propel it, while the power is greatly augmented.
It also possesses the peculiar advantage of work-
ing equally well with back water.—Persons dis-
satisfied of procuring wheels constructed on this
principle, are requested to apply to the Subscrib-
ers, at the residence of Mr. John S. Clark, in

JOHN TOOLE, Merchant Tailor, —Jock street.
AN Irishman I am with a Scotchman in Co-
lonel Blue nose and Yankos we are no foe,
They give us their custom because we sell cheap,
Our foreman will fit every man to his shape.
The young Scotchman he says he will always
have two ships at sea, our cloths to fetch out,
As for the country people, I am happy to see,
They are leaving their measure with us every
day;
I have commenced the New Year my prices to
in hopes all my customers will to me will call,
For my cloths they are made neat, firm, and
strong;
I defy all the Shop Shops that is under the sun,
My Cloths they are ready, both black, blue and
brown.
For the inspection of my customers when they
come to town,
My prices I have decreased one hundred per
cent,
And still I am able to pay all my rent,
And as for my merchants with them I am clear,
And all my bad neighbors I need never fear.
'Tis they took down my BALLS and the sign
carried away,
And committed them to the waves in the midst
of the sea.
But Providence, I thank my God, was always
kind to me,
The wind it blew most favourable, tho' it was
far away,
The Captain of the Nelson Wood, so good, as
he sailed up the bay,
He seen them floating with the tide, and to his
men did say,
Lower the boats my boys, for yonder is a sign
Where I have bought pieces of cloth from him
full many a time.
When he had landed on the wharf, he straight
to me did come,
To tell me of my sign that he had on board for
use,
So, instead of loss it was a gain I am happy for
to say,
His crew left me five and twenty pounds before
they went away.
I return all my customers my sincere thanks
and a happy New Year.
And may they live long my Cloth for to wear.
When you come into town be sure you look out
The Three Balls and Scotchman you'll easily
find out.
They are nothing the worse I venture to say,
Though the wind has blown them to my harbour,
And were picked up in the bay.

HEALTH SECURED BY MORISON'S Vegetable Universal Medicines.
Prepared at the British College of Health, New
Road, King's Cross, London; and sold by
WILLIAM ANDERSON, Sole General
Agent for New Brunswick, Nova Scotia, and
Newfoundland, in boxes at 1s 6d, 4s, 6s 9d,
and 10s; Powders, at 2s per box, at his store
in Water Street, St. John, N. B. and in No-
va Scotia, in boxes at 1s 8d, 4s, 6s, and
10s.—Powders 2s.

THREE years having elapsed since the in-
troduction of these Medicines into the
country, during which time they have proved
that they are the most valuable remedy ever in-
troduced to the public, and from the daily proofs
of their efficacy in the removal of all diseases in-
cident to the human frame, WILLIAM ANDER-
SON, Sole General Agent, is again in-
duced to introduce them to the notice of the public
in a more extensive manner, and to continue
their use, whether of long standing or of
recent date. Such an assertion would appear
inconsistent, if the Hygeist, Mr. Morison, did
not consider that all diseases originate from one
cause, viz:—the impurity of the blood; and if
you remove the cause, the effect must con-
sequently be removed.
This important object is to be attained only
from the use of these invaluable Medicines,
which, being composed entirely of vegetable
matter, will be found the mildest, or by increas-
ing the dose, the most efficacious Medicines ever
discovered. It is to be hoped that the time is
not far distant when the use of these Medicines
will supersede the noxious drugs and composi-
tions so often prescribed, to the detriment of
Health, such as Opium, Prussic Acid, Mercury,
Arsenic, Fox Glove, Henbane, Colicium, and
numerous others, all of which tend to the detri-
ment of Health, and cause painful and incurable
diseases.

As W. A. has in several instances detected
a spurious composition sold under the name of
Morison's Medicine, he begs as a caution to the
Public to inform them that none are genuine but
those which have the Government Stamp affixed, with
Morison's Universal Medicines printed on each;
he also cautions them from buying from pedlars
and others, as none such are allowed to sell
them. They can only be obtained genuine, at
his Store in Water Street, Saint John, or of the
following agents duly appointed by him:—
NEW-BRUNSWICK. NOVA SCOTIA.
James Boyd, St. Andrews. J. Spira, Bridgetown.
W. Campbell, St. Stephen. J. Sheffeld, Cornwallis.
Thos. Prince, Moncton. H. Goudie, Windsor.

fax. W. Garrison, Jernigan, Esq. J. Goudie, Truro. J. Fox,
Mr. Robinson, Fredericton. James Dumas, Victoria.

of GENTLEMEN'S SUPERFINE CLOTHING, con-
sisting of vests and dress Coats, double and
single breasted Vests, Trowsers, &c. Also, a
large assortment of Sailors' Clothing, pea and
monkey Jackets, Flushing Trowsers, Flannel
Shirts, Oilskin dresses, &c. always on hand—
which will be sold cheap for Cash.

nent of the Faculty.
The ingredients of Rowland's Kalydor are
Kalydor are extracted from the most beautiful
exotics, and are of the mildest nature—warranted

cious, as a thorough cleanser of the skin; it

all cutaneous eruptions, from whatever cause
originating; and transforms into radiant brillian-
cy the most sallow complexion.
The Kalydor gradually produces a soft and
clear skin, smooth as velvet, actually realizing
a delicate complexion, hand and arm, and giving
a healthy and juvenile bloom to the complexion.
To mothers nursing their offspring it proves
a healing balm in cases of inflammation and
soreness of the breast, and is warranted per-
fectly innocuous to the most delicate lady or in-
fant, to whom it affords soothing relief.
Gentlemen, after shaving, will find it allay
the irritating and smarting pain, and render the
skin peculiarly smooth and pleasant after travel-
ing.

Rowland's Odontine, OR PEARL DENTIFRICE.
The high and important character this Pow-
der has obtained for a considerable time from
the most distinguished Persons, has induced
Messrs. Rowland to recommend it to the notice
of the nobility, gentry, and public, as the mildest
yet most salutary and efficacious Dentifrice ever
emanated from scientific research either in
Europe or America.
This justly celebrated Dentifrice is a combi-
nation of oriental herbal medicine, forming an
efficient vegetable white Powder, anti-scorbutic,
and of potent efficacy, though mild in
operation, as a thorough extirpator of exist-
ing diseases which the Teeth and Gums are liable
to, rendering the former perfect and without
decay, in pure whiteness and fixing firmly in
their sockets, producing a beautiful set of
pearly Teeth, and endowing the breath with
fragrance at once delightful and salubrious.
The efficacious virtues of which it is composed
is the best Dentifrice ever offered to public notice.

ROWLAND'S ALBANA EXTRACT.

Tooth-Ache, Gout, Swelled Face, &c.; it
is also an excellent Stomachic in cases of in-
fantility, spasmodic affections, &c. and gives in-
stantaneous relief.

ROWLAND'S CEREBEUM,
OR THE HEAD-ACHE.
An infallible, instantaneous and permanent re-
lief of the most inveterate Vertigo, by external
application.

ROWLAND'S MACASSAR OIL.
THE ORIGINAL.
Composed of Vegetable Ingredients (ap-
propriate to the human frame)—has always
been held in much admiration, and with reason,
fashion, and discernment, supercedes all pre-
parations of professed similar import.
This Oil is pre-eminently successful in nour-
ishing, strengthening, and preserving the hair
from whatever cause arising (proved by
testimonials received from all parts of the
Globe); it is also a powerful and permanent
restorative of the system, and gives to the
complexion a softness, and a glow, and a
luxuriant redundancy, to the latest period of human
life.

More surprisingly are the re-productive fac-
ulties of this Oil illustrated in cases of Bald-
ness, which is a disease arising from various
causes, and is a most valuable remedy, and
testimonials received from all parts of the
Globe); it is also a powerful and permanent
restorative of the system, and gives to the
complexion a softness, and a glow, and a
luxuriant redundancy, to the latest period of human
life.

Thoroughly eradicating all obstruction to
the heads of children are particularly liable,
and it is a powerful and permanent restorative
of the system, and gives to the complexion a
softness, and a glow, and a luxuriant redun-
dancy, to the latest period of human life.

If any thing more be required as an indis-
putable proof of the value and celebrity of this oil,
it is the fact, that no production in the world
has so many spurious and base imitations,
which is a sure proof of its popularity, and the
public (under the lure of cheapness) to the
great injury of those who are deceived by the
cheat.

To prevent imposition, particular attention
purchasing is respectfully solicited, as the pro-
prietors can be responsible for the person imi-
tating, resulting from the use of base imitations
of inferior quality, now offered to the public
as Rowland's.
The above article is sold, by the Proprietors,
A. Rowland & Son, 20, Hatton Garden; and
by their appointment by Mr. W. LIVINGSTON,
Apothecary's Hall, Saint John, (New-Brun-
swick), who has just received a supply.
