HEALTH SECURED BY MORISON'S
Vegetable Universal Medicines.

TWO years having now elapsed since the introduction of these Medicines into this country, during which time they have proved that they are the most valuable remedy ever introduced to the public, and from the daily proofs of their efficacy in the removal of all diseases incident to the human frame,—WILLIAM ANDERSON, (sole General Agent,) is again induced to introduce them to the notice of the public as a sure means of securing Health and removing all diseases, whether of long standing or of recent date. Such an assertion would appear very inconsistent if the Hygeist, (Mr. Morison,) did not consider that all diseases originate from one cause, viz.—*the impurity of the blood;* and if you remove the cause, the effect must cease. This important object is to be attained only from the use of these invaluable Medicines, which being composed entirely of Vegetable matter, will be found the mildest, or, by increasing the dose, the strongest and most efficacious Medicine ever discovered.

It is to be hoped that the time is not far distant when the use of these Medicines will supersede the noxious drugs and compositions so often prescribed, to the detriment of health—such as Opium, Prussic Acid, Mercury, Antimony, Corrosive Sublemate, and even Arsenic, Fox Glove, Hemlock, Colchicum, and numerous others, all of which tend to the destruction of health, and cause painful and incurable disorders.

BEWARE OF IMPOSITION.

Mr. A. in his late tour through the Country has detected, in several instances, a spurious composition, sold under the name of Morison's Medicine, and, as a caution to the public, begs to inform them that none are genuine but what have the Government stamp prefixed, with *Morison's Universal Medicines* printed on each; and as a further security, he hereby cautions them from buying from Pedlars and others, as none such are authorised to sell them. They can only be had genuine at his Store in Saint John, or of the following Agents, duly appointed by him:

A. Mackinlay, *Halifax,*	W. Simpson, *Fredericton,*
H. Goudge, *Windsor,* [ner,	J. Boyd, *St. Andrews,*

A. has on hand a superior assortment of Gentlemens' superfine Clothing, consisting of surtout & dress Coats; double & single breasted Vests; Trowsers, &c.—Also, a large assortment of Sailors' Clothing, pea and monkey Jackets, Flushing Trowsers, Flannel Shirts, Oil-skin Dresses, &c. always on hand—which will be sold cheap for Cash.

FOR Influenza, Coughs, Colds, Asthma, Whooping Cough, Spitting of Blood, and all affections of the Lungs.—The New-England Cough Syrup is a very different preparation from any other Cough Medicine ever offered to the public. It is composed entirely of vegetable substances, happily combined and peculiarly adapted to diseases of the Lungs, Liver and Stomach. It may not be unimportant to say that the discovery of this invaluable syrup was made by an eminent Physician, who used it himself, and in his extensive practice in pulmonary affections, with astonishing effect, and its inestimable qualities became so fully established, that it was deemed important to offer it more extensively to the public. The proprietors think it quite unnecessary to publish a long list of *certificates,* of which however, they have many new and highly interesting, that may be examined if desired. They are likewise at liberty to refer to many individuals of the first respectability, who have been cured of obstinate coughs by its use—they would simply state that they have not known a single instance in which this syrup has failed of giving relief in diseases for which it is recommended, even in cases approaching to consumption, attended with bleeding at the lungs, and in many instances when all other remedies had failed. Price 50 cents.

ORRIS TOOTH WASH,

An effectual and pleasant remedy for Diseased Teeth, *Spongy Gums,* and unpleasant odour of the Breath. This wash being composed entirely of vegetable substances, the public may be assured there is nothing in its composition which can in any way injure or prove deleterious to the *TEETH* or *GUMS.*

Prepared only by Moffat, Plummer & Co. wholesale Druggists. 118 State-st. Boston, Mass.; sold wholesale by them, and by Daniel Goddard & Co. 147 Maiden Lane, New York. Retailed by the Druggists generally throughout the United States.

VEGETABLE Pulmonary Balsam.—This truly valuable remedy has now been before the public for four years, and has proved itself the most valuable remedy discovered for *Coughs, Colds, Asthma, or Phthisic, Consumption, Whooping Cough, and Pulmonary affections of every kind.* Its sale is steadily increasing, and the proprietors are constantly receiving the most favorable accounts of its effects. The following New Certificates are offered for *PUBLIC EXAMINATION!*

TO THE PUBLIC.

I, Daniel P. Brayman, of Richmondtown, R. I. feel it a duty to acquaint the public, that I have received the most unexpected relief in a severe complaint of the lungs from the use of the Vegetable Pulmonary Balsam. For three years previous to my trial of the Balsam, I had a severe pain in my breast, violent cough, frequent raising of blood, attended with great prostration of strength. For the principal part above of the time, I was under the care of a skilful Physician in Boston, who employed, beside many internal medicines, blistering, Seatons, &c. without any improvement in my case. Two months since I commenced with the Balsam, and have now taken two bottles! I am now able to labour most part of the time, have ceased to raise blood, and am almost entirely relieved of my cough. DANIEL P. BRAYMAN.
Boston, February 22, 1831.

Dr. Jeremiah Ellsworth, of Silver Creek, N. York, states in a letter to the Proprietors, Feb. 1830, that from personal acquaintance with the salutary effects of the V. P. Balsam, he can most confidently recommend it to those who are threatened with serious affections of the lungs.

Messrs. LOWE & REED—From the time that the *Vegetable Pulmonary Balsam* was first prepared by Messrs. Reed & Howard, it has been used in nearly all cases of Coughs and Pulmonary Affections, which have occurred in my family; and I have recommended it to many others, and carefully inquired respecting its effects. I have never known it produce any injury; and except in confirmed Consumption, it has never failed of affording relief. Several cases have occured in my own family, and others among my acquaintance, in which the attending physicians have preferred administering other medicines for the diseases for which this Balsam is designed. No other medicine, however, has proved equally efficacious; and in several instances, when the other medicines had been used without effect for many weeks, the Balsam was at length resorted to, and speedily effected a cure. I find the printed directions which accompany the Vegetable Pulmonary Balsam, to be safe and judicious; and I would recommend that they be carefully observed.
Respectfully, your obdt. servt.
Brighton, Dec. 7, 1830. SAMUEL WORCESTER.
