AGENT, ALEX. BALLOCH, SAINT JOHN.
MEDICAL OFFICER, LEBARON BOTSFORD, ESQ., M. D.
STANDING COUNSEL AND SOLICITOR, *None as yet required.*

THE high estimation in which this Company is held in Great Britain is evinced by the great increase of its Business, and the hitherto unprecedented *division of Profits granted the Assured*, whilst the *unprecedented numerous* highly respectable Persons in this City already participating in its success, bear ample testimony to its merits.

This Company possesses nearly all the advantages of a mutual Insurance, without making the assured liable for Losses, and invites comparison with other similar institutions, without fear of suffering by it in the estimation of the Public.

"The very essence of Life Assurance consists in its converting a contingency into a certainty of enabling a man to accomplish in a few days, or even hours, an object which he may never have realized in any other way during a long life.—Whilst in health is the time to insure, not when, or after, accidents or sickness occur, rendering the risk then liable to be rejected altogether, or charged at an increased rate of Premium."

The Proposals are forwarded by Steam Packet to Board of Directors in London, and the acceptance or rejection of the Risk advised by return mail *immediately following*, thereby affording the greatest possible despatch.

MORE EVIDENCE.

[From the Susquehanna Register.]—Although the public have been often imposed upon by patent medicines, yet occasionally a really useful and beneficial medicine is despised, neglected, merely because 'found in bad company.' I am led to these remarks by a conversation with a friend a few days since. She had been afflicted for several years with a disease of the heart, which had apparently brought her near the grave. One of our most skilful physicians was called, who pronounced her disease incurable. An advertisement of Dr. Jayne's EXPECTORANT in the Register caught the eye of her friends, and a bottle of it was immediately procured. Before she had taken it two days, there was an apparent improvement; and by the time she had taken two bottles her health was nearly restored. I have no personal motive for recommending this Medicine, but merely state this fact, hoping that it may meet the eye of some who are labouring under similar diseases, that they may likewise partake of its healing influences. A FRIEND TO HUMANITY.

Dr. Locke, of Marion, Ohio, says—I have used JAYNE'S EXPECTORANT in my practice, and can say, I do not know of any remedy upon which I can place so much reliance in the treatment of Pulmonary affections.

WORMS! WORMS!

"IS THIS MEDICINE!" we exclaimed the other day, on tasting some of *Jayne's Tonic Vermifuge*. It certainly has none of the nauseous flavor, which one associates with the idea of physic. Children consider it quite a treat; and in taking it their palates are gratified, and their health restored at the same time. Jayne's Tonic Vermifuge not only destroys worms, but carries off the mucus in which they are imbedded, and effects a radical and permanent cure. Every mother knows the prominent symptoms of worms, such as voracity, leanness, fetid breath, grinding of the teeth during sleep, paleness of the lips, itching of the nose, &c., but there is other indicacia not so generally recognized. A dry cough, dull eyes, enlargement of the abdomen, and many other symptoms common to other diseases, frequently denote the presence of worms. If their existence is even suspected, the Vermifuge should be administered, because it can do no harm in any case, and may do incalculable good.

JAYNE'S ALTERATIVE, and SANATIVE PILLS, have been used in numerous cases of Scrofula, Cancer, Salt Rheum, and various Cutaneous Affections, with the most decided success.

Dr. Jayne's HAIR TONIC—for Preservation, Growth, and Restoration of the Hair.

ASTONISHING EFFICACY OF
HOLLOWAY'S PILLS.

THE TESTIMONY OF A CLERGYMAN VOUCHING TO ELEVEN CASES OF CURES BY THESE WONDERFUL PILLS.

Extract of a Letter from the Rev. George Prior, Curate of Mevagh, Letter Kenny, Carrigart, Ireland, 10th January, 1846.

TO PROFESSOR HOLLOWAY.

SIR,—I send you a crude list of some *eleven cases, all cured* by the use of your Pills, I cannot exactly give you a professional name to the various complaints, *but this I know, some of them baffled the skill of Derry and this County.* In a previous letter this gentleman states as follows:—Within a short distance of my house resides a small farmer, who for more than twenty years has been in a bad state of health; Mrs Prior gave him a box of the Pills, which did him so much good that I heard him say, for twenty years past he never ate his food or enjoyed it so much as since taking your Pills.
(Signed) GEORGE PRIOR.

** The above reverend and pious gentleman purchased some pounds' worth of the Pills for the benefit of his poor parishioners.

EXTRAORDINARY CURES BY
Holloway's Ointment.

CURE OF A DESPERATE CASE OF ERYSIPELIS.

Copy of a Letter from Mr. Joseph Gildon, Jun. a Farmer, East Kenal, near Spilsby, Lincolnshire, 8th April, 1846

TO PROFESSOR HOLLOWAY.

SIR,—I have the gratification to announce to you a most wonderful cure wrought upon myself, by the use of your Ointment and Pills. I had a severe attack of Erysipelis in my right foot, which extended along my ancle, and was attended with swelling and inflammation to an alarming degree, insomuch that I was unable to move without the use of *crutches* I consulted a very eminent Physician, besides other Medical men, but to no purpose. At last I tried your Ointment and Pills, when, strange to say, in less than two weeks the swelling and inflammation gradually subsided to such a degree that I was enabled to pursue my daily avocation, to the utter surprise and amazement of those who were acquainted with my case, seeing that I was cured so quickly. I and my family are well known here, as my father holds his farm under the Rev. J. Spence, Rector of our Parish.
(Signed) JOSEPH GILDON.

Holloway's Ointment will cure any cases of Bad Legs, Ulcerous Sores, Bad Breasts, Sore Nipples, Cancers, Tumours, Swellings, Contracted or Stiff Joints, Gout, Rheumatism, Lumbago, Burns, Scalds, Chilblains, Chapped Hands and Lips, Bunions, Soft Corns, Piles, the Bite of Moschettoes, Sand-flies, Chego foot, Yaws, Coco-bay, and all Skin Diseases common to Europe, or to the East and West Indies, or other Tropical climes.
