On occasion of the recent retirement of Lieut. Colonel D. B. Wetmore, who is allowed to retire with his rank, from the command of the First Battalion, King's County Militia, the following communication and addresses took place, illustrative of the good feeling which existed between the Lieutenant Colonel and his Officers.

Kingston, 4th July, 1833.

My Dear Colonel,

As the business of the Court will be likely to detain me the week out, I shall be prevented (as I intended) from taking *personal* leave, at the ensuing muster of the First Battalion of King's County Militia, which I have for several years had the honor most satisfactorily to command; and have therefore to request that you will be pleased to convey to my late brother Officers and Men, now under your command, my sincere thanks for the cheerfulness which I have upon all occasions discovered in them in carrying into effect my orders, and for the aid and assistance afforded me while in the discharge of my public duties, which has materially lightened the burden and afforded me the greatest satisfaction.

And allow me, my dear Colonel, to congratulate you on your appointment to the command of such officers and men, as will, I am fully persuaded, prove a shield to you in case of necessity, and be a means of rendering both light and cheerful the arduous duties you have to perform, and to assure you that with a force of such a description, a British Officer or a British Government has but little to fear from a foreign enemy.

With sincere regard and best wishes for the welfare of the First Battalion King's County Militia,

I have the honour to be, my dear Colonel,
Your obdt. and very humble servant,
(Signed) D. B. WETMORE,
Lieutenant-Colonel.

Lieut. Colonel William M'Leod, Commanding 1st Battalion King's County Militia.

To Lieut. Col. D. B. Wetmore, *late Commanding the First Batt. King's County Militia ;*

Sir,—The Officers of the First Battalion, King's County Militia, cannot view your retirement, in consequence of indisposition, from the command of the Battalion, without expressing to you the very deep sense they entertain of your unwearied endeavours to promote the welfare of themselves and of every man in the Battalion, during the many years they have had the honor to be under your command.

The very gentlemanly, agreeable, and kind manner which you have uniformly evinced towards them in exercising your duties as Commanding Officer, and the deep interest you have uniformly taken in promoting their advancement in military knowledge, and in their benefit generally, have impressed them with a deep feeling of gratitude, and in bidding you farewell, they heartily wish that you may enjoy, in your retirement, health and happiness.

Signed by request, and on behalf of the Officers of the First Batt. King's County Militia.

WILLIAM M'LEOD,
Lieut. Colonel Commanding.
Kingston, K. C. July 6th, 1833.

To the Officers *of the First Battalion, King's County Militia.*

Gentlemen,—If in the discharge of what I have considered to be my duty, while in command of the First Battalion, King's County Militia, I have been so fortunate as to obtain the approbation of, and meet the wishes of my brother Officers, it is most gratifying to me, and allow me to assure you, Gentlemen, that the able assistance I have received from you, and the great cheerfulness with which it has always been afforded, has made a lasting impression on my mind, and been the great cause of effecting what you so generously imputed to me.

And that the same good understanding may continue to exist throughout the Battalion, is the sincere wish of, Gentlemen,
Your obedient humble servant,
(Signed) D. B. WETMORE, *Lt. Col.*

MILITIA ORDERS.

Second Battalion Saint John City Militia.

IN consequence of the removal of Major Flaherty from this Battalion to that of the Charlotte County Militia, by the General Order of 26th February last, the command of the Battalion devolved on Captain Gregory Van Horne.

Captain VanHorne anticipates the same cordial co-operation and harmony from the Officers and men, which have heretofore existed, and which have been productive of good order and discipline, and one of the main causes for the Battalion having, on so many occasions, been distinguished, by the marked commendation of the Inspecting Field Officer.

Captains and Officers in command of Companies on the days of Drill and General Inspection in 1832, will, on or before the first day of August next, pay into the hands of the Quarter-Master, such Fines as have been collected from Defaulters;—and are further required to make out and transmit to the Commanding Officer, on or before the 10th day of August next, a correct copy of their Muster Roll, marking the Absentees in 1832, and giving particular explanations in cases where the Fines have not been collected.

Captain VanHorne expresses his approbation of the promptness observed by Captain Thurgar, and the Officers and men under his command, in obeying the order to act as a Guard of Honor, to receive His Excellency the Commander-in-Chief, at the Masonic Hall, on the 18th May last.

The Adjutant will cause a copy of this Order to be delivered to every Officer belonging to the Battalion.

By order of Captain Van Horne.
