St. John Globe

ST. JOHN, N B., AUG. 18, 1896.

SUNBURY AND QUEENS.

From the account of the proceedings at Gagetown on Tuesday, published elsewhere, it appears that the wishes of those who initiated a campaign of personalities are to prevail. Political issues do not seem to have figured to a very large extent in the discussions. Perhaps this is not strange in view of the fact that the political questions were all threshed out only a short time ago, when the electors decided in favor of the Liberal party. In this campaign the Conservatives started warfare of a personal nature, and they can have no cause of complaint when they are met on their chosen field and with their own weapons and vanquished. The honors yesterday fell to the Liberal speakers. As to the probable result of the election, judging by what was seen and heard at the shiretown, there can be no possible doubt of the defeat by a large majority of the Conservative candidate. Mr. Wilmot has been deserted by the Hon. W. E. Perley and other party men of prominence, and is almost completely in the hands of partisans in Fredericton and St. John who have forced on this contest for their own purposes.

FOR SOUND MONEY.

The split in the Democratic party on the currency question will be evidenced by the publication of an address just issued by the sound money wing. This paper is signed by ten prominent Democrats who designate themselves the executive committee of the National Democratic committee. After reviewing the history and principles of the party the address goes on to say that

—the delegates to the convention held at Chicago were authorized and had the power to proclaim a platform embodying their views on the true solution of the particular problems of the government now agitating the nation, but upon the condition that such platform should be consistent with the cardinal principles held by the party throughout its existence. These principles constitute the essential element of the party's life. They distinguish it from all other political organizations. If they are abandoned the party ceases to exist. It was, therefore, not within the power of the majority of the delegates assembled at Chicago to bind the Democrats of the United States to a platform inconsistent with the party's principles or to any action that should result in their surrender. In violation of the trust committed to them a majority of the delegates assembled in that convention, ignoring the rights of the minority, unseated regularly elected delegates to make places for others in sympathy with themselves. They proclaimed a sectional combination of the South and West against the North and East. They impeached the honesty and patriotism of President Cleveland, who, under exceptional embarrassments, produced by past errors of legislation, has heroically maintained the honor and integrity of the republic. Against the protest of one-third of the delegates they promulgated a platform at variance with the essential principles of the Democratic party. This platform is, in its policies, dangerous to the welfare and life of free government. It is mischievous in its tendencies.

The address denounces the silver fallacy, and declares that the policy of the Chicago convention on that question invites ruin and confusion. The platform of the convention, it also says, "assails the independence of the judiciary by a covert threat to reorganize the courts whenever their decisions contravene the decrees of the party caucus. It seeks to allure office-seekers and spoilmen to its support by attacking the existing civil service laws which good men of all parties have labored so long to establish and to extend to all departments of the public service." Having thus departed from recognized Democratic faith and promulgated doctrines strange to the democracy, all Democrats are absolved from obligation to support its programme. A strong appeal is made to electors to restore the name Democrat to "its former meaning and proud distinction." To this end all Democrats opposed to the platform adopted and the candidates nominated at Chicago are requested to organize in their respective states and to send representatives to the convention of the National Democratic party to be held at Indianapolis on September 2nd. The new movement is making much progress, and must have a tremendous influence in the campaign.

CONSERVATIVE TROUBLES.

The dissensions in the Conservative party in the upper provinces continue. While one faction declares that remedial legislation is a thing of the past, that the party has washed its hands of it, another section insists that it is still a potent factor in politics. The *Presse*, a leading Conservative paper, taking note of the attitude of tory leaders in the North Grey campaign, says the extreme faction of its own party has given proofs of its want of sincerity, and now proposes other action dangerous to the party. It says that those who believed that Messrs. Haggart, Montague and Foster were sincere in their acquiescence in the ministerial programme are greatly mistaken. The *Presse* says that the defeat of the government was due entirely to the lack of esteem that the people had for the bolters and the fanatics who supported them, that when Mr. Taylor had his "round robin," signed by forty members to put the knife in the throat of the First Minister, he gave his party a blow from which it could not recover, as it destroyed that confidence without which no political organization can be maintained, and that if the fanatics wish to rule absolutely they will find that they are but a feeble minority, powerless to impose their views and incapable of regaining power. This is plain speaking, which the Conservative party will probably heed before it goes much further. It must puzzle the *Presse* as it puzzles a great many people how a party that declared it had a great constitutional grievance to remedy a few weeks ago can now declare it has no business with that grievance and the remedy they themselves proposed.

THE DEATH ROLL.

The despatches within the last twenty-four hours have recorded the death of two distinguished persons—Miss Mary Abigail Dodge, better known as Gail Hamilton, and Frederick Nicholls Crouch, the author of "Kathleen Mavourneen." Miss Dodge was one of the few literary women of the United States who have won distinction as political writers. She had written a good deal for the magazines and the press on general topics, but it was as a force in politics that she acquired a national reputation. Her advocacy of the Republican party principles meant a great deal to that party. Miss Dodge was born in Somerset, Mass., in 1830. Prof. Crouch has been almost forgotten of late, though in his day he was one of the most famous musicians and composers in the world He was a born musician. His grandfather was an organist, and at nine the grandson played the bass in a theatre orchestra. At 21 he was violoncellist before Rossini and a little later he was at the Drury Lane in London, famous and accomplished. He composed many popular ballads, but the greatest success was "Kathleen Mavourneen," from which $75,000 has been realized without benefiting the author one cent. For many years Crouch has been in poverty and in retirement.

SHOOTING AT SUSSEX.

TIE FOR THE PRINCE OF WALES CUP

Prizes Coming to St. John—Weather Favorable for Marksmen.

SUSSEX, Aug. 19.

The weather yesterday afternoon remained fine and warm, but the wind freshened and blew somewhat stronger, although hardly strong enough to interfere with the shooting. A large number of visitors, among whom were many ladies, some of them from St. John, watched the firing, remaining throughout the Domville match and the first range of the Prince of Wales contest. The shooting in the former match was hardly up to last year's standard. This year marksmen with a score of 53 points won prizes, while last year 57 points was counted out Much interest was manifested in the 200 yards range of the Prince of Wales contest. The men fired standing up and found it decidedly different from the kneeling or lying position. The highest score was made by Leigh Langstroth, who made 31 points out of 35 The lowest was in the vicinity of 9 The match will be finished to day. The tie for first place in the all comers match, between Trooper A. Langstroth and Private A Laflin, was shot off this afternoon at 500 yards and was won by Langstroth, who made three "bulls," or 15 points. Laflin's score was 9 The Domville match, for the cup presented by Lieut.-Col. Domville, 8th Hussars, and $125, open to all members and associate members (the cup restricted to bona fide residents of the province and to be held for the year by the winner) resulted as follows:

The Prince of Wales contest was concluded and resulted in a tie for first place between Major J. T. Hartt and Private L Langstroth. Much interest was felt in the shooting and great crowds gathered round the two marksmen as they fired their last shots. The tie will be shot off from the 500 yards range later. Notwithstanding the activity of the warships engaged in patrolling the coast of the island, the landing of filibustering expeditions continues. The latest expedition to safely land has got ashore on the coast of Pinar Del Rio. The news of the landing of this expedition reached here last evening. It is said that the expedition was an important one, though the place from which it sailed is not stated.

DAVENPORT SCHOOL.—S. C. Lee, Esq., B. A., Trinity College, Toronto, has been appointed mathematical and science master at the Davenport School. Mr. Lee secured the Governor General's medal for highest honors in physical and natural science. The school will re open after the midsummer holidays on Sept. 1st.

IN FINANCIAL DIFFICULTIES.—Mr. J. M. Johnson's local creditors met a few days ago to consider his affairs. Mr. Johnson is a partner of the firm of H. C. Grant & Co., Calais, whose failure has been brought about through the Eaton & Co. failure in Boston. Mr. Johnson's liabilities in this city are not heavy.

A DIVIDEND.—Sheriff Sturdee is winding up the estate of Robert B Gilmour, paying a dividend of 19½ per cent. The claims proved aggregate $2 152 30. The estate yields $971 67. Out of this disbursements of $551 61 were made, including $400 for rent, leaving a balance for the creditors of $420 06.

THREE PICNICS will go out to morrow. They are St. Paul's church to Watters's Landing; St. John's church to Nauwigewauk, and the Carmarthen street Methodist church to Lulgate Lake.

OPENED WELL.—The opening of the bazaar in St. Rose's hall, Fairville, Tuesday evening, was very successful. There was a large attendance, and the receipts were satisfactory. A prize is offered for the most popular mill crew, the competition being between King's, Woodman's (two mill crews), Dunn & Gregory, Cushing's, Barnhill's, Baker's, and Stetson, Cutler & Co.'s, Pleasant Point.

THE FUNERAL of the late Mr. John Howe took place this afternoon from his residence on Elliott row and was quite largely attended. Rev. J. de Soyres conducted the services at the house and at the graveside in the Church of England graveyard, where the remains were laid to rest. The pall-bearers were: Messrs James Reynolds, P. Sharkey, James Thompson, James Rogerson, John Hipwell and Chas. Clark.

ST PHILIP'S CHURCH.—The Nova Scotia Annual Conference of the A. M. E. church opens at St. John next week. There will be a reception given in honor of Rt. Rev. Bishop Abram Grant, D.D., of the African Methodist Episcopal church, on the 27th inst. at St. Philip's church. The programme for the occasion consists of addresses, solos, duets and recitations. Tea will be served to all holding twenty five cent tickets The public is cordially invited to be in attendance.

THE HARBOR WORK.—"To-morrow" has been the answer of the civic authorities for more than a week to any questions as to when arrangements would be completed regarding an American dredge. It was the answer given to-day, but this time there is a reasonable hope that it will prove correct, because the New York engineer is to arrive to-day and then everything should be settled. The committee did not meet at all. Engineers Foster and Holt are still here.

IN WESTERN SCHOOLS.—Friends of Major and Mrs. W. S. Morris, formerly of Fredericton, will be glad to read of the success of their children in the schools at Lethbridge, N W. T. Recent examinations show the Lethbridge schools lead all others in the Northwest, and one of the two leaders in the higher department of the Lethbridge school was Winnifred Morris. Her younger brother, Otter Morris, also passed a most successful examination for promotion into the entrance class.

MRS. GENERAL TOM THUMB and her interesting company of diminutive actors gave a second entertainment in the Opera House on Tuesday evening, and like the first performance was much enjoyed by the audience. The programme is varied and full of interest from beginning to end. At the close of to day's matinee the distinguished little lady held a reception on the stage. Another performance will be given this evening, and all who wish to spend a couple of hours pleasantly should attend.

To accommodate the children a matinee will be given to-morrow (Thursday) afternoon.

THE PRIVATE BASKET PICNIC at Watters's Landing on Tuesday was well attended, 75 couples being present. In the ladies' foot race Miss Lizzie Hayes won. Mr. Robert Aitken won the gentlemen's foot race. The tug of-war was won by Messrs. F. Watters, F. Trainor, W. Fitzgerald, Austin Powers and John Kain. An orchestra supplied music for dancing. The party returned to the city by steamer Olivette, arriving at 9 o'clock, after spending a very pleasant day. The committee consisted of Messrs. J. M. Elmore, J. P. Abbott, Charles E. Gormley, Jas. J. Tole and Walter Pyne.

ACCIDENTALLY SHOT.—Mrs. D. N. Vanwart, of this city, who was accidentally shot Tuesday while at the grocers' picnic, was much better to day. Her injuries are not at all serious and she will soon be well again. Mrs. Vanwart had a narrow escape from a much more serious and perhaps fatal injury. She was working in a refreshment booth near where some persons were shooting with an air gun. One of the missiles went wide of the mark and entering the booth through an opening struck Mrs. Vanwart in the thigh, inflicting a painful wound. Dr. Andrews rendered the necessary surgical assistance.

THE NATURAL HISTORY SOCIETY has lately received from Fred J. McNaughton a handsome donation of fossil plants from the Joggins Mines, N S. The specimens represent the principal plants of the carboniferous age, such as pine trees, ferns, calamites and club-mosses. In the coal period none of the higher orders of flowering plants are found, but plants similar to pines abound. Ferns also were plentiful, and many beautiful ferns are known. The collection contains some fine specimens, and will be added to the growing geological section of the museum.

THE FERRY TRUST.—There are rumors of an equity suit soon to be started that will cause considerable excitement among the colored population of this city. When St. Philip's church was built a sum of money was raised and what was over, known as the Ferry Trust, was left in the hands of trustees. The report is that the trustees have not administered the fund properly and have refused to make reports, etc., as required. Rev. Mr. Henderson, the pastor of St. Philip's church, has been consulting Mr. A. W. Baird and it is understood the pastor and congregation of St. Philip's will join in a suit in equity to secure new trustees and get possession of the money.

THE GARDEN PARTY at Hampton on Tuesday, under the auspices of the Methodist church congregation, was a grand success. The party was held on the beautiful grounds of Mr. W. Ritchie and was very largely attended, many persons being present from this city and from points along the line of the I. C. R. Ice cream, fruits, candy and cooling drinks were sold during the afternoon. At 6 o'clock a bountiful supper was served. The tables were crowded and the young lady waiters kept on the jump. At 7.30 the Hampton band, which had been playing on the grounds during the afternoon, headed a procession to the rink, where an enjoyable entertainment took place. The rink was tastefully decorated with flags and flowers, and presented a most attractive appearance. A splendid musical and literary programme was carried out. Some of those who took part were: Mr. and Mrs. Clements, Philadelphia; Mrs. Taylor, Rothesay; Miss Drake, Boston; Prof. H. Travers, Boston; Prof Robertson and L. W. Peters. Many of the numbers were heartily encored, and everybody was delighted with the afternoon and evening's programme.

HE IS A FAKIR.—A deaf and dumb man is collecting quite a lot of money in this city and the public is warned against him. The fellow is working quite an ingenious scheme and usually succeeds in getting a subscription. He has a subscription book and a copy of the printed list of subscribers to the Fredericton Deaf and Dumb Institution—a reliable and deserving institution. He is calling on all whose names appear on the printed list, and showing them what they gave last year usually gets a similar subscription. The man's subscription book has a number of the leaves already filled up securely fastened to the cover, and the page presented to the person solicited does not show who the money is for. A merchant who took the precaution to look through the book discovered that the man was not connected with the Fredericton institution at all, but was collecting in the name of the Abell institute, which is not now in existence and never was deserving of public support. The book showed that large sums had been collected in P. E. Island and that many St. John persons, chiefly in the North End, had subscribed. Citizens are warned, as they have been many times warned, not to subscribe to the Abell institute, and it would be well if this collector was handed over to the authorities.

ROYAL TEMPLARS.

The Royal Templars of Temperance met in annual session Tuesday evening at Gordon Division hall. The attendance was fair. The reports submitted by the secretary and treasurer were of an encouraging nature and showed that the order is making satisfactory progress. Several new councils have been instituted during the year and there have been large accessions to the membership. Committees were struck and considerable business was transacted.

The convention opened this morning with prayer. P. G. C. Thompson occupied the chair. The credential committee reported favorably on Mr. G. S. Fry, of Sackville, and he was admitted. The report of the audit committee, showing a balance of $100 on hand, was submitted. The roll of delegates was made up and found to be as follows:

Dr. E N. Davis, St. John; L. Riley, Carleton; P. Dayer, Westmorland and Cumberland; Harry Sellen, Portland; Dr. Hamilton, Halifax; Rev. D Fiske, Florenceville; F English, Peerless; Millie G. Young, Fay; Lizzie E Brewer, York; J. P. Clayton, Haymarket Square; Mrs. W. L. McFarlane, York; Edwin Ashford, Star; D J Shapley, Pioneer; J. A Thomson, Star; G S Fry, Sackville.

The following committee were appointed:

Sick and funeral benefits—Messrs. Todd, Siminson, Riley and Thompson.

Political activity—W. T L Read, Rev. D Fiske, J. Bryenton, Rev. A. E. Ingram and J H Lamb.

Templar committee—Edwin Ashford, G S. Fry, W L McFarlane, Miss L. B Brewer, Miss M. G Young.

A public temperance meeting will be held in the Reformed Baptist church this evening at 7 30 o'clock, at which J. A. Thompson will be chairman. Mr. C. A. Everett will deliver an address of welcome on behalf of local temperance organizations and will be replied to by A. M. Featherstone, of Montreal, on behalf of the Royal Templars of Montreal. There will be addresses by J. H. Land, Rev. Mr. Fiske and other prominent workers.

PEOPLE'S PASTMES.

Cricket.

The Homestead, Pa., team played at Hamilton, Ont., on Monday and were beaten. On Tuesday they played the Toronto C. C. and suffered another defeat.

Base Ball.

Anson has made over one hundred hits this season.

The Boston club is playing better ball and may crawl up a few pegs yet. They have a good man in pitcher Klobedanz, whom they lately secured from Fall River.

The Alerts and Roses play on the Shamrock grounds on Thursday.

On Saturday the St. Johns will play the Tartars, of Fredericton. This game should be very interesting, for if the Tartars win it will make their hold on the championship much stronger.

Tuesday's national league games resulted as follows: Baltimore 9, Philadelphia 2; Brooklyn 5, Boston 1

The Yachting Disaster.

Capt. Gomes, skipper of the Meteor, ascribes the collision of the Meteor with the Isolde to the fact that the Britannia did not make way for the Meteor to pass the Isolde.

Aquatic.

The McLeod-Sullivan crew declined to row in the race at the grocers' picnic Tuesday, but the Belyea crew gave the St. John a fine race. The latter won. The Belyea men did finely to the turn, but there had trouble with their steering gear, and many people believe the delay lost them the race. The yacht race was won by the Wapiti, with the Gracie M. second and Majorie third.

A dingy race between boats owned by Messrs. Bennett and Killen and Doyle and Lahey was rowed in the harbor Tuesday evening. The purse was $10 a side, but a foul occurred and the race is to be rowed over again on Friday, the stakes being increased to $20 a side.
