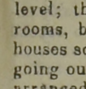
### Valuable Property for Sale.



THE Leasehold Property at the corner of Dock and Union-streets, running 60 feet on the former and 115 on the latter. The Buildings are nearly new, and in good repair: they comprise, on the ground flat, three good Shops, fronting on Dock-street; the second flat has two large front rooms, two bed rooms, two kitchens and pantries, with a spacious wood-house on the same level; the third flat has a similar number of rooms, but more convenient, having the wood-houses so attached as to prevent the necessity of going out of doors. These two flats are each arranged for the accommodation of two families, without at all interfering with each other. There is also a large bed room finished in the garret.

The whole is at present occupied by good tenants at an annual rent of £90, and is let far below its value. The situation of this property is an excellent stand for business, and no part of the City is improving more rapidly. The ground rent is £30 per annum—the lease to be renewed at the same rate, or the improvements paid for at a valuation.

*Also*—A small LOT and Two DWELLING HOUSES in Princess-street, adjoining the residence of Mr. Gilbert Ray, at present occupied by Mrs. Dowling and Mrs. Macpherson. In front is a one story House, with two rooms, and in the rear a two story House, with woodhouse, and a good well of water. The title is a quit claim deed, with upwards of 20 years undisturbed possession.

If the above Properties are not disposed of before the first of April next, they will then be offered at Public Auction.—For terms and other particulars, apply to Mr. ROBERT CHESTNUT, *Fredericton*, or to

CROOKSHANK & WALKER.

St. John, November 21, 1835.

### AVON BRIDGE. NOTICE.

THE AVON BRIDGE COMPANY having despatched one of their Body to the United States for the purpose of engaging a competent Engineer to prepare, from actual survey of the site, a suitable plan of a BRIDGE, with the necessary Specifications, notice is hereby given of their intention to proceed with the work as early in the Spring as possible. As soon as an approved plan shall be received, they will advertise for Tenders for Building the entire Bridge, or the workmanship only; also for parts of the same, *including* or *exclusive* of the Materials.

It is deemed advisable to give this notice on account of the approach of the season when materials must be provided to enable those who may feel inclined to tender for the whole or part of the Bridge to examine the site, to ascertain the price of labor, timber and stone, and the nature and extent of the undertaking, previously to the setting in of winter. As soon as possible, notice will be given in the same Newspapers containing this advertisement, of the specific nature of those Contracts for which Tenders will be received. *By order of the President and Board of Directors,*
