The Ætna Insurance Company was Incorporated in 1819,—Capital, $200,000, with liberty to increase the same to half a million of dollars. The Capital has been all paid in, and invested in the best securities, independently of which a *Surplus Fund* of more than $35,000 has been set apart to meet the occasional claims for Losses, and the Stock bears a high premium. The reputation the Office has acquired for promptness and liberality in the adjustment of Losses, requires no additional pledge to entitle it to a liberal share of public patronage. A. General Agency & Petition Office,
FREDERICTON.

AFTER mature consideration, on the advantages to be derived by the Public of New Brunswick, in the saving of time, attendance, and expense, from the establishment of an Office at Head Quarters, under the above title, by some one perfectly acquainted with the routine of official business, and unconnected with any other pursuit: and on the inconvenience, to say no more, which persons are liable to from the want of such a channel of communication, the undersigned has opened such an office, and places himself at the disposal of those who may at any time require his services.

The Agency will, for the present, be chiefly confined to the usual business transactions with the Public Departments, but more especially with the Crown Land Office. There is an appointed channel through which matters unconnected with the Crown Land Office, generally pass; but it is clear, that an Agent on the spot, acquainted as before mentioned, may, even here, be occasionally of use.

It is presumed that a constant residence of nine years at the Seat of Government, always in some way publicly engaged—and of which, three years were steadily spent in the Crown Land Office—must have some recommendation. Any thing further, is perhaps better left to time and experience. It should however be added, that as the Agent is wholly unconnected with, and independent of the Public Departments, he will be free to act for the interests of all who may employ him, with strict impartiality and unbiassed zeal.

Testimonials of the first character will with great pleasure be exhibited to such as may require it. RICHARD THOS. EDGHILL.
Fredericton, N. B. 11th July, 1834.

☞ The Office adjoins the Sheriff's Office.

HEALTH SECURED BY
MORISON'S
Vegetable Universal Medicines:

Prepared at the *British College of Health,* New Road, King's Cross, London; and sold by William Anderson, sole General Agent for New-Brunswick, Nova-Scotia, Newfoundland, &c.—in boxes at 1s. 6d., 4s., 6s. 9d. and 16s. each—Powders 2s. per box, at his Store in Water-street, St. John, N. B.; and in Nova-Scotia, in boxes at 1s. 8d., 4s. 4d., 7s. and 17s.—Powders 2s. per box.

TWO years having now elapsed since the introduction of these Medicines into this country, during which time they have proved that they are the most valuable remedy ever introduced to the public, and from the daily proofs of their efficacy in the removal of all diseases incident to the human frame,—WILLIAM ANDERSON, (sole General Agent,) is again induced to introduce them to the notice of the public as a sure means of securing Health and removing all diseases, whether of long standing or of recent date. Such an assertion would appear very inconsistent if the Hygeist, (Mr. Morison,) did not consider that all diseases originate from one cause, viz.—*the impurity of the blood;* and if you remove the cause, the effect must cease. This important object is to be attained only from the use of these invaluable Medicines, which being composed entirely of Vegetable matter, will be found the mildest, or, by increasing the dose, the strongest and most efficacious Medicine ever discovered.

It is to be hoped that the time is not far distant when the use of these Medicines will supersede the noxious drugs and compositions so often prescribed, to the detriment of health—such as Opium, Prussic Acid, Mercury, Antimony, Corrosive Sublemate, and even Arsenic, Fox Glove, Hemlock, Colchicum, and numerous others, all of which tend to the destruction of health, and cause painful and incurable disorders.

BEWARE OF IMPOSITION.

Mr. A. in his late tour through the Country has detected, in several instances, a spurious composition, sold under the name of Morison's Medicine, and, as a caution to the public, begs to inform them that none are genuine but what have the Government stamp prefixed, with *Morison's Universal Medicines* printed on each; and as a further security, he hereby cautions them from buying from Pedlars and others, as none such are authorised to sell them. They can only be had genuine at his Store in Saint John, or of the following Agents, duly appointed by him:
