector of the inland revenue department. There were seven barrels of oil, a quantity of beef fat, salad oil, cotton seed oil, lard and colorings.

The action was taken under the federal law which prohibits the manufacturing, selling or importation of oleomargarine.
