RYAN AND MOORE.

A Victory for the Champion Welterweight.

BUFFALO, N. Y., Aug. 20.

Tommy Ryan, champion welterweight of America, bested Dick Moore, of Minneapolis, in twenty rounds of hard, clean fighting here last night. The fight was pulled off by the Empire Athletic Club at the Lyceum Theatre and attracted 4,000 spectators. The men were both in superb condition, but Ryan looked particularly fit. He weighed in at 146 and Moore at 158 pounds. From the start it was evident that Ryan was master of the situation. He lacked the steam and vigor of his opponent, but his work was superlatively clever. He landed again and again without return and had not Moore displayed phenomenal staying powers the fight would not have lasted over five rounds. Moore tried repeatedly to land a knockout blow, but Ryan easily evaded his savage swings. At the start Ryan played for Moore's wind, landing numerous hard left swings, but apparently with little effect. In the fifth round he landed a number of right handers on the head and jaw and at the close of the round Moore was bleeding freely and evidently in distress. Fast work began to tell on Ryan and after the eighth round Moore took the aggressive and did better, but at no time was Ryan in any danger. In the last two rounds Moore woke up and rushed repeatedly, seeming as fresh as at the start, but he always fell short. At the close of the 20th round Referee Brooks awarded the fight to Ryan. Frank Zimpfer, of Buffalo, and Luke Stevens, of Salem, Mass., featherweights, also had a bout. At the close of the eighth round Stevens got the decision.

SENATOR MACPHERSON DEAD.

[SPECIAL TO GLOBE.]

OTTAWA, Aug. 21.

Senator MacPherson died at sea on his return to Canada.

YACHTING ON THE LAKES.

TOLEDO, Ohio, Aug. 21.

The trophy for which the yachts are to compete next week arrived from Tiffany's last evening and is even more beautiful than had been anticipated. The Canada has arrived in port and is in dry dock, where she will be thoroughly cleaned. Then the yacht will be sent over the course on two or three trials. No changes will be made in the Canada's racing trim, but the Vencedor has a brand new set of canvas, which will be tested. The Canada's canvas is said to be in excellent shape. It is stated that Messrs. Berrimin and Jarvis have arranged to divide the $1,500 purse, the winner to get 60 per cent. and the loser 40 per cent. The proposition, it is said, came from the Canadians and was accepted by the Chicago contingent. The division of the money was instigated by a desire to stick by the sportsmanlike methods heretofore adopted by both clubs in racing. Neither has ever raced for a cash prize and they did not wish to race for money. A slight change has been made in the course, and the start will be four miles from the entrance to the straight channel. This starts the boats six miles east of Turtle Light and on the first leg the boats will run off well toward middle Sister Island. Joseph Ruff, who has held the watch on Chicago yachts ever since the days of the old Chicago Yacht club, has been appointed official timer for the international regatta next week. Mr. Ruff is official timer for the Columbia Yacht club.

LONDON, Aug. 21.

Gen. John Winburn Laurie, M. P., sailed to-day in the Allan line steamer Parisian, from Liverpool for Montreal. He is going to Ottawa in connection with the plan for the establishment of a new line of fast mail steamers, and also to discuss the question of extending the naval reserve system to the colonies. Gen. Laurie is well known to Canadians. Is Major in the Second Queen's Royal Regiment he was on special service in Canada in 1861. In 1862 he was a colonel in the Canadian Militia, and he held a command in the Canadian Northwest rebellion. He was inspecting field officer in Nova Scotia from 1862 to 1881, president of the Central Board of Agriculture of Nova Scotia, warden of the Halifax Council and a member of the Canadian Parliament.

A DEMOCRAT FOR M'KINLEY.

TAYLORVILLE, Ill., Aug. 21.

United States Senator John M. Palmer (Democrat) stated yesterday that it looked now as though the National Democratic convention would adopt a platform and then adjourn without naming a ticket. In that event, the Senator thought most of the sound money Democrats would vote for McKinley. He would advise all of them to do so. He said: "I think protection is absurd, but I would rather have McKinley on that issue than risk Bryan and free silver."

THE BRITISH TURF.

LONDON, Aug. 21.

HARBOR IMPROVEMENTS.

Still no decision as to who will do the Sand Point dredging. Engineer Ridgway, of the Morris & Cummings Dredging Company, is now in communication with his employers regarding modifications in the offers previously made, and already published in the GLOBE. The offers were considered somewhat steep by the advisory committee. They were based on plans furnished the company before Engineer Ridgway left New York. It is possible his personal examinations may lead to some reductions. His final offer is expected to-night or to-morrow morning, and then the advisory committee will consider all the plans and make a decision as to who shall get the work. This morning Engineer Ridgway and City Engineer Peters visited the dumping ground. Mr. Ridgway will ask, if he gets the contract, to be allowed to dump outside first, as the season is rapidly approaching when to go outside with scows will be dangerous and often impossible. His company's tender is understood to include dumping the dredged material, and its acceptance will do away with the necessity of a contract with Engineer Foster on behalf of the Lidgerwood Manufacturing Company. Engineer Holt and Engineer Foster are still in the city awaiting final action by the city.

The C. P. R. has not yet furnished an engineer to superintend and carry on the work. A St. John man, Mr. W. E. Earle, C. E., is an applicant for the position, and many old friends here would like to see him appointed. Mr. Earle has done considerable work for the C. P. R. He has also worked in the far West, and for three years past has been engaged by Mr. Cram on the Bangor and Aroostook road. Mr. Earle is now in the city and to day called upon Mayor Robertson with reference to the matter.

A MOORISH CONSPIRACY.

LONDON, Aug. 21.

A despatch to the Central News from Tangier says that a plot has been discovered at Marrasch, aiming at the dethronement of the Sultan of Morocco, Mulai Abd El Aziz, in favor of his elder brother, Muley Mohamet. Four provincial governors have been murdered by the plotters. Wholesale arrests have been made in connection with the conspiracy, and a general state of terror prevails among the inhabitants.

WOMEN'S BAPTIST MISSION UNION.

Annual Meeting at Berwick.

[SPECIAL TO GLOBE.]

BERWICK, N. S., Aug. 21.

The executive of the Women's Baptist Missionary Union held their annual meeting in Aberdeen Hall last evening.

The president, Mrs. J. W. Manning, St. John, presided. After devotional exercises Mrs. M. Smith, of Amherst, presented the annual report, which was so highly satisfactory and of so encouraging a character that the audience sang most heartily at the close the doxology.

The report showed an increase in receipts for foreign missions over any previous year of the union's existence. All appropriations made at the last convention had been paid, and a balance of upwards of $1,900 remains in the treasurer's hands.

The report showed that thirty-two persons had become life members during the year, from which the sum of $800 had been received into the treasury.

The idea of the support of individual native teachers and pupils was carefully considered, and after discussion, in which a number of ladies participated, including Miss A. C. Gray, returned missionary from India, it was decided to discourage such a course.

The following appropriations for the several objects were made for the ensuing year:

Foreign missions, $7,000; home missions, $1,600; Grand Ligne, $400; Northwest, $600; Indian work in the Northwest, $100.

India, $850; home work, $300.

Five lady missionaries are under appointment to the union, and $700 have been appropriated for their passage to India and $1,200 for Mr. Morse's salary for general work.

Mrs. Hulda Snell Renounces Her Claim to the Estate of the Late Millionaire Andrew J. Davis.

SAN FRANCISCO, Aug. 20.

Mrs. Hulda Snell has renounced her claim to the estate of the late Andrew J. Davis, of Butte, Mont. Mrs. Snell claimed to be the wife of the millionaire, and that he had deserted her years ago. Detective Stillwell has been working on the case for three years in Mrs. Snell's interest, and his investigations have proved that there were two men named A. J Davis. Both were miners, both worked in California, and they strongly resembled each other. He found, however, that the A. J. Davis who was Mrs. Snell's husband was not the Butte millionaire, but that he had died twenty-one years ago. Mrs. Snell will accordingly make no further effort to obtain the Butte millions.
