ADVERTISEMENTS.
Salsbury, 13th October, 1834.
SIR—A Black Boy by the name of William
Martin, who says he has lived with you six
years, that he is not bound to you, and complains
that you are in the habit of doing so, and
that he is afraid of his life; I have told the boy
that he may remain with me till you have notice
to attend for your own justification; and I hope
you will not fail to attend to this notice within
five days from this date.

R. FOULIS having been appointed Agent
by Mr. Turner, the original Inventor and
Patentee of the RE-ACTING WHEEL, begs
leave to acquaint the Public, that any orders
transmitted to him will be punctually attended to.
R. F. assures his Friends, that the Re-acting
Wheels have been proved practically in this Pro-
vince, and that apart from the pretended improve-
ments which individuals may have adopted to
them, which are of little or no utility. The wheels
transmitted to him will be punctually attended to.
as a desideratum which has been long and
much wanted by all persons connected with Wa-
ter Mills, from their capabilities of going during
Winter, when all others are stopped by frost.
