Tignish Village was burned out Sunday. Upwards of forty buildings were destroyed, including Myrick & Co.'s store and warehouses, Dalton Chaisson's, McLelland's and Bernard Brennan's stores, warehouses, residences and outbuildings, Mr. Hackett's (M. P.) fine residence; McKenna's and Bernard's hotel, the railway round house, agent's residence, coal sheds, one engine and several cars.

Loss $100,000; insurance $25,000.

FIRE AT BATHURST.

[SPECIAL TO GLOBE.]

BATHURST, Aug. 31.

Fire broke out about seven o'clock this morning in the dwelling house of Thomas J. Melanson, on the Basin Road, about half a mile from the Intercolonial Railway depot here. In a few minutes the building was a mass of flames. The firemen were quickly on the ground and had two volumes of water playing on the flames in about fifteen minutes. The fire made such headway that the building was totally destroyed. Considerable furniture was saved. The loss will amount to twelve or fifteen hundred dollars, which is partially covered by insurance.

INCENSED AT GEN. WEYLER.

Havana's Business Men and Society People Aroused.

BOSTON, Aug. 31.

A special despatch to the *Herald* from Havana says: Spanish business men, the property holding element, are beginning to despair of Spain's ability to crush the revolution and restore order, and property owners under the leadership of such men as General Apezeetguia, who, by the way, also represents large American interests here, may come out openly for annexation and ask the United States to step in and end the chaos here. The clause in Captain Weyler's currency decree on Saturday threatening the arrest and punishment, as aiding and abetting sedition, of any local bank or broker daring to refuse the new paper money of the Spanish bank here at par, with gold in payment for gold drafts against New York, London, Paris and Hamburg, fell like a bombshell in local financial circles. Leading private banking houses in consequence have notified their customers that for the present they would draw no foreign bills of exchange, alleging that they have no funds abroad to cover them. In view of this action heavy shipments of coin, Spanish and French gold, will presumably follow during the next fortnight from parties who are unable otherwise to make needful foreign remittances. There is great excitement in the Stock Exchange and stocks are still declining.

Havana society is highly indignant at Capt. Gen. Weyler's order confiscating the buildings of the foundlings and orphans' home, to be transformed into smallpox and yellow fever hospitals for Spanish troops, thus turning out into the streets over 500 children, more than 100 of whom were infants. This institution, founded more than 100 years ago by native Cubans, has since that time been sustained by private contributions and the interest from trust funds willed by local philanthropists at various times. The Bishop of Havana was sent to the palace to intercede and prevent the confiscation of the buildings, but the Captain General curtly denied the petition.

AFFAIRS IN CONSTANTINOPLE.

British Marines Teach the Turks a Lesson.

CONSTANTINOPLE, Aug. 31.

A special judicial committee began sitting in this city to-day for the purpose of trying four hundred Moslems and Armenians who are accused of having participated in the recent rioting in and around Constantinople.

Cahker Pasha and Vehdy Pasha have been appointed to the command of the military in Constantinople and Galata respectively, with orders to summarily suppress any signs of disorder.

The Italian despatch boat Galileo has been ordered to Constantinople as a second guard ship.

A detachment of British marines who were marching from the British guard ship to the English embassy yesterday clubbed and beat back a Turkish mob who were maltreating a number of Armenians in the street. The Porte made a complaint against the conduct of the troops to Mr. Michael Herbert, British Charge d'Affairs, who replied that the marines had a perfect right to protect the Armenians if the Turkish troops did not see fit to do so.

GERMAN COURT TROUBLES.

BERLIN, Aug. 31.

There are court whispers that Empress Frederick has written the Kaiser rebuking him for ignoring the visit to Germany of the Duke and Duchess of Sparta. The latter is the Emperor's sister, who recently has been staying with Empress Frederick at Kroberg. The Emperor quarrelled with his sister over her conversion to the Greek church upon the occasion of her marriage to the heir to the Greek throne, and has since given the cold shoulder to her and her husband.

LOST TOPMASTS.—Barque Nostra Madre (Ital.), Capt. Consigliere, from Chatham, N. B., for ——, which passed Cape Espartel Aug. 27, signalled that she had lost her foretopgallant and mizzentop masts during the voyage.

OFF TO CHARLOTTETOWN.—Rev. W. J. Stewart, Rev. Mr. Stevenson, W. J. Parks and wife, Miss E. Estey, Miss E. Beatteay, Miss H. S. Olive and Mr. D. Morrison went to Charlottetown this afternoon to attend the Y. P. S. C. E. convention. Other delegates are expected to leave to-night and to-morrow.

RUNAWAY.—A horse attached to an express wagon and driven by a young man named Joselyn ran away on Leinster street this morning. When in front of Campbell's stables the wagon was upset and the driver thrown out. Joselyn was cut about the face and head, and was unconscious for a short time. The ambulance was summoned, and he was driven to his sister's house on Charlotte street. His injuries were not very severe. The horse was captured on Sydney street unhurt.

WITH THE METHODISTS.—There was a good attendance of Methodist clergymen at the weekly session in Centenary school room this morning. Rev. Dr. Wilson, who was appointed to extend a welcome to Bishop Grant on behalf of the Methodists of the city, stated that he had done so and reported briefly of the reception given to Bishop Grant. On next Monday the session will be devoted to prayer and conversation on the religious work in the St. John district, which extends from Sussex on one side to Welsford on the other.

S. P. C. A.—The quarterly meeting of the S. P. C. A. was held this afternoon. The secretary, Mr. S. Merritt Wetmore, reported that all the investigations made by the society had been productive of good. The deckhands on the river steamers were becoming more careful when shipping cattle, and the managers of the Star Line, by suggestion, had built a solid gangway for the convenience of cattle at Indiantown. During the three months ending Aug. 31st 185 cases of cruelty have been investigated. Three were taken into court—one for ill-treating children, one for overdriving a horse and the third for killing a cat. In the other cases investigations had been made and the offenders cautioned. The following is a tabulated statement of the cases:

Horses removed from work:	
For lameness	8
Sores under harness	2
Unfit for work	6
Overloading, etc	83

In the preceding three months 114 cases were investigated.

GOING TO OTTAWA.—A special meeting of the winter port committee of the City Council was held this morning. Mayor Robertson in opening the meeting explained that before Mr. Ellis, M. P., left for Ottawa he asked him to arrange for the Council to be heard before the government before the estimates for subsidies were put through. Mr. Ellis had done as requested, for on Saturday he received a telegram from Hon. A. G. Blair that the Council's delegation could be heard if they came at once. The meeting this morning was called in view of that, and after the Mayor had fully explained the hopes and aspirations of St. John regarding the winter port trade of Canada, it was decided to send the Mayor and Alds. Christie and Purdy to Ottawa to interview the government and present the claims of St. John. The Mayor explained that legal questions might arise and asked permission to take one of the legal aldermen, either Ald. Ruel or Ald. Millidge. The Council gave him permission to do so. The committee left on the C. P. R. train to-day and will likely meet the government to-morrow afternoon or evening. They have been instructed to ask the government to allow the powerful new steel dredge Cape Breton, now working at Point du Chene, to come here and assist in the Carleton improvements. The committee will also urge the government to assume a share of the responsibility for the maintenance of the aboideau. Heretofore the government has refused to do so, but Hon. A. G. Blair, when provincial premier, always declared the expense should be equally divided between the city, dominion and local governments and the marsh land-owners.

PROBATE COURT.

A commission was issued to-day to Ottawa to take the evidence of Mr. S. J. Jenkins, one of the witnesses to the will of the late John W. Belyea. The commissioner is Mr. Charles W. Tabor. Mr. A P. Barnhill made the application, which was consented to by Mr. H. A. McKeown and Mr. John R. Dunn.

WHY HE KILLED HIMSELF

PITTSBURG, Pa., Aug. 31.

Malchor Diebold, of 104 Herron avenue, returned to his home yesterday after an absence since August 11. The first thing that met his eye was a sheriff's sale notice, which had been posted on his door. Drawing his revolver he shot himself through the head, dying in a few minutes. He was the father of a large family.

THE NEW PAPAL DELEGATE.

ROME, Aug. 31.

Rev. Sebastien Martinelli, who was recently appointed to succeed Cardinal Satolli as papal delegate of the Roman Catholic church in the United States, was consecrated an Archbishop yesterday in the presence of the foreign diplomats accredited to the Vatican. The new papal delegate will start for the United States about the end of September.

HAS PROBABLY PERISHED.

SKIBBEREEN, Ireland, Aug. 31.

Albert George Whitehead, the insane Irish-American dynamiter, recently released from Portland Prison, who, on the night of August 24th, escaped from the home of his relatives here, and disappeared, has been traced into the mountains beyond Bantry, where his trail was lost. The parties which were organized to search for him have given up all hope of finding him and have returned here.
