The post-season series between Chicago Americans and the Chicago Nationals will begin at the West Side park in Chicago Oct. 8. The following day a game will be played at the South Side grounds. Games will alternate between the two parks until one club has won four games.

The Turf

A welter handicap of 300 sovereigns for three-year-olds and upwards, distance one mile, was run at Newmarket on Thursday, and won by W. Astor's Lester Jim, Lord Ronald was second and Promonotory third. Thirteen horses started.

Good Racing at Halifax

Halifax, N. S., Oct. 3.—The attendance at the provincial exhibition on Saturday was 4,987. With the start of Saturday's racing on the exhibition track came a light shower, then the sky cleared and for the remainder of the afternoon the weather was fine. As usual, three races were finished. The 2.19 trot and pace, the free-for-all, and the 2.20 trot. Marice, a large bay stallion, by Peter The Great, trotted a mile for a record, beating the time limit of 2.35 by two seconds. The horse is very large in the hips and has rather an ungainly gait. His time was quarter in 32 3-4, half in 1.15, three-quarters in 1.53, mile in 2.33.

Football

The following might be taken as a pattern for local football clubs. It is what the upper Canadian League teams have to subscribe to:—

THE RUGBY AFFIDAVIT

Can you sign this declaration?

It is the certificate of amateur status the Inter-Provincial Rugby Union compels all players in its ranks to sign before taking part in a game. Here is the way it reads:—

"I hereby subscribe and agree to the rules and regulations of the Inter-Provincial Rugby Football Union and declare myself to be an amateur, inasmuch as I have never engaged in any competition for a staked bet, monies, private or public, or gate receipts, nor with or against a professional for a prize; have never taught or assisted in the pursuit of any athletic exercise or sport as a means of livelihood; have never, directly or indirectly, received any bonus or payment in lieu of loss of time while playing as a member of any club, or any money consideration whatever for my services as an athlete except my actual travelling and hotel expenses; have never entered into any competition under a name other than my own; nor have I ever been guilty of selling or pledging my prizes."

Lieut. Pullen is directing the coaching at West Point. He and Graves made the best pair of linemen ever turned out at the military academy.

* * *

Harvard scored seven fewer points against Bates on Wednesday than it did a year ago and Yale scored five fewer points against Wesleyan than in 1908.

* * *

The football contingent at the naval academy, Annapolis, gave a warm welcome to Jack Cates, Yale '05 who has been the academy's field coach the last three seasons. It is admitted that no one can put quite so much life into the team as does Cates, and the work became more spirited as soon as he appeared.

* * *

As a result of the Yale game with Wesleyan last week there was a shift in the Yale line-up. The change was made chiefly to get a punter back of the line until the return of Captain Coy.

The Cornell coaches have discovered a "find" for the position of fullback, made vacant by the injuries to Pope, in Delane, who has hitherto been trying for line.

* * *

New Haven, Oct. 2—Good playing won the game against Syracuse for the Yale team, 15 to 0. One touchdown was made as the result of line playing. A goal was kicked from the field and the second touchdown followed a forward pass.

Cambridge, Mass., Oct. 2—The successful use of the forward pass and end runs gave interest to today's game at the stadium, in which Harvard defeated Bowdoin, 17 to 0. During the first half, Harvard gained almost at will, making the first touchdown within four minutes after the game started, on a 37-yard end run and line plunges. The second touchdown came after a fumble. In the second half Harvard used many subs and scored the third touchdown by the clever use of the forward pass. The crimson line was impregnable. Bowdoin got first down on rushes but once.

Princeton, N. J., Oct. 2—Although Princeton won her opening game of the season with Stevens Institute here today by the score of 47 to 12, the fact that the visitors scored twice was a decided surprise. The local team rolled up eight touchdowns by literally walking through their opponents' line in two short periods.

On the Range

The St. John City Rifle Club held their regular weekly spoon match on Saturday afternoon on the local rifle range. The attendance was not as large as usual, the weather conditions being very bad. The wind blew hard. While the last squad was shooting at the 600 yard range a very heavy shower came up. This caused a delay in the shooting for a short time. The match was later continued and finished at the 200 yards range. L. A. Langstroth and Sergt. Jas. Sullivan tied for first place with 88 points. After the match the tie was shot off and resulted in a win for Serget. Sullivan. The contestants were given a sighting shot and three shots on score, the possible being 15 points. Sullivan scored 14 points and Mr. Langstroth scored 12 points.

The following are the scores at each range:

	200	500	600	T'l.
Sgt. Sullivan	29	34	25	88
Lt. L. A. Langstroth	25	31	32	88

The following is the result of the quick firing competition, when each competitor fired seven shots in one minute, the possible being 35 points: Sergt. Sullivan, first, with 30 points; L. A. Langstroth, second, with 28 points; N. J. Morrison, third, with 27 points; A. G. Staples, fourth, with 23 points; W. Coates, fifth, with nineteen points; H. Ricketts, sixth, with ten points.

The club will hold their regular match on next Saturday afternoon on the local range, at 1.30 sharp.

Marathons Win Two

The Marathons took both games of the double-header from Worcester on the Shamrock grounds Saturday afternoon. The first game was cut short in the seventh inning by rain, when the Marathons were in the lead, 4 to 3. After the rain had stopped the visitors did not want to play on the wet grounds. They were, however, persuaded to play a six inning game, which was won by the local boys, 3 to 2.

The Greeks played decidedly better ball and displayed some of their old form at the bat. They found O'Connor oftener and were able to bunch their hits to good advantage. In the first game they employed Peasley, of Houlton, who showed up well. He seemed to have lots of reserve and with a little more confidence in his catcher would have shown considerable more speed.

The visitors played very good ball. but did not seem to be exerting themselves. Only in the last inning of the last game did they seem to be playing their hardest.

The Big Leagues

Detroit, Oct. 2—Detroit welcomed home its championship team today with a parade from the depot and a number of presentations at the ball park, where the home team went ten innings with Chicago to a 6 to 6 tie. Mullin was wild and was hit hard, but Detroit evened the score in the fifth by driving Suter off the slab. Each side made one run after that, and darkness ended it. Cobb's hitting was the one bright feature. The home team started with its regular line-up, but Jennings kept sending in young players and making other changes until he had used sixteen men. Detroit ran recklessly on bases and tossed away a couple of runs. Chicago played earnestly all the way.

SANDFORD TO SEEK PASTURES NEW IN SOUTH AMERICA

"Prophet" of Shiloh to Lead His Band from Maine—His Colony And its Founding—Now Known as One of the Richest Leaders of Sects

Boston, Oct. 4—Frank Sandford, the prophet of Shiloh, is to leave New England's shores forever and accompanied by 700 followers he is to establish a New Jerusalem in the wilds of South America.

The little band of strange believers at Durham, Me., is alive with thrilling expectancy.

The fleet of vessels which the "prophet" has purchased, is prepared for a long sea voyage into the southern seas.

Prayers and loud exhortations have somewhat subsided and there is a new and hitherto unknown hurry and bustle about the colony which is ruled by the 20th century Elijah.

Within a few weeks, it is believed by those nearest the prophet the last call will be sounded, the goods and chattels and all the worldly possessions of the "prophet" will be packed up, and a last farewell will be bidden by every man, woman and child among his followers to Shiloh, the long-time home of all the Sandford converts.

Deal Under Way

A few days ago the prophet sent a letter to Mr. Almeida, the Spanish consul in Boston, making known his project of purchasing a vast area of territory in South America, where he intends to plant his new colony. The religious leader was at once referred to the Spanish minister in Washington, and just now negotiations are under way for the consummation of the deal.

With Sandford, when he sails, will go every vestige of the much-discussed colony of believers, who, through their curious meetings and the many sensational incidents that have occurred in Shiloh have become known from one end of the country to the other.

Sandford, a well educated grown rich through the promulgation of his doctrines and through shrewdly gathering about him such converts as owned a large supply of worldly goods.

Upon entering the precincts of the colony it is the rule established by the leader that all converts shall turn their possessions over to him, receiving in return a promise of being cared for by the "prophet." But that this latter provision has been neglected in the past was shown in several court suits in which Sandford was the defendant.

Great Secrecy Maintained.

When he first appeared at Shiloh with his then handful of followers Maine rose up and protested against their settling within the borders of the Pine Tree State.

But Sandford, by his power of eloquence and persuasion and with the aid of the courts, secured a permanent footing at Durham, which he has held ever since.

The greatest secrecy has always been maintained by the "prophet" conserning the every day doings of the colony.

Living in a fertile part of Maine the converts, under the direction of Sandford, have built up a complete village of their own, and it is today said that thousands of dollars are yearly sent to Shiloh by the followers of Sandford, who is now considered a man of great wealth.

Preached For Small Salary

Years ago he was an orthodox clergyman, preaching at a salary of $500. But Sandford was too ambitious to continue in this humble position. His utterances concerning strange revelations made to him rapidly brought him into disgrace among his fellow preachers, and finally Sandford withdrew from the fold and at once set about completing his plans for building up a colony of personal followers.

He announced himself as the new Elijah.

His first meetings were held in schoolhouses or barns, wherever he could assemble his little congregation.

Soon the number of followers had grown to such an extent that a permanent settlement was made possible. It was reported that Sandford had performed miracles.

Sandford himself laid the foundations of his Maine settlement. A wheelbarrow, a shovel and some nails were his tools.

Since that day he asserts he has never asked for a cent, but it is known that he is now one of the richest among religiou leaders.

Followers Increased

The first of the large contributions was from a farmer named Higgins, near Shiloh. The man sold his farm and turned over the proceeds to Sandford. This was in accordance with the command of the "prophet" but Higgins was permitted to keep a fine herd of hogs, which Sandford asserted were unclean, and the farmer drove all the pigs into a swamp, where they were slaughtered and their bodies buried.

Then followed many meetings at which the prophet exhorted those present to give him their worldly possessions, become true disciples and receive his blessing in return.

Little by little the flock increased until today the Shiloh colony numbers 700, and it is declared that there are many more followers scattered throughout the country.

With the exodus of this community from Maine it is believed that Sandford will shake forever the dust of the United States from his feet.

That he has been seeking fresher, greener and more prolific fields for his work has been thought probable from the frequent trips which he has taken to different parts of the world in his steam yacht.

President Wins

In spite of the drenching rain Saturday's match between teams led by President J. M. Magee and Vice-President D. J. Brown attracted a large field of players to the local links on Saturday. The president's combination proved the better rainy day experts. The score:

The Ring

Dick Nelson of New York got the decision over Bobby Wilson of Canada in a 12-round bout between the Unity A. C., Lawrence, Mass., Thursday. A whirlwind finish was all that relieved the match of being a very tame affair. Wilson, in the 12th came out of the lethargic state in which he had seemed most of the time, and beat a tattoo on the New Yorker's face and body that set the latter going.

* * *

The eight-round go between Young Kennedy of Lawrence and Young Chisholm, of Everett was the liveliest of the programme. Kennedy showed a shade the better form and won the decision. Kid O'Brien and Scotty Magee, Lawrence boxers, went six rounds to a draw. The preliminary between Kid Francis and Kid Harris was called off in the fifth round. Francis having too much the better of it.

Aquatic

The fall season of rowing at Harvard will start this afternoon when the candidates for the varsity squad will report at the Newell boathouse for the first time. The work will last until November 13 and will probably end with a series of races between the first and second crews. Twenty-seven men have been ordered to report for the varsity squad. The dormitory crews will start a week later.

The following have been given orders to report for the varsity: Anderson, Bacon, Balch, Beane, Cutler, Eaton, Forster, Higginson, Hoar, Howell, Hooper, Jowett, Kempton, King, F. Leslie, Lowring, Metcalf, Newton, Sargeant, Shillito, Strong, Trumbull, Waid, Waite, L. Withington, Whitney, Voorhis.

Though only four men are left from last year's winning eight, the outlook is far from disheartening. The veterans are Capt. Waid, Cutler, Bacon and L. Withington, Paul Withington expects to finish his course at midyear's and so will not be available for the spring season. From the varsity four-oar Sargent, Whitney and Forster are eligible, and there are several promising men from the 1912 boat.

It seems likely that Cutler may be returned to No. 6 and that Newton, who stroked the 1912 eight, may be given a chance in the varsity. He is not so tall as Cutler and the latter makes an ideal man for No. 6. In that case Waid would again row 7, and with Cutler at 6 and L. Withington at 5 the stern half of the boat would be well cared for.

The bow four is less easily guessed at. Bacon is practically sure of his place at 4 and Metcalf, Sargent and Whitney, in that order, would be a likely combination for the remaining three places. King, who has stroked the four-oared for the past two years, will undoubtedly be first choice for coxswain. as Blagden has graduated.

Athletic

The following from the Moncton Transcript might be a suggestion for local High School athletes:—"At a meeting yesterday afternoon it was decided that in future athletics in the Moncton public schools would be governed by the public school athletic council, which was organized as follows:—Principal Geo. J. Oulton, chairman; W. A. Cowperthwaite, secretary; A. B. Maggs, S. B. Anderson, S. W. Irons, and L. E. Wood."

Jujurio Wada, long distance champion of Alaska, and winner of two 50-mile races at Nome a couple of years ago, has arrived at Seattle and will be a starter in the Guggenheim $10,000 Marathon there on October 12. He has never run on an outdoor track yet, all his races being inside He may race with John D. Marsh for a Marathon.

Montreal, Oct. 3—Hans Holmer, of Quebec, defeated St. Yves, the French Marathon runner today at the National grounds. The race was for the full Marathon distance, but St. Yves was unable to finish. He gave up in the 23rd mile, dropping to the ground from sheer exhaustion. The race up to this time was close, St. Yves leading all the way with Holmer five yards behind. St. Yves tried repeatedly to shake off the Canadian but the latter stuck close to him, and at the beginning of the 23rd mile began to force St. Yves. The latter kept up the faster pace for a couple of laps and then collapsed. Holmer finished alone in 2.32.40, which is an American record. It was found that St. Yves was suffering from heart trouble and was evidently in distress during the whole of the race. Holmer finished strong and was never in any kind of distress.

Tennis

With both handicapped by by water-soaked court and a strong wind, Miss May Sutton defeated Mrs. Edith Hannam, the Canadian champion, in an exhibition match in straight sets, 6—1, 6—2.

AFTER FOURYEARS OF MISERY

Cured by Lydia E. Pinkham's Vegetable Compound

Baltimore, Md. — "For four years my life was a misery to me. I suffered from irregularities, terrible dragging sensations, extreme nervousness, and that all gone feeling in my stomach. I had given up hope of ever being well when I began to take Lydia E. Pinkham's Vegetable Compound. Then I felt as though new life had been given me, and I am recommending it to all my friends."—Mrs. W. S. Ford, 1938 Lansdowne St., Baltimore, Md.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound. It has stood the test of years and to-day is more widely and successfully used than any other female remedy. If you are suffering from any of these ailments, don't give up hope until you have given Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice write to Mrs. Pinkham, Lynn, Mass., for it. She has guided thousands to health, free of charge.

STOMACH MISERY JUST VANISHES

Indigestion, Gas, Heartburn and Dyspepsia go and You Feel Fine in Five Minutes.

As there is often some one in your family who suffers an attack of Indigestion or some form of Stomach trouble, why don't you keep some Diapepsin in the house handy?

This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome a sour, gassy Stomach five minutes after.

Tell your pharmacist to let you read the formula plainly printed on these 50-cent case's of Pape's Diapepsin, then you will readily see why it makes Indigestion, Sour Stomach, Heartburn and other distress go in five minutes and relieves at once such miseries as Belching of Gas, Eructations of sour undigested food, Nausea, Headaches, Dizziness, Constipation and other Stomach disorders.

Some folks having tried so long to find relief from Indigestion and Dyspepsia or an out-of-order stomach with the common every-day cures advertised that they have about made up their minds that they have something else wrong, or believe theirs is a case of Nervousness, Gastritis, Catarrh of the Stomach or Cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead. it ferments and sours, turns to acid, Gas and Stomach poison, which putrefy in the digestive tract and intestines, and, besides, poison the breath with nauseous odors.

A hearty appetite, with thorough digestion, and without the slightest discomfort or misery of the stomach, is waiting for you as soon as you decide to try Pape's Diapepsin.

MORNING NEWS OVER THE WIRES

The case of Wilfred De Merchant against James Wolverton, a constable of Woodstock, an action for damages for false arrest and assault, was tried at Andover on Saturday, the jury awarding the plaintiff $500 and costs. The evidence showed that the plaintiff had been unlawfully arrested in a house near the boundary and handed over to the American authorities.

A Halifax despatch says that the United Mine Workers are preparing to turn the tables on the Dominion Coal Company in the matter of arrests for libel and have laid information against Alex. Johnson, ex M. P., for criminal libel in connection with articles published in the Sydney Record, of which he is editor or manager.
