HEALTH SECURED BY
MORISON'S
Vegetable Universal Medicines.

TWO years having now elapsed since the introduction of these Medicines into this country, during which time they have proved that they are the most valuable remedy ever introduced to the public, and from the daily proofs of their efficacy in the removal of all diseases incident to the human frame,—WILLIAM ANDERSON, (sole General Agent,) is again induced to introduce them to the notice of the public as a sure means of securing Health and removing all diseases, whether of long standing or of recent date. Such an assertion would appear very inconsistent if the Hygeist, (Mr. Morison,) did not consider that all diseases originate from one cause, viz.—*the impurity of the blood;* and if you remove the cause, the effect must cease. This important object is to be attained only from the use of these invaluable Medicines, which being composed entirely of Vegetable matter, will be found the mildest, or, by increasing the dose, the strongest and most efficacious Medicine ever discovered.

It is to be hoped that the time is not far distant when the use of these Medicines will supersede the noxious drugs and compositions so often prescribed, to the detriment of health—such as Opium, Prussic Acid, Mercury, Antimony, Corrosive Sublemate, and even Arsenic, Fox Glove, Hemlock, Colchicum, and numerous others, all of which tend to the destruction of health, and cause painful and incurable disorders.

BEWARE OF IMPOSITION.

Mr. A. in his late tour through the Country has detected, in several instances, a spurious composition, sold under the name of Morison's Medicine, and, as a caution to the public, begs to inform them that none are genuine but what have the Government stamp prefixed, with *Morison's Universal Medicines* printed on each; and as a further security, he hereby cautions them from buying from Pedlars and others, as none such are authorised to sell them. They can only be had genuine at his Store in Saint John, or of the following Agents, duly appointed by him:
