NOTICE—*A Third Paradox.*

THE subscriber is bound, in justice, to acknowledge to the community the gratification which he received on last Monday evening, by having so respectable an audience, the inclemency of the weather on that evening being considered.

He has begun to cherish a real anticipation, that Science, connected with morality and religion, will yet flourish and prosper in the city of Saint John.

The Paradox for next Monday evening will be *Aristotle's Wheel*, which rolling along a horizontal surface, marks off at each revolution, double, treble, or quadruple, the length of its own circumference.

The Lecture will conclude by an explanation of two principles discovered by the subscriber, viz. that of *consecutive agency* and that of *interoperant screws*—which principles he has applied in the construction of a simple but very effective instrument for *boring* any solid substance. He will commence in the Masonic Hall at 7 in the evening.
January 30. JOHN LEE.

"*Friendly Sons of Erin.*"

A REGULAR Monthly Meeting of the "*Friendly Sons of Erin Society*," will be held at Mr. Nethery's, (late Mr. Geo. Scammell's,) in *Church-street*, on Wednesday evening next, the 3d of *February*, at 7 o'clock.

A BILL

For the Incorporation of the "Portland Tunnel and Mills Company."

WHEREAS the encouragement of Manufactures is at all times considered beneficial to the general interests of a Country where they can be carried on, it is thought that the opening of a Tunnel or Tunnels through the Neck of Land between the Marble Cove, on the River St. John, to the harbour of Saint John, in the Parish of Portland, will afford a good water power for driving Mill and other Machinery;—and whereas it is thought it would be essential to the general success of the undertaking, to Incorporate such persons who may be willing to invest capital in the cutting of a Tunnel or Tunnels, Canal or Canals, erection of Mills for the Sawing of Lumber, the erecting and building of Dams and Sluices, to obtain water power for that and other manufacturing purposes.

1st. *Be it enacted by the Lieutenant Governor, Council and Assembly,* that James Rait, Henry Richards, Thomas Barlow, John Garrison Woodward, William Leavitt, William Walker, Elisha DeW. Ratchford, James William Boyd, David Hatfield, and James Peters, jr. their associates, successors and assigns, be and they are declared to be a body corporate, by the name of the "Portland Mills and Tunnel Company"; and that they shall be persons able and capable in law to have, get, receive, take, possess, and enjoy, houses, mills, mill dams, lands, tenements, heriditaments, and rents, in fee simple or otherwise; and also goods, chattels, and all other things, real personal, or mixed; and also to give, grant, let, sell, or assign the same, or any part thereof, and to do and execute all other things in and about the same, as they may or shall think necessary for the benefit and advantage of the said Corporation; and also, that they be persons able and capable in law to sue and be sued, plead and be impleaded, answer and be answered unto, defend and be defended, in any court or courts of law or equity or other places whatsoever, in as full and ample a manner as any other person or persons are in Law capable of suing and being sued, pleading and being impleaded, answering and being answered unto; and also that they shall have a common seal to serve for the ensealing of all and singular their grants, deeds, conveyances, contracts, bonds, articles of agreement, assignments, powers, warrants of attorney, and all and singular their affairs and things touching and concerning the said Corporation; and also that the said Company, or the Stockholders thereof, present at any meeting of the said Stockholders, shall from time to time, and at all times, have full power, authority, and license to constitute, ordain, make and establish such bye-laws and ordinances as may be thought necessary for the good rule and government of the said Corporation; provided that such bye-laws and ordinances be not contradictory or repugnant to the laws and statutes of this Province, and those in force within the same.

2d. *And be it enacted,* That the capital or stock of the said Corporation shall consist of such amount as the Stockholders may from time to time invest in the erection of dams, mills, sluices, machinery and other works—the said Stock to be divided into fifteen hundred shares, of fifty pounds each, at present; and when it shall be found necessary, or it shall be deemed expedient to increase the amount of capital for the purposes aforesaid, viz. the erection of dams, &c. it shall be assized on the Stockholders *pro ratio* with the number of shares held by each Stockholder.

3d. *And be it enacted,* That the Company shall have power to levy and collect assessments upon the shares from time to time, of such sums as may be necessary to pay the debts of the said Corporation, and for the purchase of such real estate and personal property as may be deemed necessary for carrying on the business of the said Company: and whenever any assessment shall be made by the Stockholders, or a majority of them, present at any public meeting, it shall be the duty of the Treasurer to give notice thereof in a newspaper printed in the City of Saint John, requiring payment of the same within thirty days; and if any proprietor of shares shall neglect or refuse to pay to the Treasurer the amount of such assessment upon his shares at the time prescribed, it shall be the duty of the Treasurer to advertise all such delinquent shares for sale at public auction, giving at least thirty days notice of the time and place of such sale in one or more public newspapers; and all shares upon which the assessment is not then paid shall be sold to the highest bidder, and after retaining the amount of assessment due on each share, the expense of advertising, and selling, and interest from the time of assessment, the residue, if any, of the proceeds of such sale, shall be paid over by the Treasurer to the former owner, and a new certificate of the shares so sold shall be made out and delivered to the purchaser.

4th. *And be it enacted,* That whenever five hundred shares of the said capital or stock shall have been subscribed for, notice of a general meeting of the members and stockholders shall be given in one or more newspapers published in the City of Saint John, ten days previous to such meeting, for the purpose, by the Stockholders then present, of making, ordaining and establishing such bye-laws, ordinances and regulations, for the good management of the affairs of the said Corporation, as they or a majority of them shall deem necessary, and for the purpose of choosing Directors, being Stockholders and members of the Corporation, which Directors so chosen shall elect one of their number a President, and shall serve until the first annual meeting for choice of Directors, or until others are chosen in their room, and shall have full power and authority to manage the concerns of the said Corporation, and shall commence the operations of the said Company.

5th. *And be it enacted,* That there shall be called a general meeting of the Stockholders and members of the said Corporation, to be annually holden on the first Wednesday in June, in each and every year; notice of which shall be given in one or more of the newspapers published in the City of Saint John, ten days previous to such meeting, for the purpose of choosing Directors, and transacting such other business as may or shall come before them;—the Directors then chosen shall continue in office for one year, or until others are chosen in their stead, in the choice of which Directors, the Stockholders and members of the said Corporation, then present, or by proxy, shall vote agreeable to the number of shares held by each Stockholder, every share being entitled to a vote; and the Directors, when chosen, shall at the first meeting after their election, choose one of their members President.

6th. *And be it enacted,* That it shall and may be lawful to and for the said Company and their successors, their deputies, agents, servants, workmen, and assistants, and they are hereby authorized and empowered to design, order, erect, excavate and build, or cause to be built, and to complete, maintain, and keep in repair, Tunnel or Tunnels, Canal or Canals, Houses, Mill Dams, Mills, Piers, Booms, Sluices, and all Mill Privileges, and buildings for manufacturing and and other purposes, and to manufacture lumber, and any other articles, and to buy and sell, trade and traffic in all articles whatever, manufactured or unmanufactured, except as in section 7th, and to cut Tunnel or Tunnels, Canal or Canals, through lands, and to make all or any erections that may be necessary on land, and on flats or water in front of land on the river, and on the beach, or flats to low water mark on the harbour of Saint John, with a right of way by water to any and all lands, owned or that may be purchased or leased by the said Corporation, for manufacturing or other purposes, and also the right to levy and collect toll on any passengers, timber, boats, goods, wares, or merchandise, or any articles that may pass through any tunnel or tunnels, canal or canals, owned by or being the property of the said Corporation.

7th. *And be it enacted,* That the said Corporation shall not directly or indirectly deal or trade in buying or selling gold or silver coins or bullion or Bills of Exchange, or in lending money by way of discount, or engage in any Banking operation whatever.

8th. *And be it enacted,* That the joint stock or property of the said Corporation shall alone be responsible for the debts and engagements of the said Corporation, and that no person or persons who shall or may have dealings with the said Corporation, shall on any pretence whatever have recourse against the private property of any individual member or members of the said Corporation, or against their person or persons, further than is herein specially provided, and that may be necessary to the faithful application of the funds of this Corporation.
