FOR
Beautifying the Skin and Complexion.
ROWLAND'S KALYDOR, as a preparation for the Skin is in preference to all others, selected by the Ladies as an indispensable toilet requisite, *sustainer of a fine complexion*, and conservator of female beauty in all climates, and during all stages, in the progression of life from youth to age.
Rowland's Kalydor is an highly estimated and great favourite with female Rank, honoured with the august patronage of the Royal Family of Great Britain; Her Majesty the Queen of the French; the Prince and Princess Esterhazy; and the most distinguished Nobility, &c. and is zealously recommended by the most eminent of the Faculty.
The ingredients of Rowland's solely genuine Kalydor are extracted from the most beautiful exotics, and are of the mildest nature—warranted perfectly innocent—yet powerfully efficacious, as a thorough cleanser of the skin; it eradicates freckles, pimples, spots, redness, and all cutaneous eruptions, from whatever cause originating; and transforms into radiant brilliancy the most sallow complexion.
The Kalydor gradually produces a soft and clear skin, smooth as velvet, actually realizing a delicate white neck, hand, and arm; and giving a healthy and juvenile bloom to the complexion.
To mothers nursing their offspring it proves a healing balm in cases of inflammation and soreness of the breast, and is warranted perfectly innoxious to the most delicate lady or infant, to whom it affords soothing relief.
Gentlemen, after shaving, will find it allay the irritating and smarting pain, and render the skin peculiarly smooth and pleasant after travelling.

Rowland's Odonto,

Or PEARL DENTIFRICE.
The high and important character this Powder has obtained for a considerable time from some of the most eminent of the Faculty, also from distinguished Personages, has induced Messrs. Rowland to recommend it to the notice of the nobility, gentry, and public, as the mildest, yet most salutary and efficacious Dentifrice ever emanated from scientific research either in past or present times.
This justly celebrated Dentifrice is a combination of oriental herbal medicament, forming an efficient vegetable white Powder, anti-scorbutic, and of potent efficacy, though mild in operation, as a thorough exterminator of existing diseases which the Teeth and Gums are liable, rendering the former perfectly sound, arraying in pure whiteness and fixing firmly in their sockets,—producing a beautiful set of pearly Teeth, and endowing the breath with fragrancy at once delightful and salubrious.—The efficacious virtues of which it is composed constitute it the best Dentifrice ever offered to public notice.

ROWLAND'S ALSANA EXTRACT,
For immediately relieving the most violent Tooth-Ache, Gum Boils, Swelled Face &c.; it is also an excellent Stomachic in cases of flatulency, spasmodic affections, &c. and gives instantaneous relief.

ROWLAND'S CERELÆUM,
FOR THE HEAD-ACHE,
An infallible, instantaneous and permanent reliever of the most inveterate Vertigo, by external application.

ROWLAND'S
MACASSAR OIL.

THE ORIGINAL,
Composed of *Vegetable Ingredients* (appertaining to the Island which name it bears,)—has always been much admired; and with rank, fashion, and discernment, supersedes all preparations of professed similar import.
This Oil is pre-eminently successful in nourishing, strengthening, and preserving the hair in all climates and seasons; accelerates its growth, sustains it in maturity, and continues its possession of vigour, silky softness, and luxuriant redundancy, to the latest period of human life.
More surprisingly are the *re-productive* faculties of this Oil illustrated in cases of Baldness, from whatsoever cause arising (proved by testimonials received from all parts of the Globe,)—this regenerative fluid clings to the latent stem, and elicits, unerringly, the active progression of vitality; so that, in many instances, where other have failed, Rowland's Macassar Oil has superseded the ornaments of art, re-instating in full plenitude of beauties, the permanent graces and utilities of nature; finally, its protective vigilance excludes, as well transformation, as decay; for the Hair by its use, becomes invulnerable to change, and will retain in its original purity and glossy hue through all stages of life.
Subduing all relaxing tendencies, it firmly *keeps the hair in curl* and other decorative formation during many hours, unimpaired by damp weather, crowded assemblies, the dance, or even equestrian exercise. In fact it is the friend of both sexes—for while it facilitates the progress of female beauty, it enhances, by producing Whiskers, Mustachios, &c. the graces of manhood.
Thoroughly eradicating all obstruction to which the heads of children are particularly liable, this celebrated Oil generates with infancy ample growth of beautiful hair, and will sustain it in perfection through all stages of existence.
If any thing more be required as an indubitable proof of the value and celebrity of this oil, it is the fact, that no production in the world has so many spurious and base imitations, which a set of unprincipled venders foist on the public (under the lure of cheapness,) to the great injury of those who are deceived by the cheat.
To prevent imposition, particular attention on purchasing is respectfully solicited, as the proprietors cannot be responsible for the serious injury resulting from the use of base imitations, of injurious quality, now offered to the public as Rowland's.
The above article is sold, by the Proprietors, A. Rowland & Son, 20, Hatton Garden; and by their appointment by Mr. W. LIVINGSTONE, Apothecary's Hall, Saint John, (New-Brunswick), who has just received a supply.
December 19, 1835.
