This truly valuable remedy has now been before the public for four years, and has proved itself the most valuable remedy discovered for Coughs, Cold, Asthma, or Phthisis, Consumption, Whooping Cough, and Pulmonary affection of every kind. Its sale is steadily increasing, and the proprietors are constantly receiving the most favorable accounts of its effects. The following New Certificates are offered for PUBLIC EXAMINATION! TO THE PUBLIC.

I, Daniel P. Brayman, of Richmondtown, N. Y. feel I have to request the public, that I have received the most unexpected relief from the use of the Vegetable Pulmonary Balsam. For three years previous to my trial of the Balsam, I had a severe and distressing cough, attended with spitting of blood, attended with great prostration of strength. The principal part above of the time, I was under the care of a skillful Physician, who employed, besides my usual medicines, Strychnine, Senega, &c. without any improvement in my case. Two months since I commenced with the Balsam, and have now taken two bottles. I am now able to labour most of the time, have ceased to raise blood, and am almost entirely relieved of my cough. DANIEL P. BRAYMAN. Easton, February 22, 1834.

Dr. Jeremiah Ellsworth, of Silver Creek, N. York, states in a letter to the Proprietors, Feb. 1830, that from personal acquaintance with the salutary effects of the Y. P. Balsam, he can most confidently recommend it to those who are afflicted with serious affections of the lungs. Messrs. LOWE & REED—From the time that the Vegetable Pulmonary Balsam was first prepared by Messrs. Reed & Howard, it has been used in nearly all the cases of Coughs and Whooping Coughs, which have occurred in my family; and I have recommended it to many others, and carefully inquired respecting its effects. I have never known it produce any injury, and except in confirmed Consumption, it has never failed of rendering relief. Several cases have occurred in my own family, and in his case, which I have cured. No other medicine, however, has proved equally efficacious; and in several instances, when the other medicines had been used without effect for many weeks, the Balsam was at length successful. I can therefore, with confidence, find the printed Certificates, which accompany the Vegetable Pulmonary Balsam, to be safe and judicious; and I would recommend it to those who are afflicted with any of the above mentioned affections. Respectfully, your obdt. servt. B. H. DEAN, Dec. 7, 1830. SAMUEL WOODFORD, Esq. Price 25c. per Bottle. For Sale by WALKER & MACARA, St. John, N. B. Oct. 15.

I was induced, almost without my own consent, to try the above mentioned pills, which I purchased of the waters of Saratoga. Being lately prostrated by a severe cold, I was induced, almost without my own consent, to try the above mentioned pills, which I purchased of the waters of Saratoga.
