THE Rev. WM. POWELL, having enlarged
his accommodations, is now prepared to re-
ceive an additional number of Pupils. In this In-
stitution, the health, the principles and the im-
provement of Youth are particularly attended to;
and boys of tender years and delicate constitutions,
enjoy comforts seldom met with but at Home. The
course of instruction embraces such studies as may
qualify young gentlemen for College, the Counting

with this view the French and Spanish Languages

that department. The situation of Union Hill like-
wise presents peculiar advantages for such an es-

The play and pleasure grounds are beautiful, ex-
tensive and free from all dangers; and there is a
garden spot allotted to those disposed to combine
health and amusement by cultivating during hours
of relaxation, fruits, vegetables, or flowers, the pro-
