LAURIER AT MONTREAL.

WILL SPEAK IN ST. JOHN'S FOR MR. TARTE.

A Discovery at Ottawa—Judge King's Appointment.

[SPECIAL TO GLOBE.]

MONTREAL, July 24.

Premier Laurier and his colleagues, Messrs. Tarte, Geoffrion and Fisher, will be given a reception at St. John's to-morrow on the occasion of the public meeting called in the interest of Mr. Tarte, who is seeking election in lieu of Mr. Frs. Bechard, raised to the Senate.

The premier will go out in the morning and on his arrival will be presented with an address of welcome by Mayor Ocain, after which he will be escorted by a procession to the wharf for a sail up the Richelieu River, all yachts available turning out for the occasion. The speech making will take place in the afternoon at the driving park. In the evening the ministers will be entertained by Hon. F. G. Marchand, M. L. A., leader of the Local opposition.

The Liberals are contesting the following seats held by Conservatives in this province: Pontiac, Terrebone, Montcalm, Three Rivers and St. Maurice, Champlain, Montmorency, Sherbrooke, Beauharnois, Nicolet, St. Antoine and St. Ann divisions of Montreal and Jacques Cartier, leaving but three seats on which a decision has not yet been arrived at—Stanstead, Compton and Dorchester. General corruption and bribery is alleged, but in the seats of the Three Rivers district undue clerical influence will be specially alleged.

OTTAWA, July 24.

The other day in making the round of his department Mr. Tarte entered one room, the draughtsmen's, ahead of his deputy and found a dozen clerks gathered round one of the last issues of a Paris illustrated paper looking at "something good." Another had his feet cocked upon a table reading the morning paper, while of the fifteen clerks in the room only one was at work. Not knowing the new minister the gentleman who was resting his feet so early in the day returned his salutation coolly, but when the deputy entered and introduced Mr. Tarte the chagrin on his face may be imagined and the others were equally thunderstruck.

The appointment of Mr. Justice King, of the Supreme Court of Canada, as British commissioner in the arbitration of the Behring Sea claims for damages was made by an order-in-council at the request of the British government and in pursuance of the act passed last session by the Canadian Parliament, and the doubt raised in some quarters of the ratification of the order-in-council by the new government is not well founded. Judge King will be our commissioner. The commission meets at Victoria, B. C., shortly.

Answers have been received at the department of militia from many of the deputy adjutants general throughout Canada in reply to the request of the department for their opinion of the desirability of holding camps of instruction in September. The opinions are divided, but many of them are opposed to September camps. All the answers, however, are not yet in.

An official list of members of the House of Commons, first session, eighth parliament, has been issued subject to correction.

Mr. Edgar's new chair as Speaker has been placed in the House of Commons. It is made of oak and upholstered in green plush. It is handsomely carved, having the Canadian coat of arms on the back, and the uprights are surmounted by carved lions holding in their paws the shield of Britannia.

The Premier left for Montreal after holding council for an hour and a half.

Sir Richard Cartwright intends to leave to-night for the west.

UNITED STATES POLITICS.

ST. LOUIS, Mo., July 24.

In the silver convention Thursday afternoon a call of States was made to show the previous political affiliations of the delegates. It showed 496 bolters from Republicanism to Bryan, Independents 12, Nationalists 1, Greenbackers 1, Prohibitionists 9, Populists 47, Democrats 135. An extract of a speech made by Mr. Blaine several years ago was read by the secretary in which Mr. Blaine declared for demonetization and free coinage of silver. The platform states: "We are unalterably opposed to a single gold standard and demand immediate return to the constitutional standard of gold and silver by the restoration by this government of unrestricted coinage of both gold and silver into standard money at a ratio of 16 to 1, and upon the terms of exact equality as they existed prior to 1873, the silver coin to be of full legal tender equally with gold for all debts and dues. We demand the payment of all coin obligations of the United States as provided by existing laws, in either gold or silver coin, at the option of the government and not at the option of the creditor. We confidently appeal to the people of the United States to unite in one supreme effort to free themselves and children from the domination of the money power. We recommend that this convention nominate William J. Bryan, of Nebraska, for President and Arthur Sewall, of Maine, for Vice-President."

In the Populist convention Thursday afternoon Sanator Allen, of Nebraska, was chosen permanent chairman, the vote being 758 to 564 for James E Campion, of Maine. This was a victory for the Bryan men.

As a result of the great inroads that have been made upon the anti-Bryan forces in the Populist convention it seems now that the nomination of both Bryan and Sewall is assured.

At the Populist convention this morning Mimms (Tenn), Pellet (Ky.), Burkett (Miss) and Gibbs (Texas) were mentioned for Vice Presidential candidates. The chairman suspended all business at noon until order should be restored.

The silver convention at 12.37 adjourned until 3.30 p. m.

CHICAGO, July 24.

The sound money Democratic conference has decided to issue a call for a new convention.

ATTACKED THE GOVERNMENT.

An Irish Conservative Assails the Salisbury Cabinet.

LONDON, July 24.

The sitting of the House of Commons which adjourned at 4 o'clock this morning was remarkably orderly except in the case of an indignant speech delivered by Rt. Hon. Edward H. Carson, Conservative, who attacked the government's methods in regard to their procedure with the Irish land bill. Mr. Carson's remarks were very bitter. He charged the government with having systematically rejected the amendments offered by or on behalf of the Irish landlords and accepted those of the Home Rulers and also accused them of having changed their opinions for the sake of holding office. Rt. Hon. A. J. Balfour, First Lord of the Treasury, denied the truth of the accusation made by Mr. Carson. He declared that as a practical man he was obliged to consider what could and also what could not be done. Unless there were fewer amendments to the measure, he said, the passage of the bill would be endangered. After Mr. Balfour's reply to Mr. Carson, most of the amendments which had been prepared by members were withheld. When the bill had passed the committee stage Mr. Timothy M. Healy made a speech in which he paid a high tribute to the skill and industry displayed by Mr. Gerald Balfour, chief secretary for Ireland, in dealing with the measure.

Maroczy had a bye. The game which was left unfinished at the afternoon sitting yesterday between Winawer and Charousek was drawn after 84 moves late last night.

THE EXTREMELY LOW PRICES have made a week of quick selling. Buyers know great values and are not slow in securing their needs. To-day and Saturday will note old-fashioned crowds of buyers. Neighbors and friends have been showing their purchases. That's the way with our goods. Sure to influence others. We believe we can't do a better thing than keep before you the real merit in buying one of those Worsted or Cashmere Suits. There's very little difference in price. That which formerly sold for $16.50 now $10 00; the $15.00 for $8.50. Never since we've been in business have we given greater value. It's not the question of profit. It's the clearing up of summer stock.

THE LARGE STOCK OF CHILDREN'S BLOUSES has been greatly reduced these last few days; no wonder. See what they are selling for—50c. up to $1.50; elsewhere you'll pay from 75c. up to $2.25.

THESE SATEEN SHIRTS won't last much longer at 35c; worth double.

MEN'S SUMMER VESTS are here for $1.00; former prices for the same goods, $2.00 and $3.00.

CLOTH IN THE PIECE FOR MAKING TO MEASURE.—It's to be sold as well as all other stock. Never expected to go down to $16.50 for what we sold at $20.00, $22.50 and $25 00. So it is. It keeps stocks moving and employs our work-people. Not thinking of profit now.
