General Agency & Petition Office,

FREDERICTON.

AFTER mature consideration, on the advantages to be derived by the Public of New Brunswick, in the saving of time, attendance, and expense, from the establishment of an Office at Head Quarters, under the above title, by some one perfectly acquainted with the routine of official business, and unconnected with any other pursuit: and on the inconvenience, to say no more, which persons are liable to from the want of such a channel of communication, the undersigned has opened such an office, and places himself at the disposal of those who may at any time require his services.

The Agency will, for the present, be chiefly confined to the usual business transactions with the Public Departments, but more especially with the Crown Land Office. There is an appointed channel through which matters unconnected with the Crown Land Office, generally pass; but it is clear, that an Agent on the spot, acquainted as before mentioned, may, even here, be occasionally of use.

It is presumed that a constant residence of nine years at the Seat of Government, always in some way publicly engaged—and of which, three years were steadily spent in the Crown Land Office—must have some recommendation. Any thing further, is perhaps better left to time and experience. It should however be added, that as the Agent is wholly unconnected with, and independent of the Public Departments, he will be free to act for the interests of all who may employ him, with strict impartiality and unbiassed zeal.

Testimonials of the first character will with great pleasure be exhibited to such as may require it. RICHARD THOS. EDGHILL.
