FIRE INSURANCE.
E. DEW. RATCHFORD, AGENT for the ÆTNA INSURANCE COMPANY, of Hartford, Connecticut, continues to issue policies, and renewal receipts, for Insurance on Houses, Barns, Stores, Mills and other buildings, Vessels in port, or on the stocks, Household Furniture, Farmers' Stock and Utensils, Merchandize, Machinery, and every other description of property, against *Loss or Damage by Fire*, on liberal terms.—It is a notorious fact, that the subject of insuring against fire, does not receive from the inhabitants of this Province that attention which its importance demands; and the premiums, *for fire insurances particularly*, bear so very small a proportion to the value of the property insured, that much less sympathy is felt for those sufferers who may have neglected to avail themselves of the means of providing against such calamities.
The capital of this Company, $200,000, has *all* been *paid in*, and invested in the best securities; independently of which, a SURPLUS FUND of more than $35,000 has been set apart to meet the occasional claims for losses, and the stock bears a high premium.
The Agent will at all times attend personally to the survey of buildings on which insurance is desired within the City; and applications in writing (post paid) from all other parts of the Province, describing the situation and the property to be insured, will receive prompt attention.
