DEBATE ON THE ADDRESS WILL BE COMMENCED TO-DAY.

Gen. Cameron Resigns—Fast Atlantic Service.

[SPECIAL TO GLOBE.]

OTTAWA, Aug. 24.

The debate on the address which is fixed to begin this afternoon will, if opposition predictions are genuine, be prolonged beyond the usual set speeches of the mover, seconder, opposition leader and the premier. Sir Charles Tupper has the design evidently of attacking the Governor General for His Excellency's action in regard to the orders in council, and desired to take advantage of the debate on the address for that purpose. That was why he urged Mr. Laurier to bring down the correspondence before the debate began. The opposition, however, should confine themselves to the speech from the throne and any matters it suggests, and as there is nothing in it about the change of ministry, any discussion on the resignation of the late ministry should take place altogether apart from the address.

Following the policy of discharging their public duties with simplicity and despatch, the new ministry desire to adopt the English method of procedure in dealing with the speech from the throne. That is instead of moving an address, which is simply the speech twisted into a rather ridiculous reply of great length and cumbrous form, there should simply be a brief message thanking His Excellency for his speech. This improved practice will be adopted next session.

Major General Cameron, commandant of the Royal Military College, has tendered his resignation. Last winter the board of visitors, and Major General Gascoigne as well, reported against General Cameron's continuance in office on public grounds, but owing probably to the fact that the commandant was a son-in-law of Sir Charles Tupper no action was taken. Care will be taken to select a thoroughly qualified officer as his successor.

The fast Atlantic steamship service was considered by council at a lengthy sitting held on Saturday. It is not likely that any immediate decision will be reached, as it is a large subject, demanding full consideration. Mr. Allan, of the Allan Line, is expected here in reference to their tender.

There is considerable rivalry between Sir Mackenzie Bowell and the Hon. Donald Ferguson as to who shall lead the party in the Senate. The Bowell men do not want Mr. Ferguson and are working to establish Sir Mackenzie's position as leader, while Mr. Ferguson has the quiet backing of the Tuppers, both Sir Charles and Sir Hibbert. The ex-Premier does not, it is said, desire the position, but if he fancies Sir Charles Tupper is playing a double game he may rise to the occasion. Sir Charles Tupper will doubtless try to make the majority in the Senate a donkey engine to the opposition in the House of Commons, but this, if agreed to, will place the Senate in a very ridiculous and weak position.

BAPTIST CONVENTION.

LARGE ADDITIONS TO MEMBERSHIP REPORTED.

Missionary Meeting Great Interest in Sunday Services.

[SPECIAL TO GLOBE.]

BERWICK, N. S., Aug. 24.

At the convention on Saturday afternoon, H. C. Creed reported from the committee on the state of the denomination a membership of 48,200; added during the year 2,511; nine ministers were ordained since the last convention, viz., A. A. Shaw, J. L. Dimock, W. H. McLeod, O. N. Chipman, G. R. Baker, R. M. Byron, W. A. Allen and A. C. Shaw; three new churches and seven new houses of worship were erected—at Port Elgin, Fairville, Amherst, Waterville, Yarmouth, Alexander, Upper Cape.

J. Parsons gave a very practical retiring address.

The foreign mission report was presented by Rev. J. W. Manning and intelligently discussed.

On Saturday evening a public missionary meeting was held and was addressed by the returned missionaries, Rev. W. W. Higgins and Miss Gray, and by outgoing missionaries Rev. M. Gullison, Miss Harrison and Miss Newcombe. An address of welcome was given by Rev. G. O. Gates; the principal address was by Rev. J. W. Manning and the parting words by Rev. J. A. Gordon. The convention on Sunday in Berwick was a day of great spiritual power. From all points of the compass came carriages by hundreds, bringing delegates, visitors and citizens. It is estimated that 3,000 persons were in attendance. After the Baptist and Methodist churches were crowded to their utmost two overflow meetings were held. Sermons were preached by Rev. W. Camp, A. C. Chute and W. B. Hinson. They were all of high order and great spiritual power.

Evangelistic services and after meetings were held in both houses. The one conducted by Rev. Mr. Hinson was one of unique power, some fifty ministers taking part therein.

On Sunday a Sunday school mass meeting was held at 2 p. m. There were addresses by Revs. G. O. Gates and J. D. Freeman (Fredericton)

This morning the convention met at 10 a. m., President Gates in the chair. After singing the Doxology and repeating the 1st Psalm in concert prayer was said by Rev. Mr. Schurman.

The committee on correspondence through their chairman, H. C. Creed, reported a communication from the Most Worthy Patriarch of the S. of T., Mr. Thos Cardwell; also a letter from Judge Graham resigning his seat in the senate of McMaster University.

The report of the Foreign Missionary Board was taken from the table and discussed.

C. P. R. ROBBED.

Six Thousand Dollars Taken from a Station Safe.

[SPECIAL TO GLOBE.]

JOLIETTE, Quebec, Aug. 24.

Six thousand dollars were taken from the C. P. R. station here on Friday night by burglars.

The money was the property of the Canadian Express Co. The mysterious part of the affair is that the burglar knew the combination and was able to open the safe. The agent is not suspected.

UNITED STATES POLITICS.

Democrats Want Funds—An Attack on Sewall—Platt for Governor of New York.

NEW YORK, Aug. 24.

A despatch from Chicago says: Chairman Jones, of the Democratic National Committee, has issued an address to the people of the United States appealing for funds. The address says the Democratic party is engaged in the present contest in the defence of the plain people against the encroachments of the favored classes. The issue overshadows in importance every question which has occupied public attention since 1860. The address declares "that if the United States is not big enough to have its own financial policy then we are serfs of the money changers of Europe and their agents in this country, and we are doomed to vassalage more ignominious and more degrading than that against which our forefathers fought a century ago."

MILWAUKEE, Wis., Aug. 24.

Thomas J. Elderkin, secretary of the Seamen's Union of Chicago, made an address yesterday at the meeting of the Federated Trades Council in which he attacked Sewall. He declared that nowhere were seamen so poorly paid as on the sixeen vessels owned by the Democratic candidate for the Vice-Presidency. He also attacked the Pan Handle Railroad officials on the ground that they issued a circular designed to influence the employes of the road to vote for McKinley.

SARATOGA, N. Y., Aug. 24.

The delegates to the Republican State Convention, which meets to-morrow, are arriving in large numbers and enthusiasm to a marked degree is a feature of the gathering. It was generally supposed the convention would finish its work by to-morrow night, but Mr. Platt said this morning its sessions would undoubtedly be continued over until Wednesday.

The friends of the various candidates for governor were all hustling about their respective headquarters this morning. Thomas C. Platt said to a representative this forenoon, "I have not changed my determination not to be a candidate. My boom is busted. I was governor yesterday, but am not a figure in the situation to-day." Mr Platt spoke in a similar vein to his friends, but the fact remains that certain of his intimates have not ceased proselytizing in his interest among the delegates. There are many Republicans from all parts of the state who believe to day that a nomination will be forced upon Mr. Platt.

ATLANTA, Ga., Aug. 24.

Thomas E. Watson, populistic candidate for vice-president, will sever his connection with his newspaper next week and devote all his time to campaign work.

PEARY'S EXPEDITION.

ST. JOHN'S, Nfld., Aug. 24.

Lieut. Peary passed Turnavik Island, Labrador, July 20, in steamer Hope, which was under steam and sail, ninety hours from Sydney.

He reported everybody well and prospects hopeful. The vessel met considerable ice and numerous bergs along the coast.

A CAT WAS TO BLAME.

BAR HARBOR, Me., Aug. 24.

Wm. Dodge reached home last night and found his house in flames, and his wife and two children crying for help at the upper window.

He threw a rope to his wife and succeeded in bringing all three out safely. The house was destroyed.

The rescued ones were compelled to walk a mile in a cold rain in their night clothes to the nearest house. Fire caused by the upsetting of a lighted lamp by a cat.

CONDENSED DESPATCHES

Horatio G. Parker, a prominent Boston lawyer, was arrested Saturday for the embezzlement of $11,000 of bonds belonging to Rebecca C. Dearborn.

LOCAL NEWS.

It was afterwards found that the logs belonged to Hon. James Holly, and that they had been cut away from Murray's mill. The question is: Who cut them?
