At Robinston, by Robinson Palmer, Esq. Mr. John Fawcett, of Cumberland, N. S. to Miss Mary Anderson, of the former place.

## DIED.

On Sunday forenoon, aged one year and six months, Sumner, only son of Mr. William A. Roberson.

On Tuesday morning, John, second son of Mr. John Dooly, in the 9th year of his age.

Mr. CHAFFEY, (whose death we announced last week,) has been engaged in business at Indian Island for upwards of twenty years, and has always sustained the character of an honest and upright man. To those who were acquainted with him, it were needless to speak aught in his praise. Suffice it to say, his relatives have indeed lost a *brother*, his acquaintance a friend, and society a valuable member. His relatives and friends have cause to mourn, for his place can never be filled; and in the prime of manhood he is taken to that "bourne from whence no traveller returns."

HEALTH SECURED BY
MORISON'S
*Vegetable Universal Medicines.*

Prepared at the British College of Health, New Road, King's Cross, London; and sold by WILLIAM ANDERSON, Sole General Agent for New Brunswick, Nova Scotia, and Newfoundland, in boxes at 1s 6d, 4s, 6s 9d, and 16s; Powders, at 2s per box, at his store in Water street, St. John, N. B.: and in Nova Scotia, in boxes at 1s 8d, 4s 4d, 7s, and 17s.—Powders 2s.

THREE years having elapsed since the introduction of these Medicines into this country, during which time they have proved that they are the most valuable remedy ever introduced to the public, and from the daily proofs of their efficacy in the removal of all diseases incident to the human frame, WILLIAM ANDERSON, Sole General Agent, is again induced to introduce them to the notice of the public as a sure means of securing Health and removing all diseases, whether of long standing or of recent date. Such an assertion would appear inconsistent, if the Hygeist, Mr. Morison, did not consider that all diseases originate from one cause, viz.:—*the impurity of the blood;* and if you remove the cause, the effect must cease.—This important object is to be attained only from the use of these invaluable Medicines, which, being composed entirely of vegetable matter, will be found the mildest, or by increasing the dose, the most efficacious Medicines ever discovered. It is to be hoped that the time is not far distant when the use of these Medicines will supersede the noxious drugs and compositions so often prescribed, to the detriment of Health, such as Opium, Prussic Acid, Mercury, Antimony, Corrosive Sublimate, and even Arsenic, Fox Glove, Hemlock, Colchicum, and numerous others, all of which tend to the detriment of Health, and cause painful and incurable disorders.

As W. A. has in several instances detected a spurious composition sold under the name of Morison's Medicine, he begs as a caution to the Public to inform them that none are genuine but what have the Government Stamp affixed, with Morison's Universal Medicines printed on each: he also cautions them from buying from pedlars and others, as none such are allowed to sell them. They can only be obtained genuine, at his Store in Water street, Saint John, or of the following agents duly appointed by him:—
