JACKSON'S HOTEL,

FREDERICTON, N. B.

THE subscriber, grateful for past favors, begs leave to intimate to his friends and the public generally, that owing to the circumstance of the late fire in Fredericton, he has been induced to take the well known and commodious stand at present occupied by Mr. Robert Chestnut, at the Public Steam-boat Landing, where it is his intention to recommence immediately a

BOARDING ESTABLISHMENT

upon the most genteel and comfortable system.

No pains shall be spared to render the reception of visitors pleasant, and their stay agreeable. The situation, as a summer residence, is surpassed by none in the place: it commands an extensive view of the river above and below, as also a most pleasing prospect of the opposite shore: the officers' barracks and square stand immediately in front, where frequently the military band enlivens the neighbourhood during the summer evenings.—Families can be accommodated with private apartments, and it is his intention, as he goes on, to improve every thing connected with the Establishment as it may be found to require; and he trusts that nothing shall be wanting on his part to render it a first rate and well known Hotel.

☞ *A good Groom will be in constant attendance, and the best Servants employed.*
