CLEAN NEW SHOW AT TICKEL TODAY

At five cents a head the statistical family of five can see one of the best shows ever put on in St. John for a quarter dollar in the Nickel Theatre today and tomorrow. This is cheap entertainment of a high quality not enjoyed in many places. Sticking to its policy of pure pictures and pleasing musical features this large house will today present the song-novelty "Redhead," one of the cutest numbers of the year; something that every man, woman and child can appreciate. It is a fine bit of character work and every motion of the singer and word of the writer is true to life.

Robert Buchanan, whose unquestioned refinement as a concert vocalist is generally understood, will sing Jocelyn's Lullaby, known to music lovers as a charming melody, Miss Gertrude Bennett Holmes has a new song of the New York type. Miss Jennie Evans will sing a ballad of simple heart interest entitled, "Let's Go Back To Childhood Days" and the orchestra has prepared a list of selections including excerpts from reigning musical comedy successes, standard overtures and medleys.

Then comes the picture programme with such magnificent film stories as "Cartouche," the tale of a merry French brigand of many years ago, "Women's Intrigues," of melodramatic quality and a roaring up-to-date comedy, "Mr. Physical Culture Gets A Surprise." The Nickel continues to enjoy the patronage and confidence of the best people in St. John and its persistent efforts to cater directly to wholesome entertainment are evidently appreciated.

THE BIG COLLIER SHOWS ON TONIGHT

Prominent among the strong acts that will be presented here by the Collier & Co.'s Shows at the Victoria Rink tonight are Manchester's Ponies, a troupe of eight equine beauties who have been brought to the highest state of perfection known to animal training. They are said to do everything but talk and go through their tricks and evolutions without any direction whatsoever.

Another strong feature is the marvelous performances of Orville and Frank in an act with the ladder perch. The four Nichols a troupe of tight wire walkers who give an exhibition of the most unique feats of equipoise ever seen anywhere. The performances are said to be diversified enough to suit the tastes of all classes of amusement seekers and thep rices are certainly within the reach of everyone.

INDIAN PICTURE AT THE 'STAR THEATRE TONIGHT

Tonight, at the cool, cosy Star Theatre, north end, the sensational western filmstory, "The Indian Trailer," will be shown for the first time in St. John. No exciting Indian picture yet produced is as engrossing as this and it is doubtful if the people will be satisfied with merely a two days' exhibition of it. Three other pictures and Al. Weston's songs. Orchestra Tuesday.

DANIEL RYAN COMING TO THE OPERA HOUSE

Daniel Ryan and his excellent company are booked to appear at the Opera House on Dominion Day, afternoon and evening, in a play new to St. John theatre goers—L'Habitant.

The play is one that appeals to all and is full of interest to Canadians. Mr. Ryan and his company have met with great success in this great play on his upper Canadian tour.

THE EMPIRE THEATRE

Commencing today, this cosy theatre on Waterloo street, opens with an exceptionally strong bill of motion pictures. Every picture a feature in itself. Comedy and drama mingled together to make up an exceptionally strong programme. Mr. Austin sings "Yonkle, the Cowboy Jew," that funny song which is all the rage in New York today. Commencing Thursday of this week Baby Rosa opens her engagement. Large and airy, cool and cosy.

TWO WARM DAYS

Mercury Reached 80 on Saturday and Yesterday Went to 78.

Saturday and Sunday were certainly two of the warmest days this summer and it was difficult to keep cool anywhere. The mercury yesterday climbed up from 62 degrees to 78 degrees. On Saturday it was even warmer.

D. L. Hutchinson, director of the meterological bureau, said that the highest temperature, that on Saturday, according to the observatory, was 80 degrees above, but thermometers in various parts of the city showed a still higher reading.

There were not a great many in Rockwood park on Saturday and the few who were there kept well in the shade of the trees, seemingly disinclined to move more than was necessary. It became a little cooler, however, towards evening and many sought this and other resorts.

It was very warm outdoors yesterday and those who went to church found it warmer still. Those who could afford it hired horses and went for a drive and the hacks which ply to the cemeteries did a good business. Those who owned yachts or sail boats went up the cool reaches of the river.

In the evening King Square and the old burying ground were favorite resorts. Every bench was occupied with groups of all ages enjoying whatever coolness was to be found there. In the old burying ground many family groups of fathers, mothers and children of all sizes sat under the trees where they remained till well into the night. The conditions yesterday were made all the more oppressive by the absence of wind.

On Saturday evening Joseph G. Isaac, a teamster in Ready's brewery, was taken from his home 196 Brussels street in the ambulance to the hospital where an operation for strangulated hernia was performed the same evening. It was reported last night that he was doing well.

ROCKS AND ROCKS.

"He is said to be worth a good deal of money."

"I know that he has a rocky reputation.

LIBERALS WILL MEET TONIGHT

County Convention to be Held in Berryman's Hall to Select a Candidate — Hon. C. W. Robinson Will Speak.

All signs point to a most successful convention of the Liberals of St. John county in Berryman's hall this evening at 8 o'clock for the purpose of nominating a candidate to contest the county against J. P. Mosher, the nominee of the Conservative party.

The parish meetings, at which delegates were chosen, showed a strong interest in the forthcoming election and none feel any doubt that, when the trial of strength comes the tradition of St. John county will be creditably upheld, and the Liberal candidate will go in by a big majority.

There will be several speakers at the convention tonight, including Hon. C. W. Robinson, the leader of the local opposition. A number of names will likely be considered by the convention, but the feeling is that whoever is chosen as the candidate is assured of the hearty support of every Liberal in the constituency and of victory.

GRAND FALLS PASTOR IN A ST. JOHN PULPIT

Rev. H. C. Fraser, M. A., of Grand Falls, preached at both services in St. Matthew's Presbyterian church on Sunday and dispensed the sacrament of the Lord's Supper at the morning service.

Mr. Fraser recently graduated from Pine Hill College, Halifax, and was ordained only about four weeks ago.

His sermons were excellent from a literary standpoint as well as in delivery. His enunciation was particularly clear and distinct. In addition, his earnestness impressed all of his hearers and a bright future was predicted for him.

QUEEN STREET FIRE

The fire departments responded to an alarm from box 36 on Sunday morning about 2 o'clock for a fire in the house at 222 Queen street, occupied by Edward Jones and Henry Brandy. On the firemen's arrival they found the outside of the east end of the house in a blaze, but a stream of water soon confined the fire to the peak and this, too, was soon extinguished. Considerable chopping had to be done to get at the fire between the walls.

The building was a light wooden two storey one. After half an hour, or so of work the last trace of fire was extinguished.

The water supply was poor, consequent on the trouble at Marsh bridge. There is talk of a suspicion of incendiarism in connection with the fire.
