FAST ATLANTIC SERVICE

Contract Has Not Been Signed—The High Commissionership.

[SPECIAL TO GLOBE.]

OTTAWA, July 15.

The report that the late government signed a contract with the Allans for the proposed fast Atlantic service is not true. No contract with any of those who tendered has been signed. The matter will now be considered by the new government and that at an early date.

Lt.-Col. Matthew Aylmer, who has been appointed Adjutant General, has been Assistant Adjutant General, and was simply promoted.

No doubt is entertained by anyone that Sir Donald Smith will at once place his office of High Commissioner at the disposal of the Premier. It is of course a political office. As your correspondent stated at the time Sir Donald accepted the position reluctantly and only until July 1st.

EZETA IN DANGER.

Attempt to Murder the Ex-President of San Salvador.

SAN FRANCISCO, July 15.

An attempt was made to assassinate Carlos Ezeta, ex-President of San Salvador in the dining room of his hotel yesterday. The ex-President was seated at the table with a few of his friends when Pedro Jiminez, a native of Salvador, entered the room. The intruder walked directly to Ezeta's chair, and as the latter faced about Jiminez spat in his face. The ex-President sprang to his feet to resent the insult, when Jiminez drew a revolver and levelled it at Ezeta's breast. The former dictator of Salvador, Carlos Ezeta, retained his presence of mind, and seizing a chair, he held it over Jiminez's head and dared him to fire. In another moment the would-be assassin was disarmed by Ezeta's friends and hurried from the room. Jiminez was arrested and stated that he was formerly district attorney of Salvador under Ezeta's administration. While acting in this capacity he incurred the displeasure of the dictator, who put him to torture. The ex-President denies the prisoner's statement and expresses the belief that Jiminez is an emissary of President Gutierrez, of Salvador, who construes Ezeta's presence in San Francisco as a menace to the Salvadorean government.

BRITISH POLITICS.

Government Difficulties Over the Irish Land Bill.

LONDON, July 15.

In the House of Commons to-day Gerald Balfour, Chief Secretary for Ireland, announced that the government withdrew those sections of the Irish Land Bill relating to procedure before land courts and defining improvements upon landed property whether made by landlord or tenant. Labouchere and Morley asked what were the intentions of the government in case the bill should not be passed before the middle of August, when the House is to adjourn. Balfour replied he did not know what would be done in that event. Sir William Harcourt delivered a fiery speech, denouncing the government for their gross mismanagement of public business.

VANDERBILT'S CONDITION.

NEW YORK, July 15.

Cornelius Vanderbilt, sr., who was stricken by paralysis yesterday. passed as good a night as could be expected, and his condition this morning lent great confidence to the opinion of the physicians expressed last night that he will ultimately recover. His son's condition continuest to improve.

LOCAL NEWS.

WERE NOT PROSECUTED.—The police authorities did not prosecute the men who were suspected of having obtained drink at Mrs. Donovan's, Union street, Sunday. It is stated that the drunkenness complained of in that locality was not the result of drinking at this house, but was the effect of liquor selling in other places on Saturday night.

PERSONAL.

Prof. W. F. Stockley will leave Saturday for Ireland to visit relatives.

Sir Charles Tupper passed through the city this afternoon on his way to Halifax.

It was Mr. John Galey whose eye was injured by the accident in Carleton yesday.

GOV. FRASER'S HEALTH.

Reports Have Been Exaggerated—Local Politics.

[SPECIAL TO GLOBE.]

FREDERICTON, July 15.

Enquiries made of Governor Fraser's physician, Dr. Coulthard, and at Farraline Place to-day indicate that the alarming reports which have been printed in some of the newspapers are unfounded. His Honor suffered from an attack of bronchitis, which at first was quite severe, but he has been steadily improving for the past ten days and is not now confined to bed. Indeed, he has arranged to leave with Mrs. Fraser in a few days to spend a few weeks at some resort on Bay Chaleur.

There have been no new developments which have come to light in local political affairs during the past few days. Attorney General Blair is expected here this evening, as are also Hon. Messrs. Mitchell, Emmerson, White and Dunn, and Hon. Mr. Tweedie and other members will arrive either this afternoon or to-morrow morning. There is good authority for the statement that Mr. Mitchell will be called upon to form a government, and that Mr. Tweedie will take the Provincial Secretaryship, with a view to promotion to the Attorney Generalship and Premiership later on, in the case of Mr. Mitchell retiring through ill-health. It is also said that J. T. Allan Dibblee, of Carleton county, will be taken in as Surveyor General. Other portfolios will remain in the hands of the present incumbents.

Dr. W. H. Steeves, of St. John, is here arranging to open dental offices in Fredericton. He has leased offices now occupied by Black, Bliss & Nealis.

MARITIME COLT STAKES.

Races Will Go to Amherst—Oarsmen for the Carnival—Prisoner Extradited.

[SPECIAL TO GLOBE.]

HALIFAX, July 15.

Tenders were opened for the Maritime Colt Stakes to-day. The races were awarded to Amherst, the tender being $460. Halifax offered $300.

The English oarsmen who arrived via New York this morning, got on the water this afternoon for their first practice.

Deputy Chief of Police Nickerson arrived from New York this morning, having in custody Ernest Leathlan, charged with embezzling from H. M. S. Buzzard. The alleged crime was committed while the ship was at Jamaica, Leathlan skipping to New York, from which place he was extradited.

Vice-Admiral Erskine has refused to allow the dockyard to be open to the public during the carnival races.

CONDENSED DESPATCHES.

British ship Curfew, from Dundee, has been lost in the Red Sea with all on board.

The English yacht Valkyrie III. passed quarantine, Staten Island, at 11 20 a. m. in tow of the tug L. Pulver, homeward bound.
