COAL COMPANY.

HIS Majesty's Government having, upon the application of the Association formed at Fredericton, July, 1831, proposed to grant Leases on very advantageous terms, of any District or Districts in which Coal may be found, and to extend every reasonable encouragement to a Company formed for Mining purposes, with a sufficient capital; the Members of the Association are desirous of forming a Company under the sanction of the Legislature, with a capital of

TEN THOUSAND POUNDS,

to be divided into One Thousand Shares, of Ten Pounds each; and are willing to surrender to such Company, any particular privilege to which they might entitle themselves, on the following conditions:—

First—That the present proprietors be allowed credit in the New Stock, for the amount they have already paid, with interest—and that any who desire to relinquish their stock, shall receive back the amount so paid, with interest.

Second—That the New Company shall become possessed of all the rights and property of the Association, and entitled to all the profits or proceeds of Coal, subject to all the charges and expences, paid or incurred.

Third—That no individual shall be allowed in the first instance to subscribe for more than Ten Shares of the new stock.

As it will be necessary, that a Petition to the Legislature for an Act of Incorporation should be prepared and the provisions of the Act determined as soon as possible; it is deemed advisable that a Public Meeting should be holden, and a Subscription List for the new Stock opened, without delay: I do therefore, pursuant to a Resolution of the association, passed on the 15th inst. hereby request a meeting of such persons as are disposed to unite in the adventure, at the Masonic Hall, in the City of Saint John, on Thursday the 20th day of December next, at noon, for carrying the foregoing measure into effect. A subscription paper will be prepared and submitted to the meeting—and in order to afford every facility to persons at a distance, it is proposed that the subscriptions may be made, and subscribers allowed to vote, by Proxy, at that or any subsequent meeting.

WILLIAM F. ODELL,
President of the present Association.
Fredericton, October, 1832.

N. B.—The whole amount of the present Stock, is only £600; and there is a large quantity of Coal on hand; besides Mining Tools and other property; a full statement of which, and of all the proceedings and accounts of the association will be laid before the Meeting on the 20th of December next.

PROTECTION
INSURANCE COMPANY.

THE Subscriber having been appointed Agent of the above Insurance Company, in this City, will Insure Houses, Stores, Mills, Factories, Barns, and the contents of each, together with every species of property against *LOSS or DAMAGE by FIRE*, at as low a rate of Premium as any similar Institution; and will be always in readiness for taking surveys of Premises offered for Insurance in any part of the City, free of charge to the assured. He will likewise attend to the renewal of any Policies of Insurance, issued by M'KENZIE & TISDALE, as Agents of the above Insurance Company; and act in all cases in reference to such as if subscribed by himself.

WEST OF SCOTLAND FIRE AND LIFE INSURANCE COMPANY'S OFFICE,

FIRE INSURANCE.

E. DEW. RATCHFORD, AGENT for the ÆTNA INSURANCE COMPANY, of Hartford, Connecticut, continues to issue policies, and renewal receipts, for Insurance on Houses, Barns, Stores, Mills and other buildings, Vessels in port, or on the stocks, Household Furniture, Farmers' Stock and Utensils, Merchandize, Machinery, and every other description of property, against *Loss or Damage by Fire*, on liberal terms.—It is a notorious fact, that the subject of insuring against fire, does not receive from the inhabitants of this Province that attention which its importance demands; and the premiums, *for fire insurances particularly*, bear so very small a proportion to the value of the property insured, that much less sympathy is felt for those sufferers who may have neglected to avail themselves of the means of providing against such calamities.

The capital of this Company, $200,000, has been *all paid in*, and invested in the best securities; independently of which, a SURPLUS FUND of more than $35,000 has been set apart to meet the occasional claims for losses, and the stock bears a high premium.

The Agent will at all times attend personally to the survey of buildings on which insurance is desired within the City; and applications in writing (post paid) from all other parts of the Province, describing the situation and the property to be insured, will receive prompt attention.

Saint John, N. B. 12th November, 1831.
