

POETRY.

INScribed TO THE MEMORY OF GENERAL BOLIVAR.
In language one bright word
The Hero, Patriot, Martyr's praise,

THE UNFURLING OF THE FLAG.

The following verses were suggested by an affecting passage in Franklin's Second Journey. Previous to his departure, Mr. Franklin gave her husband a flag made by herself, with an injunction not to unfurl it till he arrived at the North Sea.

MISCELLANY.

BIOGRAPHICAL MEMOIR OF BOLIVAR.

Don Simon Bolivar was born in the city of Caracas, in the year 1765, of Don Juan Vincente Bolivar, and Donna Concepcion Palacio. The noble origin of the family of Bolivar is authenticated in the history of Oviedo, and Banos, as one of the most illustrious in Venezuela, and by the circumstance of one of the ancestors of Bolivar being chosen in the year 1589, to represent that Province as Procurator-General at the Court of Madrid.

THE HEART-ACHE.—"What is good for the heart-ache?" is a question often propounded to a physician; sometimes with serious intent and desire to learn a remedy, often in badinage, and in affairs of the heart it were not in his power to give relief, any more than to administer successfully to a mind diseased.

DEFERRED ARTICLES.

LONDON, MARCH 3.

Public attention continues to be entirely absorbed in the city, as elsewhere, by the debates in the Commons on the reform question. The feeling of the great majority is most decidedly in favour of the Government measure.
