BAPTIST CONVENTION.

FIFTY-FIRST ANNUAL GATHERING AT BERWICK

Meeting of the B. Y. P. U.—A Satisfactory State of Affairs.

[SPECIAL TO GLOBE.]

BERWICK, N. S., Aug. 22.

The fiftieth-first annual meeting of the Baptist convention of the Maritime Provinces was opened in the house of worship of the Berwick Baptist church to-day at ten o'clock a. m, J. Parsons, Esq, M. A., president, in the chair. The hymn beginning Sacred Lord we Meet was sung. The president read the 67th psalm. Prayer was offered by Rev. S. W. H. Warren, Augustus Freeman and A. C. Chute. The president declared the convention open, and and called on the assistant secretary, Rev. W. C. Goucher, to read the list of delegates. About 400 delegates were in attendance.

Revs. Ralph Trotter, of British Columbia; A. Chapman, Vermont; Hall, of Portage la Pairire; C. R. Minard, Mass.; Rev. Professor Reid, of Colby University, and others were invited to seats with the delegates. Communications were read. Professor Kierstead, secretary of the convention, but at present at Chicago taking special studies, resigned his office owing to unavoidable circumstances.

Nominations for the office of president were received. Rev. G. O. Gates was elected. A motion passed that the convention appoint a nominating committee. The report of the committee on the publication of the year book for 1896 was read by B. H. Eaton. Two thousand copies were printed and circulated. The amount received and expended was $343 37.

The financial report of the Maritime Baptist Publication Co. (L'td) showed receipts, $9,407 67; assets, $21,795 80; disbursements, $10,824 29; assets over liabilities, $9,449 51.

The committee on obituaries reported the following ministers died during the year: Rev. Perese F. Murray, Milton, Queens county, N. S; Rev. E J. Filmore, Albert county, N. B.; Rev. Solomon Smith, Kent county, N. B; Rev. Benjamin Jewett, Hartland, Carleton county, N. B.; Rev. I. J. Skinner, Milton, Queens county, N. S. Reference was also made to the death of Mr. Godfrey Payzant, Windsor.

The prayer meetings of the B. Y. P. U. at 6 30 and 9.30 a.m. were largely attended. The B. Y. P. U. held their first business meeting at 9.20 a. m. After prayer by Rev. Mr. Martell, Secretary Rev. F. H. Beals read the annual report, which showed the most successful year in the history of the union. Last year six societies were reported, this year 122; total membership 6,912. The financial report showed the total receipts for the purposes of the union, $16,408; surplus, $8,254.

The nominating committee recommended as officers for the year 1896-97: President, Mr. A. E. Wall, Moncton; first vice-president, Miss Ida Hooper, Summerside, P. E. I.; second vice-president, Miss Lottie Parker, Berwick; secretary-treasurer, Rev. H. G. Estabrook. Executive: Dr. Roberts, St. John; Rev. J. H. McDonald, Amherst; Harry Crewe, Bridgetown; R. H. Jenkins, Charlottetown, with officers.

The new president was introduced and gave a very practical, promising and encouraging address.

The report of the executive was read and adopted.

The session closed with prayer by Rev. C. W. Corey.

The largest audience that ever assembled at Berwick convened at the Baptist church here last evening. The large building was packed from the pulpit to the outside doors into the street, and many were not able to gain admission, the occasion being the annual rally of the Maritime Baptist Young People's Union. An earnest, pleasing address of welcome to the various unions was delivered by Miss Lottie Parker, and was replied to by Geo. A. MacDonald, president of the M B Y. P. U. Rev. Thomas Trotter was then called upon and he delivered an earnest, inspiring address on the Christian Culture Course as proposed to be studied by the I. B. Y P. U. The reverend gentleman urged the importance of Christian culture along Biblical, missionary and denominational lines, insisting upon the advantage of the cultured over the uncultured. Rev. Mr. McDonald then on behalf of the Maritime Union presented to the president of the Amherst Union, for the C. C. course, the banner which that society had four years won in competition with all other unions on this continent. An open parliament on the benefits of B Y P U. work was conducted by Mr. A. H. Chipman, and Rev. J. A Gordon delivered an address to the B.Y.P U on aid to pastors: First, as a stimulus, study the word of God, and prayer to teach the word of God. He regarded the young people's movement as one of the mightiest forces within our reach as assistants to pastors. Rev. A. T. Dykeman made an earnest scholarly address, showing the importance and helpfulness of the movement. The pastors who had been benefited and helped in their work by young people's societies in their churches gave cheerful testimony thereto. A collection was taken to aid the work of the union. An efficient choir, by their excellent and inspiring singing, greatly aided in the success of the meeting. An inspiring report on Milerake B. Y. P. U. was delivered by the Rev. D. A. Steele, D. D., of Amherst.

LOSS HALF A MILLION.

Disastrous Freight Wreck on the Central Hudson Railway.

ROCHESTER, N. Y., Aug. 22.

A disastrous freight wreck occurred on the Central Hudson Railway 1½ miles east of Fairport, ten miles from this city, about midnight last night, piling the tracks of that road with demolished cars and engines. Engine No. 56 is a total wreck, having telescoped the caboose and nearly a dozen freight cars loading valuable freight. In the caboose of train No. 572 were several of the crew, and their escape from instant death is miraculous. The members of the crew who were in the caboose of the forward train were spilled into the wreckage, which is scattered all over tracks Nos. 1, 2 and 3. The rear brakeman, named Mitchell, is severely injured, and, like other members of the crew, is badly bruised. The engineer was severely shocked, but not seriously injured. Train No. 571 consisted of 60 cars and the contents of the last cars were scattered in all directions. A carload of caskets consigned to Cincinnati were nearly all demolished. The wreck caught fire from the lamps in the caboose and several cars were destroyed before help arrived. Railroad men say the loss will certainly be $500,000. It could not be ascertained who was to blame for the accident.

CZAR AND CZARINA TO TRAVEL,

At Which European Courts are Much Excited.

LONDON, Aug. 22.

All Europe is agog over the coming tour of the Czar and Czarina. So far as the visit to Queen Victoria is concerned no very great political significance is attached to the journey. Their Imperial Majesties will arrive at Balmoral during the Queen's annual autumn visit to the Highlands and there will be a large family gathering to greet them. They will probably arrive at some northern port in the Imperial yacht Polar Star and travel without ceremony to Balmoral. There is no likelihood that they will come to London, unless privately, or make any public appearance in Great Britain.

TO CRUSH THE MAHDISTS.

BRITAIN, EGYPT AND BELGIUM UNITED IN ONE CAUSE.

The Soudan to be Reconquered and Held by British Troops.

LONDON, Aug. 22.

Interest in the Anglo-Egyptian expedition to the Soudan, which waned somewhat during the period the troops were awaiting the rise in the Nile, has been revived by the receipt of intelligence that the preparation for the resumption of the advance has been completed and that troops will go forward within a fortnight. The whole force is ready for the advance. The Nile on Thursday had risen to a point that would enable the steamers that are waiting below the Semneh gate to ascend the river. Once Semneh is passed the route will be clear. As a sign that action is imminent a general order was issued Wednesday forbidding the sending of further communications from the camps beyond Kosheh. Henceforth the press despatches will be controlled by the military authorities, but it is not believed that the censorship will prevent the transmission of news of importance. Simultaneously with the news of the imminent advance of the Anglo-Egyptian forces come advices from the Congo free state that the expedition under Baron Dhanis has reached the white Nile and occupied Lado. When Baron Dhanis started it was officially denied that an Anglo-Belgian movement had been concerted against the Mahdists, although the British government allowed several hundred hussars to join Baron Dhanis' forces. The news now at hand confirms the statement originally made that the object of the Belgian expedition was to operate in conjunction with the Anglo Egyptian forces. There is now no doubt that the British, Egypt and Belgian governments are jointly interested in the plan to inflict a crushing blow upon the Mahdists and reconquer the Soudan. Lado, the place where Baron Dhanis has arrived, is north of the territory proper of the Congo Free State. It is situated on the White Nile, 25 miles north of Victoria Nyanza. The Belgians, it is believed, will go further north in the direction of Khartoum, while the Anglo-Egyptian expedition will proceed south from Semneh. Thus the Mahdists will be caught between two fires, and the result, it is hoped, will be the final extinction of Mahdism. The pretence that the advance southward is solely for the purpose of strengthening the Egyptian frontier and to prevent an incursion of the dervishes into Lower Egypt is now also abandoned, and it is generally conceded the object is to subdue the dervishes and again take possession of the country so long held by them. To hold the territory in question once it is reconquered will require a British force, and with the British soldiers employed in this service the question of the British evacuation of Egypt will be indefinitely postponed, and this, it is charged in some quarters, was the sole object of Lord Salisbury in embarking Great Britain in a scheme that, in the end, is bound to raise a protest from the British tax-payers.

LOCAL NEWS.

TWO COMPANIES of the Fusiliers were at Drury Range this afternoon performing their annual shooting.

BASE BALL.—The Tartars and St. Johns are playing this afternoon. A large crowd is watching the game.

SWEET PEAS.—A beautiful exhibit of sweet peas, comparing favorably with any from the suburbs, was made to-day at Mr. T. Crockett's drug store by Mr. A. E. King.

MILITARY.—Tenders for the new military buildings at Sussex closed to-day. Lt. Col. Maunsell went to Sussex this afternoon to confer with Col. Domville, M. P., regarding the matter.

THE FLOWER SHOW will be opened next Tuesday evening at 8 o'clock at St. Andrew's Rink. The exhibition promises to be the best the Horticultural Association has yet held. All the leading florists will exhibit and many private citizens will show beautiful house plants. The lady directors will furnish refreshments and the Fusiliers' band will play a choice programme.

MORTUARY STATISTICS.—Fifteen deaths occurred during the past week. The causes were:

Cholera infantum	6
Old age	2
Cancer	1
Malnutrition	1
Premature birth	1
Chronic nephritis	1
Chronic bronchitis	1
Placenta proevia	1
Debility from old age	1
Total	15

THE CARLETON IMPROVEMENTS.—Messrs. Moore & Wright's dredge Freeport will leave Lubec, Maine, on Monday morning and will probably reach here on Wednesday. The Freeport is a large and powerful clam shell dredge. It will be put to work at once. The terms on which the dredge comes here are not known, but it is presumed her engagement can be cancelled at any time if satisfactory arrangements are made with any other company to complete the work. The advisory committee were in session this afternoon, and a meeting of the winter port committee—the whole Council—has been called for Monday at 11 a. m. It is presumed final action will then be taken on the offer of Messrs. Morris & Cummings, of New York. Mr. G. S. Mayes is now appearing as a competitor to the Ludgerwood company. He has submitted an offer to remove the dredged material, and it will probably be considered on Monday. The question of an engineer to superintend the work will be decided then, and there is reason to believe that Mr. W. E. Earle, C.E., will be engaged.

BURIED TO-DAY.—The remains of Mr. Joel Jenkins were interred in Cedar Hill Cemetery, Lancaster, this afternoon. Rev. Dr. McLeod, of Fredericton, conducted the services at the residence of Mrs. Secord, daughter of the deceased, Carleton street, and at the Cemetery. The funeral was a private one. Mr. Jenkins was 79 years old and was a native of Queens County, but had lived in this city for the last twelve years. He was father of Mr. S J. Jenkins, who was private secretary to Hon. Geo. E Foster, and uncle to Capt. Jenkins, of the police force.

Watches are accepted as security for fines by the police courts of Knoxville, Tenn., and forty unredeemed ones held for two years are to be sold at auction by the city.
