CONTRACT.

PLANS and Specifications of a BUILDING to be erected in the City of Saint John, for a COMMON GAOL and HOUSE OF CORRECTION, with Tenders for erecting the same, according to each Plan and Specification, will be received at the Mayor's Office in the said City, until Friday the 30th September next.
The Building must be three stories in height, besides a Cellar under the Keeper's apartments and the Attic, of which the Cellar and two lower stories are to be finished and must be so constructed that additions may be made thereto.
It must contain apartments for the Keeper, Kitchens, Rooms calculated for the reception and confinement of four persons in each, and Twenty Cells or more for solitary confinement.
The outside walls must be either of Stone or Brick, and the roof covered with Slate.
The interior and partition walls of all the apartments, except those intended for the use of the Keeper, must be built in such manner as to remove all possibility of the prisoners breaking through them.
The windows must be well secured with iron grates, and the doors, with their hinges and fastenings, made in the best and strongest manner.
Each Cell must be not less than seven feet in length, seven feet in height, and four feet in breadth. The floor and covering must be of stone, and the walls either of brick laid in and plastered with Roman Cement, or of Stone in large blocks laid with oil putty. The doors of iron, with a grate in the upper part, and sufficient fastenings.
The Building must have a sufficient number of flues for ventilation, and also be so constructed that it may be heated by common or hot air Stoves, and if common Stoves, to have them so placed that none of the inmates confined can by any possible means have access thereto.
The payments will be £1000 on entering into the Contract, £1000 when the walls of the basement story are finished, one half the balance when completely enclosed and covered, and the remainder on the completion of the work, and approved of by the Sessions or a Committee.
The Building must be completed by the 1st of September, 1838.
The Contractor is to find all materials, which are to be of the first quality.
No Plans or Specifications will be received unless accompanied by a Tender, and also by a letter from at least two responsible persons, signifying their willingness to become bound for the faithful performance of the work,—and the amount of such tender is not to exceed £4000.
All excavations will be made and the ground otherwise prepared to receive the Building, and all dry masonry done free of expence to the Contractor.
The area of the ground upon which the building is to be placed is 120 feet by 100 feet, and the entrance to the Keeper's apartments must be from a Street, on the line of which the north end of the building must stand.
The sum of £50 will be given for the Plan, Specification, and Tender that may be adopted; and if none be adopted, the sum of £10 will be given to the proposers of the two best Plans, Specifications and Tenders.
Further information may be had at the Mayor's Office.
JOHN ROBERTSON, MAYOR.
