THE Public are respectfully informed that the Subscriber has been lately appointed Agent for the *Ætna Insurance Company of Hartford, in Connecticut*, and is now authorised to issue Policies of Insurance against FIRE, on Houses, Barns, Stores, Mills, Factories, Vessels on the Stock, Vessels and cargoes in Port, Household Furniture, Books, Goods, Merchandise, &c. &c. in the City Saint John and throughout the Province of New-Brunswick.—The Company has been many years incorporated and does much business in Canada and Nova-Scotia as well as in all parts of the United States : *possesses a Large Capital* invested with the greatest caution, and has a surplus fund sufficient for the payment of ordinary losses without infringing on the Capital. The office is well known for promptness and liberality in adjusting and payment of Losses which are usually made through the Agent. The established Premiums are very moderate being from ½ to 1½ per cent. per annum, and it is to be hoped many persons will avail themselves of an opportunity of securing their property from that destructive element which very frequently and in a few moments reduces persons of the most affluent and comfortable circumstances to poverty and distress.

Persons in the City wishing Insurance made will please apply to the Subscriber for a survey, which is done without expense,—Those at a distance can have Policies made out by sending a description of the property and remitting the Premium, it being a condition that no Policy is valid till the Premium is actually paid.

Any further information will be cheerfully communicated on application to
