NEW NICKEL FEATURE

There will be a complete change of the musical programme at the Nickel today and tomorrow as follows: Signor Sillber will sing from Verdi's Il Trovatore, Signora Sillber will sing Sweet Land of Dreams, by Ashford, and in duet Arditi's A Night in Venice will be the magnificent selection. These are exceedingly lovely and high-class numbers and will demonstrate the abilities of these refined vocalists in even greater degree. Miss Evans, whose winsome ways and sweet voice have already made the Portland (Me.) girl a favorite, will render that popular illustrated song, Just Someone, which was sung at the Nickel before with great favor. The orchestra will have a new bill as well. Last evening immense crowds saw the great airship picture, Wilbur Wright's Aeroplane in Flight, a motion-photograph that took over twelve minutes to show. The other films were Uncle Tom Wins, a southern comedy; and The Guarding Angel, a gypsy story. In yesterday's throngs of patrons were scores of elderly people—not regular Nickelgoers—attracted by the wonderful aeroplane pictures.

AT THE STAR

Tonight at the "Star" in Union Hall, North End, there is to be a brand new bill of pictures in which a fine Italian drama entitled "Under Suspicion," will be the leading feature. The other films are to be: "The Resolute Man," "A Musician's Dream," and "Fools Head Wants to Fight A Duel." There will be additional pictures. Frank Austin is to sing his latest illustrated son-hit and there will be plenty of bright, catchy music by the orchestra.

JOHN GRIFFITH NEXT WEEK

The sterling actor, John Griffith will give his vivid impersonation of Macbeth, The Bells and Faust at the Opera House on May 24, 25 and 26. Mr. Griffith has for years held undisputed title of "the greatest living "Macbeth." His acting of that master character, as well as several of Shakespeare's roles, has given him high standing in the estimation of playgoers everywhere. His engagement here in Macbeth, The Bells and Faust will be one of the most important events of the month. A complete scenic and electrical presentation of the plays is promised, and the cast is said to be excellent.

Miss Edyth Totten, formerly prominent in support of stars under the management of Charles Frohman, is Mr. Griffith's present leading lady, and her portraiture of the charming roles of "Lady Macbeth," "Annette" and "Marguerite" is said to be most pleasing.

MORE IMMIGRANTS LANDED IN ST. JOHN

Returns Show This Port Ahead of Halifax in Immigrant Traffic for the Season

During the winter season some 5,600 less persons came to St. John by the winter port steamers than in the previous winter and the entries through Halifax were about 3,000 less. The arrivals through St. John were in excess of those through Halifax, nearly 5,000 more people coming here than to Halifax. The number of arrivals at the two ports during the past two seasons was as follows:

	Halifax.	St. John.
1907-8	16,600	24,158
1908-9	13,643	18,544

In the winter of 1907-8 the C. P. R. brought about 20,000 passengers to St. John and last winter about 17,000. The Allan and Donaldson lines showed a falling off of about 1,000 each. The principal drop was in the arrivals of the steamers from Antwerp.

C. P. R. WORK PLANNED FOR THE SUMMER

The C. P. R. during the coming summer, will extend the Bay Shore yard, adding tracks to give accommodation for 200 or 300 cars. This has been found necessary, as the present yard is not large enough for the winter rush. In other parts of this division there will be much work. Nearly sixty miles of the road will be re-railed, of this about twelve miles of new and heavier rails laid on the branches and the remainder will be on the main line.

D. McNicol, who is coming to St. John in a few days on an annual tour of inspection, will likely finally determine what is to be done about making Aroostook Junction a divisional point.

Mrs. Charles McAnulty, of Albert, Albert county, who was in the city yesterday, claims to be one of the heirs to the Moore-Sutton estate in England, said to be valued at $63,000,000. This lady is the great granddaughter of a Loyalist ancestor, James Moore, who obtained a grant of land on the east side of the Long Reach, parish of Kingston, in 1784.

Mr. Moore, who was an officer in the imperial army, came originally from Glasgow, Scotland. After serving through the revolutionary war he came to New Brunswick and settled on his grant. His wife, whose name was Sutton, was an English woman.

Mr. Moore left a large number of descendants in Kings county and died in Kingston at the age of 95 years. Mrs. McAnulty while in the city consulted Dr. James Hannay in regard to genealogical matters.

Pains of women, head pains, or any pain stopped in 20 minutes sure, with Dr. Shoop's Pink Pain Tablets. See full formula on 25c. Box. Sold by all druggists.

At high tide yesterday D. C. Clark placed in position the third section of the new wharf in Carleton. This section carries the new wharf out some distance past No. 6 berth, but there is still another piece of 160 feet long to be added.

Henry Garnet, a young lad employed in Campbell's axe factory, had his arm broken yesterday afternoon by being caught in a set screw. He was taken to the hospital.

His Lordship Bishop Barry of Chatham, who has been on a visit to Madawaska, arrived in St. John on Tuesday evening, and left for Chatham yesterday.

LOGS HELD UT AN VAN BUREN

8,000,000 Feet of Lumber in a Jam There—Most of it Belongs to St. John Concerns

Fredericton, May 19—News of a big log jam at St. John Lumber Company's works at Van Buren reached here today and has caused considerable talk in lumbering circles. The St. John Lumber Company hold up and sort logs which come down the main river and usually have a jam on their hands during the period of the high freshet when logs are running thickly.

It is said that when the international commission visited Van Burei last week there was 4,000,000 feet of logs in the company's booms, and the report states that during the past fe wdays the total has run up to 8,000,000 feet.

The Telegraph correspondent this evening had a talk over the long-distance telephone with Manager Brown, of the St. John River Log Driving Company, at Van Buren in regard to the matter.

On being told of the report that 8,000,000 logs were tied up at Van Buren he said that it was exaggerated, as the total would not reach 5,000,000. A force of men numbering 150 are now at work sorting out the logs, a large proportion of which belong to down-river concerns.

He went on to say that there had been an exceptionally big run of logs during the past few days and the sorting crews have had trouble to cope with the situation as satisfactorily as he would like, but it would be handled as expeditiously as possible under the circumstances. He was inclined to think that the present rush would be at an end in ten days, after which there would be no further trouble.

When told that the report had caused some excitement, Mr. Brown remarked that he was not surprised at that, and he added some people get excited quite easily. He seemed certain that there was no cause for alarm over the situation at Van Buren. Brown stated that the river was keeping up well, although it was now four feet below the high freshet mark. He added that rafting operations at Van Buren commenced several days ago.

The annual meeting of the New Brunswick Telephone Company will be held here tomorrow evening at 9 o'clock. A meeting of the directors will be held at 3 o'clock in the afternoon. So far as can be learned there is nothing in the report published by an evening paper in St. John, that the company will increase its dividend, as matter of fact the company has been paying six per cent for two years.

News has been received here of the death in California recently of Capt. John Robinson, formerly of Hopewell Hill, Albert county. He commanded a large passenger steamer plying between San Francisco and Yokohama and was one of the best known mariners on the Pacific coast. He was about sixty and leaves a widow, formerly Miss Foley of Buctouche, and a family of six children. A brother is Captain Henry Robinson, who resides at Seattle. Another brother, Captain Charles J. Robinson, died in Liverpool (Eng.), a few years ago.

At a meeting of the directors of the Fredericton Park Association a report was submitted by Secretary Black re nominations for the big race meeting to be held here June 30, July 1 and 2. Four stake events have all filled and the entry list is the largest on record for an opening meeting of the maritime circuit. The second payment in the stakes is due on June 1 and June 5, entries for the class race will close. The stake races, for which entries have closed, are the free-for-all, 2.21, 2.27 for trotters and pacers, and 2.24 straight trot with purses of $400 each. The class races are 2.15, 2.17 and 2.19 events each with $300.

The death took place last night at Sheffield of Archibald Barker, a prominent farmer of Sunbury county. The deceased was eighty-three years old, and is survived by two sons, Percy Barker, of Sheffield, and Ward Barker, of Lakeville Corner, and two daughters, Miss Mary, at home, and Miss Annie, at Constantinople.

Rev. R. W. Ferguson, of Centreville, Carleton county, formerly pastor of the Charlotte street U. B. church, Carleton, who was in St. George attending the meeting of the Grand Division Sons of Temperance, was in the city last night and registered at the Royal. He will leave for home this morning. In conversation with a Telegraph reporter he said that times were good in Carleton county just now. The building of the G. T. P. has had the effect of enhancing the value of all kinds of farm produce. Oats are selling for 60 to 65 cents a bushel and are scarce and potatoes are bringing $2 a barrel. The year 1907 was a poor one for potatoes, he said, and last year the farmers did not cultivate as many as usual but this year they are practically doubling the acreage of planting.

Miss Marjorie Knight, of St. John, who is visiting in Newport, was operated on a few days ago for appendicitis and it will be welcome news that she is progressing most favorably.
