

BUSINESS NOTICES.

What our Enterprising Advertisers are Doing.

Wool taken in exchange for Moncton cloths at Anderson & Walker's.

The new stock of drugs and medicines in the store of G. Y. Dibblee is well worth inspection. Mr. Dibblee is a veteran in the drug business and well known to the public.

DENTIST.

Dr. W. H. Steeves, the popular dentist, has had a telephone recently placed in his office for the accommodation of himself and his patients—No. 174. He is having great success with his new local anaesthetic for the painless extraction of teeth.

GROCERIES AND PROVISIONS.

The new grocery firm of Boone & Fowler have already made a record. They do not expect to become millionaires, but if honest and upright dealing, good goods at a low price and polite and courteous attention to customers will win a fair share of the public patronage, they certainly deserve it.

FISH MARKET AND SALOON.

We welcome among our permanent advertisers JOHN H. PARSONS whose advertisement has appeared in THE JOURNAL from time to time, and who has always treated us with the utmost friendship and courtesy. Readers of THE JOURNAL will do well to call and patronize him and find out, if they do not know already, the fair and courteous treatment that they will receive at his hands.

Tobacco Heart.

Much heart and nerve weakness is caused by undue use of tea, coffee, or tobacco; palpitation, nervousness, irritability, excitability, lack of confidence, etc., are sure symptoms. Milburn's Heart and Nerve Pills bring ready relief, by steadying the nerves and regulating the heart. They are a true heart and nerve food.

At Last Respectable.

The old Gibson house which has borne such an unenviable reputation for the past few years, under the successive regimes of the late Wm. White, his widow, and the Goodine's bids fair to redeem its past bad record. Mr. Tobias Burgoyne, a poor but respectable resident of Kingsclear, whom the editor of THE JOURNAL has known for a long time and can cheerfully recommend, has taken it, and intends after giving it a thorough fumigation, and cleaning up the filthy accretions of ages, to open it to the public, and keep a good, clean, and comfortable establishment for the travelling public and steady boarders, and run it on strictly temperance principles. We congratulate the good people of Gibson that the ghost of a disreputable establishment in their midst has at last been laid, and that they may now sleep peacefully in their beds.

Jubilee Medals.

One can form some idea from the number of Jubilee medals worn by the young men and boys in and around Fredericton the large number of suits of clothes that are being sold by Fred B. Edgcombe from his clothing department as every one who buys a suit receives one of those handsome medals to wear this jubilee season.
